

Miners' Journal.

POTTSVILLE, PA.

SATURDAY, NOVEMBER 9, 1861.

NEW YORK - O. H. Brown, No. 110 Broadway, has been appointed by the Board of Directors of the Pennsylvania Coal and Iron Company, to take charge of the coal and iron mines of that State.

Our friends who have made up their minds to go to the coal mines, will find it to their advantage to go to the Pennsylvania Coal and Iron Company, where they will find the most complete assortment of tools and implements for the coal mines, and where they will also find the most experienced miners and mechanics, who will be glad to give them the best of advice and instruction.

Our friends who are interested in the coal mines, will find it to their advantage to go to the Pennsylvania Coal and Iron Company, where they will find the most complete assortment of tools and implements for the coal mines, and where they will also find the most experienced miners and mechanics, who will be glad to give them the best of advice and instruction.
