## Miners' Journal. POTTSVILLE, PA. SATUBDAY, SEPTEMBER 9, 1865.

THE WIRE TRIAL. orial will contain the names of the men who The trial of Captain Wirz is still progres sing in Washington, and the facts thus far died in the service, the place, time and manbrought out exhibit so clearly the baneful ner of death, with company and regiment. and utterly brutalizing effects of slavery that This list embraces nearly eight hundred we can with good reason wonder how the names. There will also be accounts of pa-Almighty permitted us to live so long as a triotic contributions, incidents, battle narranation while conserving and extending this tives, lists of casualties, a chronological record of the Rebellion, giving dates of princidamnable institution. pal engagements, etc., and losses sustained

Here was a Swiss mountaineer, "rocked in the cradie of liberty," accustomed to breathe by the Union and Rebel forces, biographical the air of freedom, and associated with those sketches of officers and surgeons from the to whom servitude or human bondage was a County, etc., making a compendium of facts synonym of death. He leaves his native valuable for preservation, while to each solland, settles in Louisiana, and recreant to his dier and citizen whose name is contained in early teachings, fails in with the customs of the work, it is a book containing a record of his adopted countrymen, and invests prop- what he did to save the Republic. The book will be sent through the mail, t érty in human chattels. As time passes on, his heart becomes seared and callous; the any address, post paid, on receipt of the folbrutalizing influences growing out of the re- lowing price : lation of master and slave stiffe every instinct In cloth sheep. of humanity; and by the time the insurrecmorocco, gilt,. tionary fires burst foith, he is educated into a fiend incarnate, ready and willing to become the deliberate and wholesale murderer of his fellow men, be they black or white.-He is selected as the keeper of the prisoners captured in battle, and forthwith enters with apparent relish upon the unparalleled task of cruelty and starvation. Disease does not SHELL, Centre street work with sufficient rapidity among the victims to satisfy his unnatural desires. The dead-line, dog, derringer and dagger are thereupon brought into requisition and hasten the progress of the poor uniortunates to the grave. The brute gloats over the agonies of the poor wretches who are breathing their life away, and in response to their piteous appeals for nourishment or medicine

sends the uncrring bullet crashing through their brains. Such is the work of slavery; such is the transformation which the cursed institution he is likely to produce, than the wretch who works among those brought under its influ' steals but hundreds. That in both cases ence, changing the hyperion in moral beauty to the veriest satyr. The war has brought sorrow and afflictions upon many households, and imposed upon postcrity an enormous debt; but the great labor accomplished in the overthrow of slavery will go far toward the Ketchum and other trauds in that city he

nothing of the preservation of nationality and neither wealth nor family influence and government. We have achieved a work should shield a criminal, for every one must in comparison with which all other philanthropic achievements since the beginning of The public pulse is of late properly sensitive the Christian era sink into insignificance.

he Christian era sink into insignificance. Our restored countrymen, who can now ee in the conduct of Wirz and other of their see in the conduct of Wirz and other of their those who are criminals in low places fear employed servants, the results of slavery's the law." The looseness of moral responsituition, should feel grateful to us that we bility which had begun to characterize the

Fire in Eldred Journship. On Saturday morn-ing last, the barn of Mr. John D. Hepler, in El-dued Township, this County, was destroyed by, fire, with its contents, consisting of this years the County, who were in the service, with the letter of each Company and the number of each Resiment. The number of names is over twelve thousand. In addition the Mem-

crop of hay and grain, agricultural implements, etc. Loss shout \$2000, upon which there is no insurance. It is not known, positively, how the fire originated.

Returned.—Company G. Capt."John W. Kant-ner, 104th Reg., P. V., has reached Tamaqua, where it was raised, inving been mustered out of service. The Company was recruited last winter, for one year's service, but the close of the War has relreased it from serving its full time. Jacob Bobst, a member, died at Norfolk a few weeks since. -----

Snicide by Drowning.—On Monday last Patrick Kelly of St. Cl. ir, between 50 and 60 years of age, Lute slate-picking boss at the St. Clair Shaft, was found drowned at Port Carbon, in the Schurtkill River near the railroad bridge. The Coroner heid an inquest, and rendered a verdict of sui-cide. Lately he had exhibited signs of mental weakness, and in that condition he left his home on Saturday night last. on Saturday night last. \_\_\_\_\_

Internal Revenue Decision. The Commission-er of Internal Bevenue recently decided as fol-lows: A party who holds a license as a retail liquor dealer, and wishes to retire from the buris, may sell his entire stock to another perso without procur ng a wholesale dealer's license. Splendid Potatoes. We have received two p

Splendid Potators.—We have received two no-tators called the Prince Alberts, raised by Mr. Benj, K. Moyer of Orwigsburg, which weigh one and a half pointds each. These potatoes are an e.co'lent table potato; very productive and free from not and other impurities Mr. Moyer obtained the seed of these potatoes through us two years ago; and raised 125 bushels on less than three-fourths of an acre. They are peculiarly adapted to light sell. Dr. Becker informs us that they free the finest table, notatoe he has ever The edition is limited, as it has not been stereotyped, and will be exhausted with the present number. Canvassers will in due time, call upon our citizens throughout the County. In the meantime subscriptions will be re ceived at the office of the MINERS' JOURNAL they were the finest table potatoe he has ever used. Samples can be seen at this office. and at the store of Messrs. O. & C. Bosny-

The patriotic record of Schuylkill, the Government Sale of Mules .- The sales of Govgreat Coal producing County of Pennsylvaernment mules, advertised to take place each Wednesday and Saturday of every week in Phile nia, is one of which our citizens may justly adelphia, have been suspended until Wednesday, September 20, on which day and on every Wed-nesday and Saturday thereafter until further nobe proud, and we doubt not that they will feel an interest in giving the work the widest ice, the sales of 100 mules per day will be concirculation possible.

A Mahanoy City correspondent of the Tama-Ir is a gratifying fact that the idea is bedua Journal, writes: On the night of Aug. 23d, at Myersville, Delano Colliery, a man named Young, occupying a house owned by Henry Myers, while intoxicated, acci-dentally set fire to the house, which was burned to the ground. A step-son of Young's named burned for waste we hurned to death in coming fixed in the minds of honest and incorrupt Judges, that a man who plunders or defrauds others, of millions, is deserving of greater punishment, for the greater misery rown, aged four years, was burned to death in ing. 🚲

Cardner & Henning's Circus, well and favor-nbly known here, will give two performances in this Borongh, on Friday and Saturday next, 15th and 16th inst. It will exhibit in Ashland, on Monday, Sept. 18, and in Minersville on Thesday, punishment is deserved and should surely be accorded, or justice is a lie and its administration a farce and deception. Judge Russell of New York holds these views, for in Sept. 19. Additional attractions have been added to the 'show," since its last visit, which will we doubt not, attract large andiences. Proceedings of the Borough Council. -- A stated meeting of Council was held on Tuesday evening last. Present Messrs. Dobson, Strauch, Heffner, Morris, Cochran, Nagle, Reed, and Focht, Presi-

Morris, Cochran, Nagle, Reed, and Pochi, Feed dent. Minites of previous stated and special meetings were read and adopted. Com. of Room, Stationery and Fire Apparatus reported that it had visited all of the fire appara-tus in the Borough; found them in good order, and recommended that the annual appropriation of the Hydranlian Fire Company 16 paid. Report accepted and filed. Special Com. on application of late members of Forty-eighth Regiment; for equalization of boun-ty, was continued.

Forty-eighti Regiment, for equalization of boun-ty, was continued. Special Com, on petition of Humane Fire Com-pany for appropriation to enable that Company to purchase a steam fire engine, reported adverse-ly to granning the prayer of the petitioners, in consequence of the belief of the Committee that the present facilities of the Rorough for extin-guishing fires are adequate, and that the expense of making the addition asked would be unneces-eary.

Report accepted and filed.

A petition from G. W. Good and others, pray-ng for the erection of a crossing at Fourth and Volcott streets, was read, and referred to the St. Com., with power to act. A petition from John C. Conrad and others,

A perturn from John J. Conrad and others, praying that the property owners in Eighth street between Market and Mahantango, be notified to curb and pave, was read, when on motion the Clerk was instructed to notify the parties a med. A petition from Alfred Good and others, pravamed.

A petition from Alfred Good and others, pray-ing that property owners on Eleventh stroet be-tween Market and Norwegian, be outlied to curb and pave, and that a lamp be placed at Eleventh and Norwegian streets, wastread, when on motion it was resolved that the property owners be noti-fied, and that the subject of the lamp be referred to the Com. of Lamp and Watch. A petition of citizens, praving for, the opening of a street from Peacock to Bailroad street, Fish-bach, was referred to the St. Com. A petition from a large number of citizens for the erection of a crossing in Centre street, at

A petition from a large number of citizens for the erection of a crossing in Centre street, at Mortimer's Hotel or at Whitfield's store, was read, an tor lered to be filed. The statement of the Borough Troasurer was read and ordered to be filed. Mr. Morris offered the following: *Resolved*. That the St. Com. be instructed to curle, nave and outler such streets, and property

The Fifty-fifth Pennsylvania Regiment, The Fifty-fifth Pennsylvants, Regiment, In-which there was a Company (E.) from this Country, it reached Harrisburg on Friday of last week, with but 552 men and officers left, out of 1484, the driginal pumber in the organization. In the bat-tle of Drury's Blaff, alone, the regiment lost about 600 in killed, wounded and captured. Since the battle of Fort Fisher, Liout, Col. Measker has been in command. The Schuylkill County memresolver, I had the successful streets, and property ourb, paye and gatter such streets, and property that has been duly and legally notified, in Coal, Callowhill and High streets. Adopted. Resolved. That the Clerk be instructed to poli-

tify the Chief Burgess to enforce more strictly, all of the ordinances of the Borough. Adopted. On motion of Mr. Strauch it was resolved that

Richard Morris for the the application of Mr privilege of storing a larger quantity of coal of within the Borough limits, than the ordinance allows, be referred to a Special Committee. the cougre-

Cricket .- Pottsville .r.s. Young America of Phil*adelphia*. – Saturday last was an interesting one to the admirers here of the game of cricket, as it witnessed under somewhat discouraging circumstances in the weather line—a finely contested match between the Pottsville Club, which was organized this year, and the Young America Club, which is the champion Club of the country. Up to Friday evening; at which time the mem-bers of the Philadelphia Club, reached here, the weather had been all that club is desired. But pers of the rhildciphia Club reached here, the weather had been all that could be desired. But on that evening slowly approaching, dark clouds gave indication of a storm likely to extend to Sat-urday. On Stunday morning rain continued falling until about 10 o'clock, when a cessation

It was somewhat unfortunate that the Potts-villedost the toss, for after closely watching the gume we folt convinced that if that Club had ta-ken the field first and thereby gained the could dence necessary to meet successfully the play of The West Chester.
