The Law of Newspapers.

If subscribers order the discontinuance of their newspapers, the publisher may continue to send them until all arrearages are paid.

If subscribers neglect or refuse to take their newspapers from the office to which they are directed, they are responsible until they have settled the bills and ordered them discontinued.

If subscribers move to other places without informing the publisher, and the newspapers are sent to the former direction, they are held responsible.

The Courts have decided that refusing to take newspapers from the office, or removing and leaving them unclaimed for, is *prima facie* evidence of intentional fraud.

THE GREAT
AMERICAN TEA COMPANY
51 Vesey Street, New York.
Three its organization, has created a new era in the history of
Selling TEAS in this Country.
ALL our Teas are selected by a Professional Taster, expressly and exclusively for us, and we never pay more than Two Cents (02 cents) per pound above cost for original packages.
We have but One Price, to every one for each quality, and that price is always marked on each sample package at our store in plain figures.
We issue a Monthly Price List of our Teas, which will be sent free to all who order it—we advise every Tea Seller to see it. It comprises a full assortment selected for every locality in the States, Provinces, South America and the West Indies. In this list each kind is divided into Four Classes or qualities, namely: Cargo, High Cargo, Fine, Finest, that every one may understand from description and the prices annexed what the Company are determined to undersell the whole trade.
We guarantee to sell all our Teas in original packages at not over Two Cents per pound above cost, believing this to be attractive to the many who have hereafore been paying Enormous Profits.
Our business is largely done on orders, which we always execute as well and promptly as though the buyer came himself giving true weights and tares, and always guaranteeing everything; our responsibility enabling us to do all we promise.
Every dealer can order Tea direct from the Company, and parties doing business within Five Hundred (500) miles of New York, can return Tea bought of us if they are not cheaper than they can buy elsewhere, and the purchaser is dissatisfied with his bargain, within fourteen days (14), and have the money refunded to them. Those who are over Five Hundred miles can have thirty days (30), and the same privilege extended to them.
Besides these advantages the Company will pay All Expenses, both ways, if the Teas are returned.

DIEHM & SNELL'S
NEW COMBINATION COAL SCREENS.
The undersigned take pleasure in announcing to Coal Operators and others, that they are manufacturing a new COAL SCREEN of their invention, which they will guarantee to wear twice as long, and do its work better than any crimped wire Screen in use. The vessels turned out by us can be sent to any circle required. *We also guarantee that the mesh will always retain its original size until entirely worn out.* We use crimped wire Screens in the meshes, frequently slip, and lose the proper mesh, before the screen is half worn out. We manufacture any sized mesh of our New Combination Screen, used in the trade.
☞ Mr. Diehm, who was associated with Mr. Beacham in the business of manufacturing Screens, at Norristown and Railroad streets, Pottsville, having dissolved partnership, and disposed of his interest, has removed to Railroad street, in the rear of D. Esterly's Hardware Store, Centre Street, and associated with him in the manufacture of their new Coal Screens of all descriptions, Mr. Jasper Snell. He solicits a continuance of the patronage heretofore so liberally bestowed upon him.
WIRE SCREENS.
We are also manufacturing a style of Wire Screen by a process different from that used in making crimped wire screens, as good in every respect, to which the attention of Coal Operators is invited.
DIEHM & SNELL,
Manufacturers of Screens of all descriptions at the shortest notice. {Dec. 26, '62 52-1f

TO COAL OPERATORS and Others:
After desperate attempts, upon the part of a number of infringers, to evade our rights to HENRY JEWETT'S Patent for Crimping Woven Wire, we have succeeded in establishing every point in our favor.
Judge Grier of the United States Circuit Court, has decided that we own the patent, and that it is a valid one. A Jury of the same Court has pronounced the Invention an original one, after withstanding the most laborious and ingenious efforts to overthrow the Patent, and a new trial was refused, the Judge expressing himself satisfied with the verdict.
We learn that there are still certain unprincipled parties continuing to infringe upon said Patents, some of them pretending, in various unimportant ways, to vary their mode of Crimping from that pointed out in the Patent. In every instance that we have examined, their statements are grossly fraudulent. We shall hold to the strictest accountability every party violating the decision alluded to. And being determined, not only to assert our rights, but Mr. Jenkins, the Inventor, who is paid by us alone, shall not be deprived by such conduct of the income so justly his due. We now respectfully notify the Coal Operators and others that if they buy any Crimped Screen Work of any others than our Licensee, we shall hold them in damages and proceed to enjoin them from using the work thus purchased.
We also give notice that DIEHM & SNELL and BEACHAM & BROTHER are not our Licensees.
Mr. J. W. BROCK is our sole Licensee. His shops are located at Scranton, Pittston, Pottsville, &c., where he will be able to fill promptly any and all orders entrusted to him.

PARTICULAR NOTICE.
There are many preparations sold under the name of Bitters, put up in quart bottles, compounded of the cheapest whiskey or common rum, costing from 20 to 40 cents per gallon, the taste disguised by Anise or Coriander seed, &c.
This class of Bitters has caused, and will continue to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influence of alcoholic stimulants of the worst kind; the desire for liquor is created and kept up, and the result is the same as attends upon a drunkard's life and death. Beware of them.
For those who desire and will have a Liquor Bitters, we publish the following recipe: Obtain a Bottle of Hoofland's German Bitters and mix with Three Quarts of Good Brandy or Whiskey, and the result will be a preparation that will far excel in medicinal virtues and true excellence any of the numerous Liquor Bitters in the market, and will cost much less. You will have all the virtues of Hoofland's Bitters in connection with a good article of Liquor, at a much less price than these inferior preparations will cost you.
DELICATE CHILDREN,
Those suffering from MARASMUS, wasting away, with scarcely any flesh on their bones, are cured in a very short time; one bottle in such cases, will have a most surprising effect.
DEBILITY
Resulting from fevers of any kind—These Bitters will renew your strength in a short time.
FEVER AND AGUE.
The chills will not return if these Bitters are used. No person in a Fever and Ague District should be without them.
From Rev. J. Newton Brown, D. D., Editor of the Encyclopædia of Religious Knowledge.
Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects; I yet know of no sufficient reason why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.
I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt, for six months before, and had almost despaired of regaining; I therefore, thank God and my friend for directing me to use them.
Philada., June 2d, 1862. J. NEWTON BROWN.
ATTENTION, SOLDIERS!
AND THE FRIENDS OF SOLDIERS.
We call the attention of all having relations or friends in the army to the fact that HOOFLAND'S German Bitters will cure nine-tenths of the diseases indicated by exposures and privations incident to camp life. In the lists published almost daily in the newspapers on the sick list, a large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise will be lost.
The proprietors are daily receiving thankful letters from sufferers in the army and hospitals, who have been restored to health by the use of these Bitters, sent to them by their friends.
Beware of Counterfeits!
See that the signature of "C. M. JACKSON," is on the WRAPPER of each bottle.
PRICES:
Large size $1 00 per bottle, or half dozen, $5 00
Medium size, 75 " " or half dozen, 4 00
The large size, on account of the quantity the bottles hold, are much the cheaper.
Should your nearest druggist not have the article, do not be put off by any of the intoxicating preparations that may be offered in its place, but send to us, and we will forward, surely packed, by express.
