Turke River, june 7th. Misras EDITUR. -- Ever since I red yer pa-per about the agrekulterel sosiety and them spunes, I've been a teagin'. Smootes to git sum nices things for the baby, and let me take our little Sammy up to the agrekulterel fair, and would you believe it? he stuck out for a and would you believe it? he stuck out for a structed in the large variety of transactions and use MISTER EDITOR .--- Ever since I red yer pa-Sammy wern't nothin' more'n a commun baby, sn' that Sally Smith's baby, little Tildy by, an' that Sally Smith's baby, here for the which is so important to a business man, receives ann, would stand a better chance for the pecial stiention, and is taught by a penman who has

ann, would stand a better timete its so pecial attention, and spunes than Sammy. Well I declare its so isw, if any equals. provokin' to hear how some men will talk! Now I don't like to say nothin' against Now I don't like to say nothin against including Interest, Profit and Loss. Averaging Ac other folkses' babies, but one who sees the counts, Exchange, &c., is taught in its shortest and

for the last three months, I think its time the agrekulterel sosiety should know it ; besides ole missus Brown says there is sumthin' wrong about Smith's Tildy ann, and miss Smith

smart it is. Smart! I do wish you could see our Sammy! the poor little feller is just fore months old next friday, and I declare to gra-cious he can stand slone! and then he seems to notis everything! Ole missus Brown cum over to our house to git some flax-seed to

make a poultis to put on the stumic of there hired man, who's been down on a raft, and ketched the fever and nager, and I told her ketched the fever and nager, and 1 1010 Her to those who are engaged thing the day and alone, and she said ahe to those who are engaged thing the day and the second stand alone, and she said ahe to those who are encaded at any time, and instructed at such hours as may beat suit their convenience. Students are received at any time, and instructed at such hours as may beat suit their convenience. Catalogues containing Terms. Ac., may be obtained gration application at the College. S. H. CRITTENDEN & CO. Software and the second standard sta Jane sprinkle some powdered chalk on the on it, and sez I, "all aloney! up se dasy !" and as true as I'me born, the child tuk three steps, and missus Brown seed it in a minute. She took off her spectacles and put them in her satchel, and after taking a pinch of snuff. sez she, misses Smootes, I wouldn't distress you for the world; I've seen a great many babys in my life, and let me tell you, you'd better prepare Smoote's mind for the worst, for I tell you that child can't live, and then she took the flax-seed and went home without saying another word. I felt wonderfully distressed till Smootes came in, when I told. him all about it, and all he said was 'fiddlesticks !' and asked Jane if supper was ready. Smootes is naturally a kind-hearted man, but he has such an unfeeling way with him. Now, Mister Editur, I want you to set down our Sammy for the spunes; goodness gracious, though if he should git them ! 1 do believe miss Smith would go raving dis-

The Farmer.

This modicine is a simple vegetable extract, and one nature. This modicine is a simple vegetable extract, and one on which all can rely, as it has been used in our prac-tice for many years, and with thousands treated, it has not failed in a single instance. Its curative powers have been sufficient to gain victory over the most stub-born case. To those who have trified with their constitution, nn-til they think themselves heven the reach of medical which so many have fallen. BARNS and BUILDINGS .- Look over hing

for previous months in making ready to To those who have triffed with their constitution, nn-til they think themselves beyond the reach of medical aid, we would say, Despair not the Currowark Cran will restore you to health and vigor, and after all quack doctors have failed t Prices, \$\$ per bottle, or three bottles for \$X, and for-warded by express to all parts of the world. IN "Pamphlets sent by mail free of postage, by DR: W. R. MKRWIN'& CO., 63 Liberty Street, New York, Sole Proprietors, Feb 18, '64. 7-lycow winter. This is a very favorable season for all general repairs that do not require the get ting out of heavy frames, etc., which is prop. erly winter work ; at all events prepare good

protection for all live stock: Pine boards an not so expensive an outside protection, as a inside lining of provender.

Busyas.-Soft corn, pumpkins, and gras at this season, fatten cattle faster than corn roots and oil cake in winter. The bulk flesh should be laid on now, preparatory the later finishing off.

BUTTER .- Secare as full a flow of milks possible, by feeding roots or pumpkins atta pastures fail, and add oil-cake, bran, soft-con or the like to produce a maximum yield of butter.

CHLLARS .- Keep constantly open for good ventilation, look to the draining, if there is any chance for water to get in by springs in the bottom, or through any part of the foun dation. cus

CARBOTS .-- Dig before there is danger the ground freezing even very slightly. Keep HOTH in the cellar and away from frost. The tops before they are frosted are good feed for est tle. ED

CHEROKEE REMEDY, the great Indian Diuretic, cares all diseases of the urinary organs, such as Incon-tinence of the Urine, Infammation of the Bladder, In-fammation of the Kidneya, Stone in the Bladder, Stric-ture, Gravel, Gloet, Gonorrhoza, and is especially re-commended in those cases of Fluor Albus (or Whitee in the strike and the old neuroscone molicing have emales) where all the old nauseous medicines have CATTLE. - As the nights grow long and cold It is prepared in a highly concentrated form, the dose give shelter to all kinds of stock. The one to two teaspoonfuls three times pe manure alone will pay for taking them up a night,

being from one to two teaspoonfuls three times per day. It is diurctic and alterative in its action: parifying and cleansing the blood, causing it to flow in all its or-iginal purity and vigor : thus removing from the system all pernicious causes which have induced disease. CHEROKEE INJECTION is intended as an ally or assistant to the CHEROKEE REMEDY, and should be used in conjunction with that medicine in all cases of Gonorthca, Gleet, Fluor Albus or Whites. Its ef-fects are healing, soothing, and demuleent: removing all scalding, heat, chordes and pain, instead of the burning and almost unendurable pain that is experi-enced with nearly all the cheap quack Injectiona. By the use of the Cherokee Remedy and Cherokee Injection--the two medicines at the same time--all im-proper discharges are removed, and the weakened or-gans are speedily restored to fall vigor and strength. If the bottles for \$5. ASTN] CISTERNS and everything laid in cemen should be finished in time to harden befor nth reezing weather. Make sure of a sufficient thick covering of earth over underground PACK sterns, etc.

CORN .- Push forward the huskins. Pia the garnered corn in the ear in good siry cribs, so that it shall dry rapidly. Bind up the stalks in firm bundles and make good

POLLY ANN SMOOTES. P. S.-Don't let the agrekuterel sosiety put Sammy's name on the spunes till you hear from me, because we're going to have him christened as soon as Smootes comes, back from Elkader. He's gone down to see if Mr. Thomsun has made his dien will, and if he aint, I tell Smootes we couldn't do no better than to put in for a middle name.

ONE WAY OF MAKING CHANGE .- Pat Flannery is a son of the Emerald Isle, who keeps a little rum-mill at Broad and Race streets .---Pat is of undoubted Celtic extraction, and of rather equivocal morality. Last week Alderman Jones sent a man with a star to Pat's place to request his presence at a little confidential interview. Flannery accompanied the officer, and was placed in juxtaposition to a wooly headed son of Africa, who opened a heavy budget against the whisky-mill proprietor.

As Flannery entered, the Alderman asked, "Is that your man ?"

"Yes, sah; him's um, sah." "Well, what did he do to you ?"

"Do? Why, boss, you see I went to his house last night, wid my mouf as dry as a salt makeral I got my toddy, and then I guy him a five dollar bill for de change. He tuc de money and he frew it in a drawer, and den he tuc anoder note out, and sent a boy to git it broke. Well, in a minit the boy cum back, and sed he could'n get no change for de note, cause people wouldn't change it, and it wus bad. Den dis yer pickaninny shuv the bad note on me, and swore it was a counterfeit, and all the while my good note lay in de drewer, sah. Dat's what he dnn." "Faith an' ye lie as aisy as a hen scratches

a dirt heap." "Sah ?" "Be me sowl, joodge, the nagur wanted to

plasther me eye, with a desaitful bill, and I wouldn't be desaived by the omadhoun. He'd a better be putting his long heels into, a pair of army brogans, and not throuble daisint people wid bogus money-"

The magistrate cut the dialogue short .--Bight hundred dollars bail was required for Flannery's appearance at court. It was given, and he went back to his underground crib. The negro turned away in great glee at the result of his experiment, rubbing his flat heels on the pavement, and muttering, "he golly! I guess he nebber try to cum de possum ober dis chile again in dat way, no

On board ship, one day, when one of the boys came with his hammock on his shoulders as he passed, the first lieutenant perceived that he had a quid of tobacco in his mouth. 'What have you got there?' asked the licu-tenant; 'a gum bile? Your check is much

'No sir,' replied the boy; 'there is nothing at all the matter.' Oh, there must be : perhaps it is a bad SAVE THE OLD PAPER.

tooth. Open your mouth and let me see.' Very reluctantly the boy opened his mouth, which contained a large roll of to-

'I see,' said the lieutenant, 'poor fellow, you must suffer. Your mouth wants overhauling, and your toeth cleaning. I wish we had a dentist on board, but as we have not, I will operate as well as I can. Send the armorer up here with his tongs.'

When the armorer made his appearance with his tongs, the boy was compelled to open his mouth, while the tobacce was extracted with this rough instrument.

that you feel better already. You never could have an appetite with such stuff in your mouth. Now, captain of the after-guard, Nov. 7, '63] HUGHES, Pharmaceutical Chem 'There, now,' said the lientenant, I'm sure bring a piece of oldcanvass and some sand, and clean his teeth nicely.' The captain of the after-guard came for-ward and grinning from ear to ear, put the hord brid brid horden in barrier. Address Schuylkill Haven. April 2, '64.
