ASTHMA. WM Levan & Co.—About eight years ago I was attacked with Asthma. It is a family complaint, my mother having died with it. I used everything, but of no use. I was so bad with it in the army that I was discharged from the 47th Regiment. Pennsylvanta volunteers, and also exempted at Reading, on account of it. I could not walk fifty yards, nor ascend a flight of steps without resting: my heart became diseased also from it. I had palpitation and pain. I used four bottles of Extene, and am entirely well, and working at my trade, black-mithing. Its effects with me were wonderful. Yours, CHARLES A. HENRY, March 3, 1866. Cor. Washington St. & Willow Alley. Its Symptoms, Uause and Cure.

There is a clearly diet in the from a constant nausea or sickness at the stomach, which attends the pain in the head. This headache is apt to begin in the morning on waking from a deep sleep, and when some irregularity of diet has been cotamitted on the day of fore, or sometimes for several days previous. At first there is a distressingly oppressive teeling in the head, which gradually merges into a severe heavy pain in the temples, frequently attended by a sense of fullness and tendernoss in one eye, and extending across the forehead. There is a claimity, unpleusant taste in the month, an offensive breath, and the tongue covered with a yellowish white fur. The sufferer desires to be alone in a data room. As soon as the patient feels the fulness in the head and pain in the temples, take a large dose of Schenck's Mandrake Pills, and in an horr or two they will feel as well as ever. This has been tried by thousands, and is always sure to cure, and instead of the sick headache coming on every week or tendays they will not be troubled, with it once in three months.

Schenck's Mandrake Pills are composed of a number.

Mr. Levan & Co.:—In the Spring I was attacked with cough and splitting of blood from the lungs, and night sweats, my father, mother, and six brothers and sisters have died with consumption; they all commonced the same as me. My husband had just died, and I was left alone with four small children; I consulted Mr. Davis, of this city, stating my case and that I was poor. He told me that Cod Liver Oil might cure me, if I wished to try tt; and also mentioned the Extens, stating that the proprietors were claiming to cure consumption with it; I bought two bottles of you and am entirely cured of it.

Levan & Co.—I have been suffering, with cough and sorcuess of the chest all winter. I am entirely relieved of the soreness; the cough is much better; the Bronchial tubes were completely clogged with matter, he Extene has cleaned them out entirely. I have used three bottles, and can cordially recommend it for any affection of the chest.
