Energetic Men and Ladies Wanted to Canvass for the ORIGIN AND HISTORY OF THE
BOOKS OF THE BIBLE.
BY Prof. CALVIN E. STOWE, D. D.
Showing what the Bible is not; what it is, and how to use it; tracing the history of each book on to its origin with the inspired authors, and completely answering all infidel cavils and objections to the Scriptures. It is an ordinary library of 800 Illustrated Pages in a single volume, brief, clear, accurate, conclusive and highly interesting. A master-piece of common sense. It is needed in every family where the Bible is read, as well as by every Sabbath School teacher, student and clergyman, and being the only book on the subject ever published in this country is sure to find a purchaser on the slightest advance of canvassing. For this work. Send for circular containing notice and endorsements from leading ministers. Address

Office of the Lehigh Coal and Navigation Co., Philadelphia, Feb. 1, 1868.—Proposals will be received at this office, until 29th inst., for a lease for a term of years of the mines of this company now worked at Beach Mountain, in the Lehigh Coal Basin, including the Tunnel Mines, either together or separate. These mines are the nearest of any in Pennsylvania, to both the Philadelphia and New York markets, and the quality of the coal is too well established to need any recommendation.
The improvements consist of one slope and breaker at the Old Tunnel Mines, and one shaft and two slopes and one breaker at the Room Run Mines, with a large amount of excellent coal, opened and ready to be worked. The aggregate capacity of the mines is about 200,000 tons per annum. The coal may be sent to market either over the Lehigh and Susquehanna division or over the Lehigh and Susquehanna and connecting railroads.
Bidders are invited to state the length of lease desired, and the royalty they propose to pay, either fixed or dependent upon the price of coal at Mauch Chunk. For further information apply at this office, or to John Leisenring, Superintendent, Mauch Chunk.
By order, GEORGE SAVIDGE, Engineer.
