A New Remedy in Consumption.—A Physician who had Consumption for several years, with frequent bleedings of the lungs, cured himself with medicine unknown to the profession, when his case appeared hope-ess. He is the only physician who has used css. He is the only physician who has used it in his own person, or who has any knowledge of its virtues; and he can ascribe the degree of health he now enjoys to nothing but the use of his madicine; and nothing but utter despair and entire extinction of all hope of recovery, together with a want of confidence in all others induced him to hazard the experiment. To those suffering with any disease of the lungs he proffers a treatment he confidently believes will eradicate the disease. Price \$1.50 per bottle, or \$8a half dozen, sent by express.
