If The Republicans elected their entire State ticket there were no other difficulties in the way the struggle between these parties would have | their two candidates for Congress-Thomas Davis been sufficiently animated to prove quite in in the First District, and Hon. Wm. B. Brayton

teresting. Other parties, however, have also taken an active part in the contest. France, Sardinia, and England have been busy in intrigues for the benefit of their citizens, and, it is supthe Cass-Yrisarri treaty for the protection of the Administration, which will sink "J. B." and American interests has been treated very cavalierly, and it is now supposed that it will never be ratified. From present indications, the European Powers will gain rights in an the proposed cheap edition of this work, has eli-American State, from which we will be to a cited a roply from one of our subscribers at a disgreat extent debarred, notwithstanding the immeasurable superiority of the interests we have at stake. Our Nicaraguan policy las been left entirely too much to the tender mercies of the British Diplomatist, Sir William Gore Ouseley, and every possible facility has been afforded for the rival and jealous Pow ers of Europe to advance their interests and

injure those of the United : tates. three American companies have been completely ignored, by a decree which nominally supposed that the control of this will fall into

It is very evident that our Central American diplomacy has been of such a character as to lead to the total sacrifice of the rights of our citizens in that quarter, which were long since guarantied to them-that if the long since guarantied to them—that if the of drafts or certificates of deposit, as Nicaraguan route is ever again opened to us at all, we will hold it at the mercy of France regularly, through the columns of The state of the s

the Pike's Peak region are still conflicting; but part of the compend enough has been received to assure us that many of the statements published in regard to the richness, prespects, etc., of the region, are gross exaggerations, started by speculators who will be WM. the only ones to reap a rich harrest from credulty.

The support of this supposition, we observe that on Monday of last week; two Germans, who formed part of the German company that left Atchiber 18 to 18 chison for the mines last fall, arrived, back. One from 75 cents to \$1 50 per day, but that provi- to receive person those there are discontented, and would come back | a nominal vote in the Slave States for our Presidential if they had any way of coming. This undoubt- Ticket in 1860. edly, is the truth. We therefore, advise those still determined to go to the mines, to prepare for such an emergency. They should not leave the frontier with less than six months provisions .-If they neglect this precaution, they may find themselves the prey of sharpers and heartless speculators, when they reach the mines.

Or all the governments of the world, there are sone, as we think, says the Philadelphia North slance so numerous and striking as do the Tur policy of the country is directed by British lead- this County for subscribers. ducts in the rudest form. In both, the wackly there is a variety in its pages which has rendered waste of labor is morain value than the annual it so popular. We consider this Magazine the for the sale of all their products. Both find sulation. Copies of these publications can be obmeetres compelled to go abroad for loans, even tained at Bannan's store. Subscriptions received in time of peace. In both, the government is ad. by the publishers, 13 Frankfort street, New York, istered for the profit of the office-holders alone. In both, the tressury is bankrupt. "

A CONVENTION of delegates from members o the Democratic party who repudiate the principles of the tyrannical Buchanan Administration will meet in Harrisburg on Wednesday next.-The State at large, will be represented in it. Fifty delegator from Berks county will attend it .-The cause of Gov. Packer is being sustained with much enthusiasm by the Domocracy of Pennsylvanis. They seem determined that he shall no be insulted by the office holding faction, with impusity. They exhibit a proper spirit.

Tas difficulties pending between the United States and Paraguay have been amicably arranged by concessions on the part of the latter republic.

ELECTIONS OF THE WEEK.

Brilliant Opening of the Campaign. From the Bust; from the far West, elections, State, and municipal, held during the week, exbiblt but this result-defeat of the Sham, Pro Slavery Democracy, and brilliant triumph of the Republicans. On Monday in Connections the Republican party achieved a victory more signal than it ever before experienced. It has elected the Capital of Pannsylvania, a free colored man its State ticket, by a largely increased majority, and has a majority of 20 in both houses of the Legislature. But its special triumph is in the slection of each of its four Congressional candidates-a result which even the party itself hardly the transaction, from asking his offence. The man dared to anticipate. Every one of the Congres sluval Districts was considered more or less doubt. was enseted—the prisoner hardly knowing of ful-particularly the New Haven and the Hartwhat he was accused, until standing before Uni- ford Districts. dministration.
On Saturday morning last at a quarter before

the deput, in order to get away by the seven nelock accommodation train to Philadelphia.

The arrest was soon noised abroad, and a large

number of people congregated, among whom were a number of Senators and hombers of the Legislature. The crowd, pressed to close upon the officers in the room of the deppt, that they were compelled to exhibit their wayrant for the arrest

of the alleged fugitive; and then, after making the erowd fall back by main force, they conducted

him to the front our of the training In a short sime the space between the trocks was filled with ne-

groes-men, women and children-and among them was one who claimed to be the fugitive's

wife, who gave way to the most passionate grief.
The scene was one altogether calculated to inspire
the beholder with anything but a favorable opin-

on of a law capable of producing so much human

On the way to the city the officers were accom

panied by four stalwart. Virginians, who claimed the fugitive as Daniel Dangerfield, the property of Mrs. Simpson, of Athensyille, in that State.

The fugitive claims to be Daniel Webster, a free man, and born in Pennsylvania. He is apparent
