SOCIABLES .- H. B. Leach, of the McCauley House, Centreville, will give a Christmas party on Thursday evening, Dec. 21th. It will be a pleasant affair.

Mine host of the Hyde House, Ridgway wi l ave a New Year's party on Thursday evening list. Of course it will be a fine affair.

SERIOUS ACCIDENT .- James McCauley, geman on the local, -conductor Butler's was seriously injured this morning, at Whistletown, by fading under the cars. His arm was broken in three places, and his leg badly fractured. He lies in a critical condition, but it is hopped he may recover. Mr. McCauley is a young man, of exce e thabits, and much respected.

WE are happy to notice the appointment o Col. A. I. Wilcox of this county as one of the aid-de camps of Gov. Genry. If there is not much except honor in the office, there is nothing but honor in the man appointed. The adage that extremes meet is reversed in this case, for like has met. The compliment paid the Col. and the coun'y is fully appreciated by all. When the Governor made a visit to the county last fall, we did not then suppose that he was looking for a gentleman to fill the position to which he has appointed Col. Wilcox. If that was his business we can assure him that his mission was most eminently successful.

ELE ADVOCATE Association Certificates of Stock are now ready. All that have paid can cell on Jas H. Hagerty, Ridgway, and re ceive the same. Those that have not paid we hope they will send in soon. We cannot advance any Certificates, as we have to number every one, also the name and amount and keep a book thereof to prevent frauds,

RADICAL RESTORATION .- Its good effects are permanent. It not only restores the color of the hair, but the quantity and natural glossiness. This is said by every one using Mrs. S. A. Allen's Improved (new style) Hair Restorer or Dressing (in one bottle.) Every Drug-

reputation for excellence superior to that of HOOFLAND'S GERMAN BITTERS .- This article is looked upon by those who are not acquainted wi'h it, as most patent medicines are a mere clap-trap to catbh the simple. It is not in reality a Patent Medicine, but a genuine article, prepared by men who have an intimate acquaintance with medicine, and the requirements of the system when laboring ■ plaint, Nervous Debility, &c., it has no equal. We know of a number of persons who suffered one person in particular, who suffered from Dyspepsia for ten years, desires us to state for the information of the public, that he has been entirely relieved and restored, he believes, by the use of this article alone.

The above is taken from the editorial columns of the ." Dispatch," Erie, Pa., and speaks volumes.

RELIGIOUS .- Methodist services will be held at the Court House. Sunday morning at half past ten.

> " Onward, right onward, Into the Valley of Death, Rode the Six Hundred."

But larger, by hundreds multiplied into millions, than the band who rode to swift destruction in Tennyson's poem, is the great cavalcade of unhappy men who fare rushing to nutimely graves, followed by the gaunt spectre Dyspepsia. This is all wrong and should cease. Plantation Bitters, the great stomachic Pain Killer, cures Dyspepsia, Heartburn, Headache, Vertigo, Dullness, and all symptons of kindred character, as if by magic. For Languer, Lassitude, Great Weakness and Mental Depression, they have a most wonderful effect.

AT a recent railway festival the following striking sentiment was given: "Our mothers-the only faithful tenders who never misplace a switch."

A SAVANNAH culprit attempted to escape from an officer by shamming death, but was broughs to life by the pouring of water into his mouth as he lay on his back.

A LECTURE TO YOUNG MEN —JUST published in a scaled envelope.—
A Lecture on the Nature, Treatment and Radical cure of Spermatorrhoea, or Seminal Weakness, Involuntary Emissions, Sexual De bility, and Impediments to marriage generall. bility, and impediments to marring gradual fits:
Nervousness, Consumption, Epilepsy and Fits:
Mental and Physical Incapacity, resulting from Self-Abust, &c., by Robert J. Culverwell, M. D., author of the "Green Book," Price in a sealed envelope, only six etc.

The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of self abuse may be radically cured without the use of internal medicine, or the application of the knife, pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radi-

cally. This Lecture should be in the hands of every youth and every man in the land. Sent ander seal, in a plain envelope, to any address, postpaid, on receipt of six cents, or two post stamps. Also, Dr. Culverwell's "Marriage Guide," price 25 cents. Address
