NOTES FROM MY MANT.

"I heard that" — Among the numerous phrases which are used in conversation, there is none so generally employed as "I heard that." It is a phrase which is used for a variety of purposes, and it is often used in a way which is not only incorrect, but also very dangerous. It is a phrase which is used to convey information, but it is often used to convey information which is not true, or which is not reliable. It is a phrase which is used to convey information, but it is often used to convey information which is not true, or which is not reliable.
