Maize's Blood Purifying Agent .-. The Great Remedy of the day to Purify Blood.

Maize's Hood Purifying Agent. The Great Hemedy of the day to Furify Bleed. Thousands of lives could be saved yearly by the timely use of a remedy to renovate the blood, and parge out the corruptions that breed in it, and carry their poison to every part of the system. The pro-prietor has long fielt the necessity for a medicine specially intended to operate upon the blood, and has at last succeded by a combination of the most valu-able and powerful vegetable ingredients known to medical releace, in preparing a remedy which, upon a full and ample tial has been found one of the most effectual blood partifiers ever offered to the apublic. It is admitted by all who have tried it to be superior to any similar preparing on an exceeded by it, a few of which can be seen on the circular scompany-ing the medicine. It is also an excellent tonic in cases of general debility. Mothers will find it especi-tions of any kind. Be sure and ask for MAIZL'S BLOOD PURIFYING AGENT. Try it and suffer no more. Prepared by H.
