progressive ago. We perceive that the Denic-cratic Legiplature of Obio is deliberating upon fresh penalties against voters of vailty admitted blood. They regard the approaching adeption of the XVsh Article with the easie sort of horror which African savages exhibit at the approach of a solar college,—and attempt to avert the pheno-menon by similar means—by making a tremen-doma noise to seare the infruder away.

and performance.

"The PROSE."—This is the title of a quarterly publication issued from The Sanitarium, Medic, Pa. It is edited by Dr. Joseph Parrish, and is devoted to an inquiry into the mai, of stimulants and narcotice, social evile resulting therefrom, and methods of reform and care. The price is \$1 a year, and it promises to be an exceedingly useful publication, in consequence of the rapidly growing vice in this country of using narcotics.

Personal Recollections of Abraham Lincols.—
Mr. James E. Murdoch, the celebrated actor and electricular, gave a leasure in Union Hall on Wednesday sweazing last, on this entriest, it was interspersed with appropriate positical eslections which were given in Mr. Murdoch's iministable etyle. As a periew of the character and Precidential services of Mr. Lincoln, it is most complete. Mr. Murdoch secremative defended the memory of the Martyr Freedent from the madgenant pritisan-approximative from the madgenant pritisan-approximative from the madgenant pritisan-approximative from the insidence and before. However, the secretary thereoner and before the man for the feature of the manufacture of Spring stock just remited at Galland's, 210

Mazonic.—During the past year 31 Mazonic Longes were doly constituted in this State, and 12 restored to good standing. During the same period 3700 new numbers were initiated, making the total number of Mazona within the jurisdict of the Grand Lodge of Pennarjivania, 29 decided to total number of working Lodges in 23. The

Gensemar, Richson, Hallman, Louis Burgess Byerly.
On motion it was resolved that the Borough accounts be audited as soon as practicable.
On motion the Secretary was instructed to motify the auditors of the same.
The Committee on lock-up report that they have performed the duty sesigned them, and recharge performed the duty sesigned them, and recharge performed the duty sesigned them. The Committee on lock-up report that they have performed the drift senigned them, and recommend the building of a lock-up upon the lot belonging to the Borough, known as the Public Square, and situated on Columbia street.

On motion the report was accepted and Committee discharged.

On motion the property owners on Dock street who have not yet outhed and paved, be notified to do so.

On motion Messrs. But: and Gensemer were appointed a Committee to assert ain where curb and paving stones can be procured the cheepest.

On motion the bridge on Centre Turnplies be arread.

On motion Messrs. Ricknon and Tette be appointed a Committee to procure stone for the sense. In our last we sluded to the fact that in PhilJa our last we sluded to the fact that in Philaddiphia a number of the members of the Masonio fraterolity had organized an association,
the object of which is to afford relief to the wilown, orphans, or families of doceased members,
In the case of the death of a member as we stictad, should there be fire hundred belonging to
the organization, the family of the doceased will
be readily perceived that the greater the numbers of members the larger will be the amount
in the case of a death. The Order in this County
is throwing in the matter of starting a similar association, and we hope seen to be able, to state
that it is full operation.

On motion the Spannon was used over units searching.
On motion the Supervisor be instructed to examine the streate in the West Ward; as complaint was made that Hugh Gray has fenced up the public highway.
On motion the Council adjourned. Muslins are selling very low at Galland'y, I. O. of O. F.—The semi-centennial annive A. R.—At a stated master of Post No. 20, A. R., held at Schwild! Haven, on the 29 h, it was decided to decorate the graves of the tot deed at said place, on Sundays afternoon 30th day of May. Extensive arrangements in progress, and it is

that if is in full operation.

I. O. of O. F.—The semi-contennial analyses of G. A. R., hald at Schuylkill Haven, on the 20 in ult; it was decided to decorate the graves of the institution of the Independent Order of Odd Feliows in this country, was generally particled deal at said pince, on Sundayfafternoon the 30th day of May. Extensive arrangements are in progress, and it is presumed that the solution of the progress, and it is presumed that the solution of the seminous will by far, xnoved those of last pointed like following committees, who will at comes assume charge of the whole affair.
