"A mere of the bar is a set of the set of the

"Ah! I understand you," said Napoleon. "I name you Chevalier of the Legion of Honor, and Lieutenant in my company of guards."

"Thank you, heartily." returned the soldier. Vive "Empereur !" he should, and then withdrew.

A scrub headed boy, having been brought up as a witness before the court, the following colloquy ensued :

"Where do you live ?" said the judge. "Live with mother."

"Where does your mother live ?" "She lives with father."

"Where does he live ?"

"He lives with the old folks.". "Where do they live?" said the judge,

getting very red, as the audible snicker goes round the room.

"They live at home."

"Where in thunder's their home ?" "That's where I'm from," says the boy,

sticking his tongue in the corner of his cheek and slowly closing one eye at the judge. "Hero, Mr. Constable," says the court,

"take the witness out and let him travel. He evidently does not understand the nature of 'an oath."

"You'd think different," says the boy, going towards the doorway, "if I was to give

you a cussin' !" MR. Jenkins was dining at a very hospitable table, but a piece of bacon near him was so very small, that the lady of the house remarked to him, "Pray, Mr. Jenkins, help yourself to the bacon ! Don't be afraid of it."

"No, indeed, madam-I've seen a biece twice as large, and it did not scare me a bit."

A loquacious female witness whom the opposing counsel could not silence, kept him at bay until he attempted to browbeat her-"Why, woman !" he exclaimed, "there is brass enough in your face to make a kettle." "And sauce enough in yours," she rejoined,

This article has for many years enjoyed a high repu-tation as a mature of great-philicity and of unequalled permanence, and we scarcely deem it important in our semi-annual advertisement to say more than merely call the attention of buyers to it. But we will also state to Farmers and Dealers in Fertillzers that it has been our constant aim to render our **Eaw-Bone Phos-phase** more and more worthy of the full confidence of farmers, by the use of every facility at command, and the aid of scientific skills in essentially improving its qualities, and we have never allowed this purpose to be interfored with by the great and steady advance in the cost of all matters pertaining to our business throughout the past two lycars. The Haw Bone, Phosphate may be had of any regular, dealer in Fertilizers (to) whom we naive farmers to apply), or of the manufacturers and proprietors. **BAUGH & MONE**, **No. 20 South Deinvare Ayenue**, July 2.\*61.-22, 3m] to make insurances on lives on the most f

middle lobe of the right lung, the lower lobe very much behatized and complete adhesion of the pleura. The left lung is sound, and the upper lobe of the right lung is in a folerably healthy condition. The great reason Bororala and Scroulous Discasse. From Emery Zdes, a well-known merchant of Ox-"I have sold large quantities of your SARSAFA-RULA, but nover yet one bothe which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community." Eruptions, Pimples, Blotches, Pustules, UI-

Erysipelas-General Debility-Purify the

Blood.

Erysipeins - General Decomy - Fully and Blood. From Dr. Robt. Saurin, Monston St., New York. "DR. Artikl: I seldom fail to remove Ernptions and Scroptions Sores by the persevering use of your SARSAPATILLA; and I have just now cured an attack of Malignant Erysipelas with it. No. alterativo we possois equals the SARSAPATILLA. Byou have sup-plied to the profession as well as to the people." From J. E. Johnston, Egg., Wokeman, Ohio. "For twolve years, I had the yellow Erysipelas on my right arm, during which time I tried all the eelehrated physicians I could reach, and took hun-dreds of dollars worth of medicines. The ulcers were so bad that the cords became visible, and the dootors decided that my arm must be amputated. I began taking your SARSAPARILLA. Took two bot-tles, and some of your VILLS. Toogether they have eured me. J am now as well and sound as any body. Being in a public place, my case is known to overy body in this community, and excites the worder of all.

all." From Hon. Henry Monro, H. P. P., of Newcastle, C. H., a leading member of the Canadian Parlia-

ment. "I have used your SARSAFARTLLA in my family, for general debility, and for purifying the blood, with very beneficial results, and feel confidence in commending it to the afflicted."

near the fourth of the afflicted."
Sondd Head, Sore Eyes.
From Harrey Sickler, Esq., the able editor of the Tunkhannock Democrat, Pennylcania.
\* Our enly child, about three years of age, was attacked by pimples on his forchead. They rapidly isprend until they formiod a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied his rate for finder days which covered his which covered his and other remedies, without any apparent effect. For fifteen days we guarded his face. Having tried every thing class we had any hope from, we began giving your SARSAFARILLA, and applying the foldle of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had faire as any other. The whole neighborhood predicted that the child must die."

that the child must die." Syphilis and Morcurial Disease. From Dr. Hiram Sloat, of St. Louis, Missouri. "I find your SARSAPARILLA a more effectual emedy for the secondary symptoms of Syphilis remedy for the secondary symptoms of Syphilis and for syphilitic disease than any other we possess. The profession are indebted to you for some of the best medicines we have."

best medicines we have." From A. J. French, M. D., an eminent physician of Lawrence, Muss., who is a prominent member of the Legislature of Massachusetts. "Dr. Ayett. My dear Sir: I have found your SARSAPARILL& an excellent remedy for Syphilic, both of the primary and secondary type, and effec-tual in some cases that were too obstinate to yield to other remedies. I do not know what we can em-ploy with more certainty of success, where a power-ful alterative is required." Mr. Chas. S. Fan Linzo, of New Brunawick. N. J.

Mul alterative is required." Mr. Chas. S. Fan Lieve, of New Brunswick, N. J., had dreadful nloers on his legs, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spile of every remedy or treatment that could be applied, until the persevering use of ATER'S SAUSAPAINLLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to care him

Leucorrhos, Whites, Female Weakness, inductrices, whites, formale Weathess, are generally produced by internal Scrofulous Ul-ceration, and are very often cured by the alterative effect of this SARSAPARILLA. Some cases require, however, in aid of the SARSAPARILLA, the skilful application of local remedies.

application of local remedies. From the well-known and widely-celebrated Dr. Jacob Morrill, of Cincinnati, "I have found your SARSAFARILLA an excellent alterative in diseases of formales. "Many cases of Irregularity, Leucorrhea, Internal Ulceration, and local debility, arising from the swofulous diathesis, have yielded in it, and there are few that do not, whon its effect is properly aided by local treatment."

A lady, inwilling to allow the publication of her-name, writes: "My daughter and myself have been cured of a very debilicating Leucorrheas of long standing, by two buttles of your SARSAPABILLA." Rheumatism, Gout, Liver Complaint, Dys-pepsis, Heart Disease, Neuralgia,

when caused by Scrofula in the system, are rapidly cured by this EXT. SARSAPARILLA.

Is in a tolerably heating condition. The grade reason, why physicians do not circ consumption is, they try to do too much: they give medicines to stop the cough, to stop chill, to stop night sweats, hectic fever, and, by eo doing, they derange the whole digestive powers. locking up the secretions, and eventually the patient sinks and dies. After I make a careful examination of the patient with the Respirometer, and find lungs enough left to cure. I direct the patient bow to use the three remedies.
