Obtained by a peculiar process in the distillation of the tar, by which its highest medicinal properties are re-COSTAR'S VERMIN ATERMINATORS

It is the medicine that cures when all others have failed A GREAT REMEDY FOR CONSUMPTION. I am constantly receiving such certificates as the fol-lowing. READ IT1 Ds. WISHART-Dear Sir: I had a very dreadful cough and sore throat for one year, and my whole system, was fast piving way, and I was prostrated on my bed with but little hope of recovering. My disease baffled the power of all medicines, and in a short time I must have gone to my grave, but thank God, my daughter-in-law would not rest until she went to your store, No. 10 N. Second street, and related my case to you, purchased Second street, and related my case to you, purchased one bottle of your Pine Tree Tar Cordial and I comone bottle of your Fine The The Yate Tar Your and a to main menced to use it, and in one week I was much better, and after using three bottles, I am perfectly well, a won der to all my friends, for they all pronounced me past cure. Publish my case if you think proper. REDECA HAMILTON, NO, 1321 Wylie Street, Philadelphia. TAR CORDIAL, AN INFALLIBLE CURE FOR BRONCHITIS. Ar INFALLIBLE CIRE. FOR DECOMPTING. Mr. Ward says: DB. WISHART-SIT: T had Bronchitts, Inflammation of the Liangs, Shortness of Breath, and Palpitation of the Heart in their worst forms. I had been-treated by several of the most eminent physicians in Philadelphia, but they could not stop the rapid course of my disease. and, I had despaired of ever being restored to health. I was truly on the verge of the grave. Your Pine Tree Tar Cordial was highly recommended to me by a friend: 1 tried it, and am thankful to say that, after using four large and one small bottle. I was restored to perfect health. You can give reference to my house. No. 968 N. Second street, or at my office of Receiver of Taxes, from 9, A. M., to 2, P. M., corner of Chesinut and Sixth streets. JOHN WARD, BLEEDING OF THE LUNGS. READ THE FOLLOWING: Mr. WISHART-Sir: L return you my grateful thanks or the discovery you have made in making a medicine hat will cure inflammation of the Lungs and Liver complaint. When I commenced to use your Pine Tree that will cure that will care inflammation of the Lungs and Larce Coroplaint. When I commenced to use your.Pine Tree Tar Cordial I was, to all appearances, near my grave.— I had been for a length of time spitting blood, and would at times vomit it. My physicians (for I employed two) pronounced me past cire : but my sister had used your Pine Tree Tar Cordial, which did her so much good that she prevailed on me, as a last resort, to try it : and thank God, I commenced to use it. Thave taken twelve bottles, and am perfectly cured, and am iready and wil-ling that any person that is sick should call on me, and I will tell them what your cordial has done for me.— All my friends and neighbors were utterly astonished at my apeedy return to health, for they hadiseen me vomit blood in a clotted state frequently. Publish my case, for I want every person that is suffering as I was, to know of your invaluable medicine. Hespectfully, Crease st., six doors above Richmond st., Philadelphia. THE PINE TERE TAE COEDIAL will care Cougha, Sore THE PINE TERE TAR, CORDIAL will care Coughs, Sore Throat and Breast, Bronchitis, Asthma, Croup, Whoop-ing Cough, Diptheria, and is also an excellent remedy for diseases of the kidneys, and female complaints. BEWARE OF COUNTERFEITS! The genuine has the name of the proprietor and ne tree blown in the bottle. All others are spuriou PRICE FIFTT CENTS AND ONE DOLLAR FEE BOTTLE. ALCENTING ((PILLS))

PROCLAMATION! TO THE LADIES!

BOTH MARRIED AND SINGLE.

BOTH MARRIED AND SINGLE. The Oldest Regulator for Females. The Oldest Regulator for Females. Dr. Cheeserman's Female Pills Will immediately relieve, without pain, all disturbances of the periodic discharge, whether arising from re-laration or suppression. They at like a charm in F. Skrtholomew got her down to see me, and she has been even since at her house. When she first came to medy for Flushes. Sick Headache, Pains in the Loins. Back and Sides, Palpitation of the Heart, Nervous Tre-more, Hyterics, Spasms, Broken Siege, and other individual and angerous effects of an unnatural condi-tion or the sexual functions. In the worst case of Flu-or Albus or Whites, they effect a speedy cure. Dr. Cheeseman's Female Pills have been assend OVER A QUARTER OF A CENTURY. They are offered as the only safe means of renewing in terrupted menstruation, but ladies must bear in mind that there is one condition of the female system in which the Pills cannot be taken without producing a PECULIAR RESULT. The condition referred to is precord NANCY - the result. MISCARRHAGE, Sich is the irresistible tendency of the medicine to restore the sential functions to a normal condition, that even the sential functions to a normal condition, that even the sential functions to a normal condition, that even the sential functions to a normal condition the event way. Dr. J. H. Schrenck can be found at his principal office No. 39 North 6th Street, Philadelphia, every Saturday. They are externed the principal office

middle lobe of the right lung, the lower lobe very a hepatized and complete adhesion of the pleura. left lung is sound, and the upper lobe of the right is in a tolerably healthy condition. The great re is in a iderably healthy condition. The gical reason why physicians do not cure consumption is, they try to do too much : they give medicines to stop the cough, to stop chill, to stop night sweats, heatic fever, and, by so doing, they derange the whole digestive powers. locking up the secretions, and eventually the patient sinks and dies. 'After I make a careful examination of the patient with the Respirometer, and find lungs enough left to cure. I direct the patient how to use the three remedies. Remove the cause, and they will all stop of their own accord. No one can be cured of con-sumption, liver complaint dyspepsia, catarrh, caker, ulcerated throat, nuless the liver and stomach are made healthy. In New England this canker, chroule catarrh, ulcerated throat, longation of uvula, is, more preva-

To took the FIRST PREMIUM at fity-seven State and County Fairs in 1863, and is, without exception, THE BEST WRINGER ever made. Patented in the United States, England, Canada, and Australia: Agonts wanted in every town, and in all warts of the invited ulcerated throat, clongation of uvula, is more preva-lent than in any other section of the country. This is frequently caused by a foul stomach. You may burn it out with caustic time and again, and all they will get arts of the wo Sample Wringer sent, Express paid, on receipt o rice. Energetic agents can make from \$3 to \$10 per day. Ro. 2, \$6 50. No. 1, \$7 50. No. 7, \$5 50. No. 4, \$9 50 Manufactured and cold, wholesale and retail, by THE PUTNAM MANUFACTURING CO., No. 13 Platt Street, New York, and Cleveland, Ohlo S. C. NORTHROP, Agent. What Everybody Knows, viz: That Iron, well calvanized, will not trat: rice.

it out with caustic time and again, and all they will get is temporary relief. Correct the stomach and liver, and they will heal up themselves. Good nutrition is the remedy. If you have any di-ease in any part of the body, it will remain there, and decay more and more, until you can get the stomach in the condition to digest food, and make new blood to take the place . of diseased matter. This is the .only way to heal cavities in the lungs and ulcerated bron-chial tubes. Correct the stomach and liver, and nature will do the healing. Many persons have an idea that certain medicines are great purifiers of the blood. When blood is once diseased it cannot be purified; it is di-seased the same as the diseased matter in the system ; but get the appariates in order, the liver and stomach, and give it plenty of nourisbing food, it will make new blood, which will take the place of that which is di-seased. That Iron, well galvanized, will not rust : That a simple machine is better than a complicated one That a Wringer should be self-adjusting, durable, and That Thumb-screws and Fastenings cause delay and trouble to regulate and keep in order: That wood soaked in hot water will swell, shrink, and

That wood scaked in hot water will swell, shrink; and split; That wood bearings for the shaft to ran in will wear out; That the Futnam Wringer, with or without cog-wheels, will not tear the clothes; That cog-wheel regulators are not essential; That the Futnam Wringer has all the advantages, and not one of the disadvantages above named; That it who have tested it, pronounce it the best. Wringer ever made; That it will wring a Thread or a Bed-guilt without al-teration; teration: We might fill the paper with testimonials, but in-sert only a few to convince the skeptical, if such there be; and we say to all, test Putnam's Wringer. Test it THOROUGHLY with ANY and ALL others, and if not onlicely attication cutum it THOROUGH DI WIR ALT and Ambound Am Many years' experience in the galvanizing busines enable me to indorse the above statement in all partic ulars. JNO, C. LEFFERTS, No. 100 Beckman St. alars. JNO. C. LEFFERMAN New York, January, 1864.

sensed the same as the diseased matter in the system i but get the apparitus in order; the liver and stomach, and give it pleaty of nourishing food it will make new blood, which will take the place of that which is di-seased. Schenck: Palmonic Symp is one of the hest prepara-tions of Iron in use, it is a powerful tonic in itself, and when the Senweed Tonic dissolves the mucon in the stomach, and it is carried off by the aid of the Mandrake Pills, the Pulmonic Symp is made-into blood. This is the only way to cure consumption. If I cannot get a good appetie, and food does not digest, I cannot cure ino patientie, and food does not digest, I cannot cure ind it will stop of itself. This is the most tropble 1 have with my patients at my rooms. They say, "Doo-tor, I feel distronger: I can est: my night sweats are bet or, and I feel better every way: but my cough is so bad yet: " and they are astonished to hear me say that does not matter; remove the canse. and the couph will stop of itself. Schenck's Scaveed create a good appe-titse in about alme days, when there is no lung, discase, unless the liver is so congested that the Mandrake Pills cannot unlock the duct of the gall bladder in that short space of time, in order to allow the stale bile to pass off. Keep the liver and stomach healthy, and there is less danger'of consumption or any other discase. It is hard to take could when thase organs are healthy. Those that are billons, low spirited, dreary, flesling stupid, coated tongue, yoor appetite, nervous, stomach full of wind, everything that is eaten lies heavy. loss of me-mory, try one hotice of SCHENCK'S SEAWOOD TON-ic and one box of SCHENCK'S SEAWOOD TON-ic and one box of SCHENCK'S SEAWOOD TON-ic and which are all different, and wish any one who feels any interest in the matter to visit ma. First is Mrs. "With full directions. "This is sufficient. In many cases, to satisfy what the medicases are. Trequently one bottle makes a great change of my old consumptive pass in duct head the appe-sionally, weighti July 2, 164. U. S. STAMPS, LEGAL, Nov. 14, '63:1 At HIUGHES', Apothecary. Removal of Jones's Flour & Feed Store. The undersigned has removed his Flour and Féed Store from Norwegian and Third Streets, to the corner of Market and William Streets, where he will keep on hand a choice stock of articles in his line, and fine assortment of first class Groceries. His old friends and customers are respectfully solicithe to continue their parronner, while the general pub-lic will find his articles A, No. 1, and are invited to give hima call. JOSEPH D. JONES. CHEAP, GOOD BOOFING.

BUSINESS

lation; keep clean and free from decaying substances. CHBESH.—Aim to secure uniform ercel lence, and uniformity in size, weight and color. The market for good cheese can ner-er be glutted; it is not only a 'nutritious and favorite article of diet for home markets but there is an increasing foreign demand.— We counsel farmers to inform themselves of the benefits of associated dairies and cheese factories by personal inspection. The field is so large and the markets so hungry, there No Thumb-screws to get out of order. Warranted with or without Cog Wheels.

is so large and the markets so hungry, there s little jealousy, and should be none.

CLOVER SEED. -Give the cleanest part of a clover field a top-dressing of ashes and plaster, (and a little fine manure from the ban ter, (and a little fine manure from the bam yard or compost heap will do no harm.)-This will give the clover a good start and vigorous growth, so that it will blossom and go to seed before the grass and weeds show their heads above it. The more rampan weeds may be pulled, or cut with the 'spud' (a chisel on a long handle), if necessary. If headed at the proper time it will furnish clean and heavy seed.

and heavy seed. DRAINING .- This is always on hand when other work is not pressing. It cures the eris both of drought and excessive water, and of both combined which often occurs on the same land at different periods of the year.

GRAIN.-Cut when the kernel is between Man "milk" and "dough." GRASS .- Cut in the blossom for the best

Respectfully yours, JNO. W. WHEELER, Cleveland, Ohio. LO hay-a little later to save work in curing.

HAY Mows.-Ventilate large mows of hay New York, January, 1864. We have tested Putnam's Clothes Wringer by přacti-cal working, and know that it will do. It is cheap; it is simple; it requires no room, whether at work or rest; a child can operate it; it does its duty thorough-ly; it saves time and it saves wear and tear. We car-nestly advise all who have much washing to do, with all intelligent persons who have any, to buy this Wring-er. It will pay for itself in a year at most Hox, HORACE GREBLEY. or grain by making perpendicular air passaor grain by making perpendicular air pass-ages through them, with openings below.

HEDGE-ROWS. — Those nurseries for weed, ever encroaching on the tilled land, should be kept clean with the hook and scythe – sheep, when they can be used, make ver clean work at exterminating brush.

HOEING.-Keep the ground loose and open by frequent cultivation, especially if there be danger from drought: The plow will do no damage to the roots before the tops of corn potatatoes: tobacco, etc., would be injured by the passage of the whiffeltree.

MANURE.-The hog pens and composition heaps should receive everything that will de cay. The fermentation in compost heap may need quickening by a few pailsful of manure liquor. In hot weather manure makes very fast, and dead animals and all such things rapidly form an excellent composit with muck, sods, etc. Use plaster to prewith muck, sods, etc. Use plaster to pre-vent the loss of ammonia, sprinkling it over manure while it is is in active fermentation.

ABOUT HALF THE PRICE OF TIN and upon stable floors, etc.

OATS, like other spring grain, are apt to ripen unevenly. If allowed to stand too long, and the straw is not so good for fodder, and the grain shells badly; if cut too early, the straw upon will be much better but the grain will not be

so plump, and it often is hard to thresh man good judgement is therefore needed. The oat should be cut when just passing out of the "milk." To save the labor of threshing is it is often worth while to cut and cure this grain like hay, and feed it out in the same Ji way. In this case it is cut as soon as the m

CHRISTMAS PRESENTS-FINE AS-Soft MENT OF SILVER WARE. Such as oyster tureans, butter dishes, cake baskets, castors, fruit dishes, mugs, dc. Also, a well selected stock of allver knives, forks, spoons, cake knives, pie knives, ladler, napkin rings, and every article of table cuttery-for sale, cheap, by Watchmaker and Jøweler, Centro Street, Pottaville, December 12, 463 grain in the more forward heads may be rubbed out in the hands. The only object bit tion to this plan is that it is more exposed to the attacks of rats and mice.

PASTURES .- Be very careful about orefstocking. If possible make frequent changes from one pasture to another, Top-dressing' SOMETHING NEW of gypsum, as ashes and bone dust, quickly show their effect in the increased feed. Sow-

ing bone dust upon old pastures is regularly and profitably practised in many parts of New England, particularly in dairy regions
