A GREAT REMEDY FOR THE CURE OF THROAT AND LUNG DISEASES

Dr. Wishart's Pine Tree Tar Cordial.

It is the vital principle of the Pine tree, obtained by a peculiar process in the distillation of the tar by which its highest medicinal properties are retained.

It is the only safeguard and reliable remedy which has ever been prepared from the juice of the Pine Tree. It invigorates the digestive organs and restores the appetite. It strengthens the debilitated system. It purifies and enriches the blood, and expels from the system the corruption which scrofula breeds on the lungs.

Its healing principle acts upon the irritated surface of the lungs and throat, penetrating to each diseased part, relieving pain and subduing inflammation.

It is the result of years of study and experiment, and it is offered to the afflicted, with the positive assurance of its power to cure the following diseases if the patient has not too long delayed a resort to the means of cure:— Consumption of the Lungs, Cough, Sore Throat and Hoarseness, Bronchitis, Liver Complaint, Blind and Bleeding Piles, Asthma, Whooping Cough, Diphtheria, &c.

We are often asked why are not other remedies in the market for Consumption, Coughs, Colds, and other Pulmonary affections equal to Dr. L. Q. Wishart's Pine Tree Tar Cordial. We answer:—

1. It cures, not by stopping cough, but by loosening and assisting nature to throw off the unhealthy matter collected about the throat and bronchial tubes, causing irritation and cough.

2d. Most Throat and Lung Remedies are composed of anodynes, which allay the cough for a while, but by their constringing effects, the fibers become hardened, and the unhealthy fluids coagulate and are retained in the system causing disease beyond the control of our most eminent physicians.

3d. The Pine Tree Tar Cordial, with its assistants, perfectable, because they remove the cause of irritation of the mucous membrane and bronchial tubes, assist the lungs to act and throw off the unhealthy secretions, and purify the blood, thus scientifically making the cure perfect.

Dr. Wishart has on file at his office hundreds, and thousands of Certificates, from men and women of unquestionable character, who were once hopelessly given up to die, but through the providence of God were completely restored to health by the Pine Tree Tar Cordial. A physician in attendance who can be consulted in person, or by mail, free of charge. Price of Pine Tree Tar Cordial \$1.50 per bottle, and \$11.00 per doz. Sent by Express on receipt of price. Address L. Q. WISHART, M. D., No. 232 North 2d Street, Phila. Pa. May 21, '69 m3v1n27.

A NEW REMEDY IN CONSUMPTION.—A Physician who had Consumption for several years, with frequent bleedings of the lungs, cured himself with medicine unknown to the profession, when his case appeared hopeless. He is the only physician who has used it in his own person, or who has any knowledge of its virtues; and he can ascribe the degree of health he now enjoys to nothing but the use of his medicine; and nothing but utter despair and entire extinction of all hope of recovery, together with a want of confidence in all others induced him to hazard the experiment. To those suffering with any disease of the lungs he proffers a treatment he confidently believes will eradicate the disease. Price \$1.50 per bottle, or \$8 a box, sent by express.
