His objections to negro suffrage are based on reasons which might have answered for barbaric age, but which will hardly be ac-cepted in this when it is believed that men who are amenable to and contribute to the maintenance of a government, are entitled to have a share in its administration. His sail guments on this subject might be acceptable to tyrants and the jaristocracy of the Oid World, but not to the ends for which Amer-

Temperance. -The Grand Temple of Honor and Temperance of this State held its semi-annual session in this place on Tuesday, Nov. 26. We understand that our town was selected for this purpose in consequence of the great increase of the Order in Schuylkill County during the past year. The attendance was creditable, and the in-terest mailfested showed a determined epirit for. a vigorous prosecution of the principles of the Order. The reports of the officer show a heavy increase during the term (six months.) there be ing about twenty charters granted for the organi-zation of new Temples since June Jat. One of the features of the organisation was a liberal subscription by the Grand Temple to the Tern jurit's Magazine which is shout being publish-ed by the Suprems Council for the benefit of the Order.
