This breaker was one of the largest in the County, only one being larger to build. We understand it was partially insured in the Lycoming offics. This is the fourth Breaker that has been set on fire and burned in this region within a few weeks. It is becoming a serious business, and effor ought to be made to ferret out the miscroants guilty o these outrages. They are not only outrages on property but deprive a large number of men of employment, so near the close of the mining season, when it will be alnost impossible to obtain employment elsewhere. A fund ought to be raised and a large reward offered for the perpetrators; in order to put a stop to this burning. Since the above was in type we learn that the Prodent of the Donaldson Improvement Company, on whole ad the Breaker was erected, has offered a reward of \$500 for the discovery and conviction of the perpetrati
