to go there.

almost daily. The production of Oil Creek since the opening of spring, has been steadi ly on the increase, though by no means as caused by the flood.

NATIONAL MONUMENT TO MR. LINCOLN. While it is very proper that a monument should be elected over the remains of Mr. Lincoln in Illinois, we trust that the nation some six months sooner." the scene of four years of his great labor All donations for the purpose of erecting to Mr.Lincoln a creditable monument, should tend in this direction.

VARIOUS projects are on foot to extend re lief to the family of Mr. Lincoln. The best is, to make up a fund of one hundred thousand dollars; give it to Mrs. Lincoln, and let her expend it for a homestead, invest it, or do with it what she pleases. It is the easiest, simplest and most acceptable way of

benefitting the destitute family of our lamer ted late Chief Magistrate. A NATIONAL cemetery is to be establishe at Antietam, and the Legislature of Mary land has appropriated \$7000, expecting eac State whose soldiers fell in the fight, to ap propriate as much. A suitable lot of te acres has been purchased on a part of the battle-field, near the town of Sharpsburg embracing the ground occupied by Genera Lee as a signal station, from which the whole

of the ground fought over can be viewed. SOMEWHAT OF A CHANGE. -- Wm. Llovd Garrison, attending the anti-slavery anniver sary, in New York, proclaims that his voca tion as an abolitionist is ended, as there is nobody to be converted. Jeff. Davis has a reward of \$100,000 offered for him. Thirty years ago \$3000 was offered for Garrison by the Governor of Georgia. Recently he was

in Georgia, but he says nobody would give a sixpence for him. NATIONAL FINANCES .- By large income of ready cash into the National Treasury from taxes and from the immense sales of 7-30 bonds, the finances of the Government are working easy, and but for the fact that the payments to the officers and soldiers of the army, to be retired from the service, are more than usually heavy, a very short time would see every dollar of the ascertained indebtners paid. As it is, the outstanding claims

-----AN IMPORTANT ORDER .- Gen Schofield has The formation of the second state of the solar of the sol issued an important order in North Carolina with a view to the more effectual carrying out of President Lincoln's Emancipation proclamation. He notifies all former masters that these negroes are now free, and advises that they retain their servants by paying them fair conpensation. He also tells freemen to accept such paid service and in all ways to deport themselves worthily of their THE assassination conspirators are on trial in Washington. The trial began on Wednesday last. The prisoners to be tried, are David E. Harold, George A. Alzerot, Lewis Payne, Michael O'Laughlin, Edward Spangler, Samuel Arnold, Mary E. Sauratt, and Samuel A: Mudd. Judge Advocate General Holt conducts the prosecution, assisted by Colonel Burnett and Major Bingham Judge Advocates from Ohio. No reporters are ad-mitted and no particulars will be made pubtic until the close of the trial. General Hun ter presides over the Court. THREE KNIGHTS OF THE GOLDEN CIRCLE TO BE HUNG .- Our heroic Executive, President Johnson, is giving signal indications of his determination to punish traitors. He has signed the death warrant of three of the Western conspirators known as the "Knights of the Golden Circle, or Sons of Liberty," in consequence of the testimony produced and made good before the several military courts, and in accordance with their recommendation. They were to be hung yesterday. We have some specimens in this County who

 ST Ex-Governor Aiken, of South Carolina, has been released from arrest.
 ST The rebel guerrilla bands in Northern Missouri are surrendering in large numbers.
 There is a rumor that the rebel ram Stonewall was off the Florida coast on May 18t.
 ST Rebel prisoners in the North are to be dircharged upon taking an osth of allegiance.
 Vessels are to be allowed to go to Richmond, to carry away the French tobacco stored there. Ag A railroad train was robbed by guerrillas

> night. night. For Captain Reed, of the rebel ram Webb, and several of his officers have been brought to New ork.

some turther reflections upon the philosophy of this revolution for a future occasion, I de-sire at once to state that, without in the least undervaluing the admirable tenacity of Grant, the eager impulsive earnestness of Sherman, the soldierly qualities of Meade,

Sherman, the soldierly qualities of Meade, and the valor generally of the federal armies, it is my deliberate opinion that Lee has been defeated more from the rear than from the fro it, and that nothing but the possession of the very highest personal attributes by its commander has averted from his army the conimander has averted from his army the crushing blow which, according to all hu-

war. \*\* The reported successes of the Liberals in Mexico are confirmed. Detachments of Imperial troops are to be sent into the provinces of Sonors and Sinatoa. man foresight, ought to have overtaken it

\* PARSON?' BROWNLOW ON EX GOV. HAR-RIS.-Parson Brownlow, now Governor of Tennessee, has issued a proclamation offering a reward of five thousand dollars for the second

ders frem Washington. ar The bonds stolen from the train on the Ohio and Mississippi Rairoad, near Cincinsti, by guerillas, amounted to \$20,000, and were the propa reward of five thousand dollars for the eapture of his rebel predecessor, Isham G. Har-

ture of his rebel predecessor, tenant of the government. ris. The Governor graphically sketches the erty of the government. fugitive from justice, in a style that will make him wince if he has any sensitiveness. It him wince if he has any sensitiveness. It eertainly is an unique official production, and

bounties we to the army. The investigation now in progress at Ber-mida, shows conclusively, that the rebel agents there attempted to introduce the yellow fever incharacteristic of Brownlow ; " This culprit Harris is about five feet ten inches high. to various northern cities. weighs about one hundred and forty-five

to various northern cities. ST The telegraph now works from Washing-ton to Macon, Georgia, and other lines are em-ployed in transmitting official intelligence that have been controlled by the rebels for some reason pounds, and is about fifty-five years of age. His complexion is sallow, his eyes are dark and penetrating-a perfect index to the heart

years. General Meredith, commanding the Wes-tern District of Kentucky, has summoned all bands of rehels to surrender on Lee's terms, beof a traitor-with the scowl and frown of a demon resting upon his brow. The study of mischief, and the practice of crime, have fore May 20. If they do not, they will be out forought upon him premature baldness, and

lawed. Fifteen thousand stand of arms were sur-rendered by Johnston. Very few horses or wag-one ware turned over to the Union officers. The ra gray beard. With brazen-faced impudence, he talks loudly and boastingly about the over-

the takes loudly and boastingly about the over-throw of the Yankee army, and entertains no doubt but the South will achieve independ-ence. He chews tobacco rapidly, and is in-ordinately fond of liquor. In his moral struc-ture, he is an unscrupulous man-steeped to

that all persons in Virginia, without regard to their rank or employment in the fivil or military service of the rebels, would be permitted to take the annesty oath, of which they would receive a the nose and chin in personal and political profligacy-now about lost to all sense of honor and shame-with a heart reckless of certificate.

rtificate. So Retrenchment continues. One half the essels in the Potomac flotilla are to be discharged social duty, and fatally bent on mischief." For non-retention or incontinence of urine, irritation, inflammation or urlocration of the bladder, or kidneys vessels in the Potomac flottils are to be discharged. Thirteen Generals have sent in their resignations, all of which are promptly accepted. Hundreds of officers of lower grades are resigning. Navy and army officers are to be mustered ont on May 15. So The trade question has at length been set-tled by the Cabinet. Loyal persons are to have permits to carry goods to the South, on applica-tion to any Treasury agent. Three per cent. tax is to be paid on the amount of the invoices. No tax is to be collected, however, for goods set to diseases of the proterate glands, stone in the bladder, calculus, gravel or brick-dust deposit, and all diseases of the bladder, kidneys and dropsical swellings, Use Brinnunch's Fiers EATRACT Brent, April 8, '65. 14-6m April S. '65. 14-6m (From the New York Independent, May 4, 1985.) tax is to be collected, however, for goods sent to

(From the New York Independent, May 4, 1865.) THE [PROGRAMMIE FOR THE FU-TURE]. Pence comes, bringing danger. Slippery is the path in which the government is now called to walk. Tang-ied and briery is the thicket of public ducesitons just ahead. War has reneed the harvest ; Pence must bind "the sheaves. But what if it should only looke and scatter them?" General-Sherman's unhappy blunder has made the nation shudder, lest the costly victory of. for years should at has, like the shield of the mily, be silely cast away. Pence brings with it a war of di-phraney. Thoughtful men already see a chess-play of stars-crait—a strile of cunning questions—a campaign of alchate : the North and the South in a forensic wars give over the meaning of the one's victory and the Tennessee. **B** The foreign journals received by the Hiber-nia are filled with the strongest expressions of sympathy towards the United States for her great misfortune in losing her Chief Magistrate. On the evening of April 27th, the day the Hiber-nia sailed, the English House of Commons was rexpected to express, in the name of the British nation, its horror at the erime. **Bar** General Meade has returned to Richniond from Lawille. We have left the Sight Corne to ennessee.

stas-crait—a strile of cunning questions—a campaign of debate: the North and the South in a forensic waragle over the meaning of the ones victory and the ones victory and ofter's defeat. Noy Then the North must act more wiedy than some of her representative men are already outper for us—multitudes of difficulties, thwartings, de store for us—multitudes of difficulties, thwartings, de

Comprising the entire stock in the well-known Store of FRANK POTT. HE NATIONAL ART ASSOCIATION

FRAINK POITT, most favorably located on Centre Street, Pottsville, Schuylkill County, Penna. The purchaser of the Stock may obtain a Lease of the Store, which is a three-story Brick Building, 20 feet front on Centre Street, by 60 feet in depth, with a building in the rear, 20 by 40 feet, constructed expressly as a depot for Steel and Iron, opening on to a 20 feet street. rendering it particularly convenient of access : the whole depth of the store be-ing 100 feet, with admirable apparatus for holsting from the first to the third floor. To a person desfrous of entering into this branch of business, au opportunity is offered which very rarely occurs. ALSO-For sale a BONE MILL, with cast-iron Shaft, Pulleys and Frame, complete. Posecssion given when desired. For particulars, address, personally or by letter, Postsville, April 1/ 1865. 18-tf Beg to announce the completion, for immediate devery to subscribers, of the Superb Steel-Line Engra Washington receiving a Salute ON THE FIELD OF TRENTON,

Ine work has already begun. There were found in Fort Blakely 47 cannon and 37 carriages more than was before supposed. A achooner, name unkrown, was recently captured in Chesaprake Bay by some rebels, who put the crew ashore, and carried the schooner to the Bahamas, ar-riving there on Aprile 17th. A demand had been un-successfully made by the American Consul for the res-toration of the schooner, and she had gone to sea. The foreign journals are filled with articles of deep sympathy for America's misfortune in losing her Chief Magistrate. The Governments of England, France, Austria, Prussia and Switzerland, have forwarded'ad-drevses of condolence to the American Government, and Mrs. Lincoln. There is a report that, on May 5, J6ff Davis was at Powelton, Georgia, about 60 miles from Augusta, with both Stomeman's and Wileovis cavalry in pursuit of him. John A, Stewart, Esq. U. S. Assistant Treasmer at New York, will resign his position, the resignation to itake effect on June 30. It is reported that. Saltillo and Monterey have been captured by the Liberals in Mexico. The Marquis de Montholon, the new French Minis-ter, has artived in Washington.

Postscript.

Saturday, May 13, 1865.

THE LATEST NEWS,

THE LATEST NEWS. The Trial of the Conspirators The Array - Interesting Miscellany. The trial of the conspirators was continued on Thurs-day. On Tuesday Harold was arraigned and during that day and Thursday, much testimony wai taken for wat may hink proper will be divulged. No connect have yet appeared in Court array of the conspirators. The advance of Gen. Meaders army from Hickmond arrived at Alexandris on Thursday. The entire army is of period of Gen. Meaders army from Hickmond arrived at Alexandris on Thursday. The entire army is expected there by this erening. Sherman's trong will reach Alexandris on Thursday. The entire army is expected there by this erening. Sherman's trong will reach Alexandris in about test days. Gen. Sher-man is expected in Washington to-day. The work of retrenchment is being pushed forward or Sherman's armice, whose terms expire before May states to be mattered out at once. Caraly regi-ments are to be disbanded and paid off at the places where they were raised. Thirty-eight clears in the Ordnance Bureau were dismissed on Thursday. The great loan of the people to the government con-tinues to astonish the best friends of the Union by Ra-menting and epontaneity. The mechanism for pro-curing money is slight and unimportant. Still the cur-rout flows on. The subscriptions on the 10th were the larget yet known, amounting to \$15,410.00. On the 11th they reached to \$15,411,500, not two millions less than the maximum ever attained. Of this there were 10.752 individual subscriptions pairs of the South. Every first functions in various pairs of the South. Every first functions in various pairs of the South. Every first of weather to take the benefit of the annesty oath, though private soldiers may do so. Strong efforts are being made to be removed.-The work has already berun. There were found in burbiskely of cannon and 37 carriages more than was before appond. And the guns are to be inveries the work has already berun. There were found in burbiskel

General Grant was testifying on Thursday before the ar Committee at Washington. /ar Committee at Washington.  The Sorth is still unpurged of her treaseon. Prosenting the zone of the state state of the state of t via the Reading Railroad and Schuvlkill Naviga-Region, where the men have acceeded to the reduced wages. The stoppage in the Schuylkill Region is more general than it was last week. It willebe better probably for the trade if the mine should stand idle for the whole month of May, as the present ruling prices for Coal will not enable the operators to pay even the reduced scale of

led to blow out, owing to the inability to procure the Iron business is quite as much prostrated as the Coal trade is at present. With gold coming down rapidly, and high taxes imposed on Iron products, the present tariff is insufficent to protect the Iron trade, without a large reduction in the prices of labor, and other commodities, such

The Iron Association will hold their next quarerly meeting at Chicago, the 24th inst., when the state of the trade will be fully discussed, and such action as may be deemed necessary to pro

The Iron and Coal trades are so intimately connected, that we would suggest to the Coal trade to unite with the Iron trade in the association fail. Next must come a settlement of State Rights. This nlear must be probed to the quick, or it will eat like a cancer. Southern men have inflamed themselves into with a view of protecting their mutual interests. Their quarterly meetings will be the means of dis-

seminating much information that will be valuable to all interested. One of the obj cts of the Association is to spread imformation before the people with regard to the necessary protection required to enable Iron men to sustain themselves and also secure adequate wages to their employees.

actorer. Sontherr men have inflained themselves into a doctrine on this subject which of necessity, makes it them enemics to the United States. Only a day or two ago, Beverly Tucker, a Virginian, attered folly in this wise; "Educated in a political school whose principles itungh me that my first allegiance was due to my na-tive State, I freely gave all that I had and löved to what I believed to be her righteous cause." Now, we reply that any man in American Republic cannot be an American citizen. The Union spurme a second-hand fealty. The doctrine of supreme State allegiance is subversive of the Federal Government. It is the this-tle sower of treason. It is the web and wood of the letter of John Wilkes Booth, the murderer of the Pre-sident., Two-edged was the sword with which the Re-belion smote the Union-Slavery, was one edge, and State supremacy the other. Now if, with Beverly Tuck-er, General Lew continues to believe, as he has bitherio We have been assured that the taxes derived by the Government on the manufacture of a ton of Iron, produced at home, under the present ins ternal tax bill, is greater than the duty derived by the Government for duties on the imported article. Hence the greater necessity of affording er, General Lee continues to believe, as he has hitherto professed, that his first allegiance is due to Virginia. sufficient protection to the home production. and if this allegiance may at any future time ris
