This can be done by an amendment to fattor of the fattor of diction writch pervade it:
This can be done by an amendment to fattor of the fat Col. Forney's letters from Europe — These in-teresting and valuable letters have just appeared in book form, from the press of the Meears. Pa-terson, Philadelphis. We have already spoken at length, of the great merit of these letters.— Copies of the book, which has an excellent and life-like portrait of Col. Forney, have been re-ceived and can be obtained at the book-store of Banman & Ramsey. The Pottertite Simerburid.—The annual ball of this Association will have place in Union Hall, this Borough, on Wednesday evening, Nov. 27. Among the music which will be sung on the oc-oasion is a beautiful-chorms from the "Magic Finte," by Mozart, entitled "O Tais and Osiris." The balls of the Sangerbund are always well at-tended and very pleasant, and we presume that the next one will be no exceptiop to the rule. tended and very pleasant, and we presume that the next one will be no exception to the rule. On the night of the 8th inst., the coal office of Montelins & Co., Mt. Carmel, was entered hy bur-glars, who succeeded in forcing open the safe with powder. The postmaster who lives near the office, heard the noise, and raising a window of his hous, the horelars field, without taking are: office, heard the noise, and raising a window of his house, the burglars fied, without taking anything of value. On the following day a man named Theadore Chester was arrested by Mareler's police on suspicion of being con erned in the robbery.

CABD. At a regular stated meeting of Washington Camp. No. 76, or 1 Ab Pi O. 0 J. S. of A. held in the Odd Pellow's Hall, Tremont, Pa., on Saturday eventing, October 24, 1987, the committee appointed for the pur-pose of drafting resolutions, expressive of thanks, to all who participated with, and aided them during the lecture delivered in the St. John's English Lutheran Church, on Thuriday evening, the 10th all ; submitted the following; which were unanimously adopted : Resource, That to J. Ross Miller, Ecq., of Reading, Pa., and Messir, Wm. Garref and O. D. Drake, of Tre-mont, we below our sincere thanks for the able and

simply to get rid of Johnson. It means practical, enduring, satisfactory Reconstruction. Impeachment is, that having convicted John-Bon of an intentional purpose to resist Congress and the course of the nation, every one lowing "peace" in the Journal. It is to be

trade, which at the coming session of Congress will be laid before that body. It is to be hoped that his opportunity for observing the workings of the free trade system in Europe, and the deletorious effect of inadequate duties upon the interests of capital and labor there, has modified his opinions and taught him that the only correct and safe system for the United States is adequate protection.

We express this hope, for the important position which Mr. Welles holds, lends additional importance to his suggestions and opinions in relation to our tariff, and heretofore we have not had the most implicit confidence in him as a friend of adequate protection. We fear that undue regard for the importing interests and for that class of large

Spurious twenty-five cent notes are in circula-tion. They are the best executed of this denomi-nation yet manufactured, and are calculated to deceive the most careful money takers. The bo-gus mohey may be known by the paper being a trifle thicker than the grephine, and the green on the back somewhat lighter. The vignotto of Fos-senden is, at first glance, fully as correct as that in the grentine, but a close scrutiny shows that if is a good woodcut, and hot a steel engraving.

in the genuine, but a close scrutiny enows that up to is a good woodcut, and holt a steel engraving. The following resolution was offered at a spe-cial meeting of the Ashland School Doard, held Nov. 6, but was lost by a tie vote : Brootvin, That J. Irin Steel be expelled from his sets in this board as reporter of its proceedings, in con-sequence of his having misrepresented them. The misrepresentation consisted in stating that Mr. Cleavar's ineligibility to the Treasurership of the Ashland School District was in consequence of his failure to properly and this heading will be found in our advertising columns the opinion of the United States Circuit Court of the Eastern District of 'Pennsylvania, upon the Jenkins' and Laubenstein' patents respectively, for manufac-turing wire screens. Two important points are dodded. 1. The Jonkins' patent does not cover the Laubenstein invention. 2. Nor is weaving in looms and using a hämmer in the cross wires any infringement. We invite attention to the charge of the Court in the case. Robbery in Port Carbon. -On Saturday night last a cellar attached to the dwelling of William Fitzpatrick, in Irishtown, Port Carbon, was en-tered and robbed of butter, fresh meat, etc. Some weeks since a neighbor named Huber had killed a pig, and stored the meat in Mr. Fitzpat-rick's cellar. I is supposed that the thisree

sired to be saflors, not a single boy had fallen from the rigging, or had been injured up to the time of our visit Kindness on the part of the officers, seems to be more efficient invectations. In passing through the different school room,'s we were struck with the singular forms-tion of the heads of many of these bors, - they exhilt through its influence, the human face divine could be-rents on their offspring, and we were astoniabed that through its influence, the human face divine could be-rents on their offspring, and we were astoniabed that through the first output of great interest among those which we visited while staying at Darby Honse. This Castle is another object of great interest among those which we visited while staying at Darby Honse. This Castle is coursed the favorite public of Prince Albert, and is, of course, the favorite public respect for the cavalry intribus. A person can lie fitter admine the great big run were attread on high ground, on one side of the town of Windsor, and can be seen at as great a distance as the hazy atmosphere of Eng-land will admit. The buildings and enclosure cover the been one of the old Roman fortreeses, and it was con-verted into a residence for the royal family by Henry I to the bedreate for the cover, and is pleared to favorite public about twelve acres. This Castle is believed to have been one of the old Roman fortreeses, and it was con-verted into a residence for the royal family by Henry I to the bedreate of the Cover, and is believed to thave been one of the old Roman fortreeses, and it was con-verted into a residence for the royal family by Henry I to the bedreate of the Cover, and is believed to thave been one of the old Roman fortreeses, and it was con-verted into a residence for the royal family by Henry I to the bedreate as the hazy atmosphere of the star great a distance as the hazy atmosphere of the star great a distance as the hazy atmosphere of the star sequelas matter as the deverted to the row at the i Lot and frame store and dwaling, Second and Centre streets, Mahanoy City, as the property of Lexi-Yengst.
