An Unprovoked and Atrocious Outrage.—On Saturday evening last aix men went to the home of Mir John Zerbe, a peaceable and reapsocted citizon, residing at flaven Run, near Girardville, this County. They inquired of Mrs Zerbe if her husband was at home. She unsuspicious of any intended violence, informed them that he was, and that he had just stepped out of the home. It hot only restured my hair to its natural color, but rendered it, soft and slossy, and removed all dandruf from my head. As a hair tonic it is the best I have ever used. After being gray for several years, my hair has been rentored to its natural cities by the use of a small quantity of Montgomery's Hair Restoret. It has also accelerated the growth of the shir, reserved the dandruff, and kept my scalp cool, and in a perfectly healthy condition. From the large paneber of persons whom I know to have been benefited by the use of Montgomery's Hair Restoret, I can say with perfect grathiness, that it is infallable for promoting the growth of the hair, restoring the original natural color, and curing cruptive diseases of the scalp.
