Machines

The Best in the World!

The Valuable Features of the "Florence"

Over all other Machines.

erd heretofore, by an almost universal verdict, as the only reliable one made. We add to that the double lock, which makes it doubly sure : the half and full knot stitches, being a perfect knot to ever slitch, which is more durable than can be made by any other machine, or by hand, and in all cases leaving the stitches on both sides of the work allke.

The feed may be reversed at any point de-sired without stopping the Machine.

is in motion.

The beauty of it is unsurpassed.

Changes for the various kinds of stitches are made

No others cover so large a range of work. Sows light and heavy fabrics with equal facility, an vithout change or alteration of itension. The work will feed either to the right or left.

Runs quietly, sows rapidly. No difficulty experienced in sawing across thick seam Needle more readily adjusted than in any other ma

aine. Tailors and Shirt Makers cannot afford to do without

Will last a life-time. No springs to get out of order. Is thoroughly practical. The hemmer the most practical in use. Turns wide and narrow hems, and fells beautifully. If brains neatly and handsomely, without the alight set alteration. The inexperienced find no difficulty in using it. Oils no dresses, all its machinery being on the top of the table. Every machine warranted to substantiate all we claim of it, and to give a mine astignation or the moner re-

for it, and to give entire satisfaction, or the money

funded. Barnum's Self-Sewer, which guides the work likel famished with each one of our machines, free of charge Samples of Sewing and Descriptive Circulars will t sent to any address, on receipt of stamp. Address
