THE UNION TICKET OF SCHUTLKILL COUNTY.

The Union , Convention which met in this Borough on Monday last, was composed of some of the best men of the County. They came as representatives of the good citizens of a County which is Copperhead-ridden; is infested by lawless cut-throats who have immunity from punishment, and is fleeced by dishonest officials. Notwithstanding this discouraging aspect of affairs, the banner of Reform, of Freedom, of the principle of true Human Progress, is again raised aloft, and its defenders are in the field once more to do The Regiment remained there doing picket battle for the Right. Remembering how early in the late War our troops although engaged in a good cause, encountered successive defeats, only to win a glorious and decisive victory in the end, the Union men of Schuylkill County will persevere until the political errors which prevail here are overcome, and until the evils which have grown to form a part of the official economy of the County, are eradicted.

In this spirit and with a determination to redeem the fair fame of our County, the Union Convention met on Monday. The utmost harmony and enthusiasm marked its deliberations, and the ticket framed, composed of good and reliable men, should receive the hearty support of every friend of the cause, and of reform in County affairs.

The nominees for Assembly are General WASHINGTON REIFSAYDEB, of Ashland ; Captain JAMES K. HELMS, of Schuylkill Haven, and Dr. J. C. MCWILLIAMS of New Castle. Gen. Washington Reifsnyder.

gusted with the treasonable course of the eight men into action, of whom eight were modern Democratic party, and with the dishonesty which seems to be inseparable from its administration of affairs in this County, has identified himself with the Union party. For many years he was Warden of the County Prison, and his administration of the affairs of that Institution, was admirable. It became in his able hands, a model of cleanliness and good order, while the discipline which by his firmness and capacity, he introduced, enabled it by the labor of the inmates, to be almost self-supporting. Gen. REIFSNY-DER is as all know, a gentleman of commanding presence and good mental capacity. He would represent this County in the Legislature with ability and credit. Last Fall Gen. REIFSNYDER was a warm supporter of Lincoln and Johnson.

Captain HELMS was a member of Capt. in ten miles of Wilmington, N. C., Captain Daniel Nagle's company in the three months' GRAY passed as an exchanged prisoner, from

Reynolds, then at Belle Plain --duty, until April, when it moved to Fredericksburg, and participated in the second battle fought in May, at that point. It was stationed first on the left, and then moved to the right, and was in the battle of Chancellorsville. On the 6th of May the Regiment recrossed the Rappahannock, and was stationed at White Oak Church, on picket duty, until June 12, when the Regiment with the First Corps, moved to Gettysburg, Pa. Many came from the different sections of this County, and some from Damphin County. More than one hundred carriages were in the funeral procession, which proceeded to the Union Cemetery at the Church known as Clouser's, near Llowellyn. An 'sporpriate sermon' was delivered by Rev. F. Wood has abandoned the shades of private life and resumes the pen in behalf of his bleeding country. He has two strong reasons for becoming again editor of the New York "Daily News." The Convention was one of the mest respect-able and intelligent that ever met in this County, and its labors we earnestly trust, will command the suffrages of every citizen who desires the reinauguration of peace and order in our midst; of every tax-payer who is tired, of seeing the public monies squandered by dishonest, in-connectont and careless officials. Woisn man., We, say nation, were respected and feared. It had been the glorious work of the Union party. Let us persevere in the great cause. Mr. Fisher condemned the lawleseness in the County, and spoke of the necessity of reform. Mr. Bartholomew said in referring to the re-marks of Col. Wetherill, Chairman of the late Democratic County Convention.: He says, "with the aid of the Democratic party the war has come to a successful termination." History remarked "Mr. Bartholomew, will tell the world that the government was not only statched in the front by armed traitors but in the rear by a more malig-nant, desperate and cowardly for, the Copper-heads of the Nerth, who even now attempt to pal-liate if not instify, the course of a Davis, a Wirtz and a host of others whose just merit is the hal-ter.
