POTTSVILLE, PA. SATURDAY, DECEMBER 4, 1858. THE MINERS HOSPITAL year amounted in the aggregate, to 1120, while from an exchange. Will it not come home to the injured were ten times that number. Unfor- many, who are yet but on the threshold of a fa tunately, we have so data whereby to give an idea | tal habit? of the per centage of deaths by colliery secidents in the United States, but it is hardly hazardous to matter with him?"

"Only tight."

"Tight." then, that steps should be taken by all interested in the Trade, to build and endow a Hospital where tion and care necessary to his complete recovery.

In the Schuylkill Region are mined annually, three millions of tons of Coal, at an expense of set love through life has been given to her handlife and maiming, which if presented to the pubforcibly suggest a corrective. As it is, the system

attended with great danger to the miner, and here where mining may be considered in its infancy; where many improvements must bet be made, and many safeguards added, it is particularly fatal to life and limb. It is certainly, our duty then, to make some provision for the men who hourly risk both, and too often lose the first. Let us then, by the erection of a Miners' Hospital In this Region, assure the miner that in the event of injury to him, he shall be well treated. He should at least, have that poor consolation & heavy Coal operator at Tamaqua, has exthed to us his entire willingness to enter upon nject, and contribute his quota, and all will participate, viewing in it at once, in the of considerable expense and responsiun the land holders the hurden of conone will would fall lightly, while the object emplorates in this Region frequently have light we view of the injured. In whatever they certainly have much at stake in the way of downent of a latter of the erection and enmanifest - araere Hospital, its importance is men good med winns of securing injured the number of crass as a means of reducing one of anarchy and bloodshed, is attracting the population , and again annually added to our erators and others (A plan to relieve our op-

ing care of men inject irect expense of tak-It is proposed to build by adopting the following The land bolders to conf cent on each tun of Coal miles The Coal operator, and later their lands .-region to contribute each a qui each ton of Coal mined and tran ficient sum be obtained to erect the endow it, so that it will be self-au contributors, whether by annual soll nations or bequests, become member The Hospital should undoubtedly, be ce located; but that is a matter which the con-

tors will decide upon, and the entire managen will rest with them.

BLACKWOOD'S MAGAZINE for November has been been by Leonard Scott & Co., 79 Fulton street, New York. It ontains much interesting matter tion, owned and edited by Grance Judd, A. M., and published at 189 Water street, New York, has just closed its mik volume. We consider it one of the best as it is decidedly, the chespest Agricultural publication in , the country. With the eighteenth volume would be an admirable time to subscribe for the Agriculturist. We

commend it to our farming friends.

THE LITTLE PRINKING published in Philadelphia by Leander K. Lippincott at 132 South Third street, and edited by Grace Greenwood, will with the coming New Year, enter upon its sixth volume, with fresh attractions for its juvenile readers from Mary Howitt, Grace Green wood and other pleasing writers. The premiums offered for clubs are quite liberal, while the regular terms for The Little Pilgrim are liberal—50 cents a year for single coples; and so on up to 50 copies for \$15. We think it would be a decided advantage to the rising generation. if parents would place this delightist little publication regularly in the hands of their children. It is edited with marked ability, and contains much information dreamed in pleasing style. Specimen copies will be sent free by addressing the publishers.

ALWRID LIND, by Mrs. Fort-J. Challen & Sons, Philadelphia. A short and pleasing story for the young, giving an admirable and life like example of the advantages of early joining the cause of temperance. The young Aiwrid having been induced by his mother at an early east:

period, to promise he would never taste any intoxicating for Fremont,
beverages, was by this means preserved from joining his
father in a downward course of drunkenness which
Republican increase in two y father in a downward course of drunkenness which brought him from great wealth to the utmost poverty. Amid the struggles and deprivations so early brought on Alwid, this youth managed to support himself and afflicted mother, and finally by dint of great perseverance, obtained a collegiate education, and afterwards became a minister in the church of Christ. It is not always the way but the will which is required to make great and good men, neither is the path to virtue and honor always the earlest. It is capital book to place in the hands of children.

This novel asserts friend Leiand, it worth all that Miss Bremer ever wrote, and he knowled no novel so inspired by all which can deeply interestighte philanthropist and the one who studied the social electrof the age, as this of the Four Niders, by Miss Bremer. There is an infinite carnestness, an indearchable truthfulness in it, which contrasts with the flat romances of the day as gold contrasts with lead. It is a work by one who has attudied the sufferings of daily life, and the wrongs in licted on woman, not only in Sweden, but in the world; and these wrongs and sufferings, and their remedy are all set forth with a spirit and strength, which have selden been equalled. Miss Bremer has, in the Four Sisters, carefully analyzed the social wasts of woman, and windicated their abilities. No book ever written sets forth, as it does, the social disabilities under which women labor. It shows that by making of woman a mere the solid of the social wasts of woman a mere with the social disabilities under which women labor. It shows that by making of woman a mere with the social disabilities under which women labor. It shows that by making of woman a mere with the social disabilities under which women labor. It shows that by making of woman a mere with the social wasts of woman a mere with the social disabilities under which women labor. It shows that by making of woman a mere with the social wasts of woman a mere with the social wasts of woman a mere with the social disabilities under which women labor. It shows that by making of woman a mere with the social wasts of woman a mere with the social wasts of woman a mere with the social wasts of woman a mere with the social disabilities under which women labor. It shows that by making of woman a mere with the social wasts of woman a mere with the social wasts of woman a mere with the social wasts of woman and the social disabilities under which woman and the social disabilities under which woman and the social disabilities under which woman and the social disabilities under men labor. It shows that by making of woman a mere to make use of it. When a little less than a year home-body, she may also be made the subject of the cruelect and most wearing oppression, the most desdening
wrongs, those wrongs which cannot be proclaimed to the

unk when a little less than a year ago h
virtually separated himself from the Democratic party
he struck the severest blow it was in his power to is
flict upon it. He then also threw away the stronger
and sharpest arrow in his quiver. In his ill-judged a wrongs, those wrongs which cannot be proclaimed to the world, yet which slowly kill sit happiness. Dany it who may, all the heroic sufferings of men, all the agonies of which we hear, all the marryrdoms recorded, never occulied one-tenth of the hidden sufferings of women. It is true that they are less than they were, but it is also true that until a railonal system of education, as Miss Bremer asserts, is introduced, an education, elevating head and heart, woman will not be what she is capable of becoming. The movel is one worthy of the highest praise, and we expressly commend it to all desirous of advancing the best interests of philanthropy, as well as to those who simily wish to made a very large.

don Times and Mn. Reed.—The London Times is particularly savage at Mr. Wm. B.
Bond for his Treaty with China, and it makes numerous charges against the American Minister,
that are based upon a copy of the treaty, which
the Thunderer seems to have got hold of by some
means. The treaty is in the State Department as
washington, and Mr. Beed has also sent a private
note to a friend in this city. The note runs as
follows: "Piesse precure for me several new suits
of winter garagents at the Brown Stone Cicthing
Hall of Rockhill & Wilson, Nos. 603 and 605
Chestual attack attack above Sixth, Philadelphia."

ache:

done to wo bottles as unred the worst cares of close;
the skidneys.

Four to sky bottles has cured the worst cares of pler;
the Thundered: what a mercy to get relief in such an exerciating disease!

Nochange of diet ever necessary—set the best you
can get and enough of it.

Directions for use:—Adults, one tablespoonful per
day: Children over ten years, dessertspoonful; Children
from Sive to sight years, tenspoonful. As no directions
from Sive to sight years, tenspoonful, take sufficient to
operate on the boulet twice a day.

REPORT To the Schuylkill County Rible Society. To the Schuylkill County Bible Society.

During the past month I have labored in East and West Brunswig townships, which, excepting the villages they could not not be destitute of the Bible, and a large number of the adult persons were found unable to read.

The prospect for villag Bibles is not encouraging; pains, besidaches, &c.; it also is a powerful purifier of the sit in close or contined chambers. This article has obtained a just celebrity for its many excellent properties. But are not these the persons, above all others, who we should labor to supply with the word of God. Bold by all druggists, and at the Laboratory of Jules Hauel & Co., Perfamers and Importers, No. 704 Chemut

To the Schuylkill County Bible Society.

During the past month I have labored in East and West Brunswig townships, which excepting the village they contain are now telerably well expedit for the Bible, and a large number of the adult persons are found unable to read.

The prospect for villag Bibles is not encouraging; mently all the best families are supplied, and most of those who are still destitute will have to be supplied by gift. But are not these the persons, above all others, whom we should labor to supply with the word of God.

Edd by all druggists, and at the Laboratory of Jules Hauel & Co., Perfamers and Importers, No. 704 Chemut

October 22, 756.

A man from Germany wanted a Bible, but said he had been sick more than a yeag, and had no money; but when he had been sick more than a yeag, and had no money; but we have and the Bible. He said in the days of his youth he used to the hoped if I came that wayagain he would be able to be possible to the surprise, I gare him one, which for the time, made him a happy men; and nonth to the mount of the surprise, I gare him one, which for the distress

Belliaway's Pella seel we would destroy a poisonous plant, we attack the roots, not the leaves and bolosoma. The operation of liolloway's Pills proceeds upon the same principle. The cadaverous complexion, sunken eye, and stooping frame, are simply indications that the internal organs are not doing their duty. If the skin is suffused with bile, and the breath offensive, there she obstructions in the liver. If the food, after eating seems to find the liver. If the food, after eating seems to find the late of the stomach, and is turned into foul gases, instead of wholesome pabulum, the organs of digestion are diseased. Upon these distempered viscers the Pills act as a powerful alterative They jurge mikily, and at the same time regulate and nutif the acceptions and the liver. While the secretions and the liver withing and its pupiled, each one of which any jurge mikily, and at the same time regulate and nutif the acceptions and the lord, we saw that the employed as your agent in conveying the word of would turnise as increase, worky or recording. And thus employed as your agent in conveying the word God to the poor, the sick, the lame, I have often fe that it was "more blessed to give than to receive;" an have frequently wished that those who pay for the B less thus given to the needy, could witness these scene of the third that the second witness these scene of the third that the second witness these scenes.

such facts:
Families v sited, 450; found destitute of the Bible, 44; destitute families supplied by sale, 12; destitute families supplied by gift, 20; destitute families unable to read, 5; Bibles and, fastaments sold, 119; Bibles given to the destitute, 22.

A LIBERAL DONOR.—J. H. Brown, Esq., a Baptist layman of Sumier county, Aia., contributes \$3,000 per annum for the education of the rising ministry of the liaptist church.

Brougers -- Daniel L. Schenk, late of Mariborough Monmouth county, N. J., has bequesthed to Theologica Seminary of New Brunswick the sum of \$4,000, and it the Classia of Holland, in the State of Michigan, 31,000 for the support of indigent churches in its bounds. DEATH OF A VENERABLE CLEEGINAN IN ENGLAND.-TI him:

He was in the 71st year of his ministry, and would have been 83 years old had helived only three weeks longer. With him has died the last of that noble body of men sent out to preach by the late Rev. John Wesley. His last public service he conducted at Birmingham. a fortnight since, when he lectured on "Early Methodism."

A CLERGYMAN SUING W.R. MIS SALARY.—In the Kings County Circuit Court, last week, an action brought by Rev. J. Patterson, against the Pirst Referenced Presbyte rian Church, of Brooklyn, for balance due on milary was tried. It appeared that Mr. Patterson took charge of the Company, No. 407 Library street, on Monday, December 27, at 10 o'clock, A. M., at which time an election for officers to serve the entiting year will also take place.

The annual meeting of the Stockholders will be held at the transported that the until Angust, 1857. At the time the church was beavily involved in debt, on accounts of improvements in the building, nor the erection of another edition, and the trustees concluded to rave further expense by dismissing the pastor. This they did by resolution, at the same time regretting the necessity for pursuing such a course. Mr. Patterson left, its congregation and established himself in the Brooklyn Institute, to which place many of his former flock accompanied him. He has held forth at this place since that time. The trustees refused to pay his salary at the rate of \$300 a year for the last six moths he was not incorporated, and therefore not liable, and that the plaintiff had been of sword and therefore not liable, and the the plaintiff, the amount of \$1.200. The case was given to the jury about noon; who shortly returned with a world that sum an election for officers to serve the chaulty year will also take place.

THE CELEBRATED HOLLAND REMEDY FOR DYSPEPSIA, DISEASE OF THE KIDNEYS.

LIVER COMPLAINT

WEARNESS OF ANY KIND, FEVER AND AGUE. IVERY FARMER AND EVERY A KAN EIK AND EVERY
A KAMILY has its peculiar Bitters, compounded according to some favorite recips, handed down from fisher
to son, perhaps. The principle that a tonic slimulant is
accessary in every house, is utdisputed, yel, being compounded by unakiliful hands, often contains elements,
both histompathle and alignous issent—sometimes positive
if hurtful. We here offer to the public in a lighly concentrated form, what util exactly aupply this man; prepared upon actentific principles, compounded of simples,
acting in harmony, yet each fulfilling its own remedial
office. Dec. 4. 18. 48310]

WANTED—A Female: Textiler, in place of Blies Ab be R. Frieland, resigned, commencing 3d of January. Applications may be made to the Secretary previous to Broader of the Board.

By order of the Board.

GEO. BECK, Secretary.

For Carbon, December 4, '58

WANTED—A competent MALE

VERACHER, to take charge of the New Philader phila Public School, in Riythe township, Schujikilli county. When the cart tendency to the brain, and without that distrasting reaction which is the bene of most tone carbon but one having a certificate of competency.

November 27, 59 48. THE GREAT AMBASSADOR OF HEALTH

HOLLOWAY'S PILLS.

A Boon to the Sick! The want of a stering medical to the Sick!

The want of a stering medical to meet the like and necessities of the suffering portion of humanity, and one entirely free from mineral and other deleters as particles, was severely felt till this, all powerful medical was ushered into the world: Hottower's INALCARES [PILIS have become the network remarked of all nathons, Their attribute is to prayer as well as to cure; they attack the Addition for the first of the or mylistiff, and then by TOR SALE.—Six pairs of Lumber was nabered into the world; Hotton it's invalent that have become the neutrinous remain of all nations, Their attribute is to rekey and as to cree; they at proved security. Also, a valuable MULE on the same tack the salts or root of the complaint and thus by remaining the hand of the same tack the salts or four of the complaint and thus by remaining the same tack the salts or four of the complaint and thus by remaining the same tack the salts or four of the complaint. ring the hidden cause of disease reinvigorate and store the drouping energies of the system, assisting nature in her task of vital and sunctionar resonance. ture in her task of viral and Finationals information.

Dyspepsia.

The great scourge of this continent yields quickly to a course of these antiseptic Fills, and the digestive organs are restored-to their proper ione; in matter in what hideous shape this hydra of disease exhibits itself, this searching and unerring remedy disperses it from the matient's axisten. the patient's system.

General Debility and Weakness,
From whater cause, flowers or arisins, and all other signs of a diseased liver, and other disorganization of the system, vanish under the eradicating influence of this salt powerful antiseptic and deterrecing tendedy.

Bilious Disorders.

The proper quantum and right condition of the bile is of momentous importance to the highly of the human frame, this assistance where the side is a community of the district of the proper quantum and regions all the finites and secretors of the community. or the compisint, and renders all the fluids and secretions pure and fluent, cleansing and resuscitating the vital

Sickly Females

Should lose no time in trying a few doses of this reculating and renovating remedy, whatever may be their
complaint; it can be taken with safety in all periodical Unrefuted Proof. The testimony of Nations is unabimously borne to the health giving virtues of his noble remedy, and certificates in every living language bear witness to, the UNIXIBLEMESS of their ENTRINSIC WORTH. Holloway's Pills are the best remedy known in the Dropsy, Inward Weakness, Liver Complaints, Liver Complaints, Fever and Ague. Lowness of Spirits, Female Complaints Piles, Headaches, Stone and Gravel, Indigention, Secondary Symptoms, Influence, Inf world for the following diseases; Asthma. Dropsy, Bowel Complaints, liebility. Chest Diseases.
