GREAT REMEDY

FOR THE CURE OF

THROAT AND LUNG DISEASES Dr. Wishart's Pine Tree TAR CORDIAL.

It is the vital princi ple of the Pine Tree, ob-tained by a peculiar process in the distillation of the tar-by which its highest medical proprieties are retained.

It is the only safeguard and reliable remedy which has ever been prepared from the juice of the Pine Tree. It invigorates the digestive organs and restores the appetite. It Strengthens the debiliated system. It purifies and enriches the blood, and expells from the system the corruption which scrofula breeds on

the lungs.
Its healing principle acts upon the iritated surface of the lungs and throat, penetrating to each diseased part, relieving pain and subduction inflamation.

ing inflamation.

It is the result of years of study and experiment, and it is offered to the afflicted, with the positive assurance of its power to cure the following diseases if the patient has not too long delayed a resort to the means of cure:

Consumption

long delayed a resort to the means of cure:

Consumption of the Lungs, Cough, Sore
Throat and Breast, Bronchitis, Liver Complaint, Blind and Bleeding Piles, Asthma,
Whooping Cough, Diptheria, &c.

We are often asked why are not other remedies in the market for Consumption, Coughs
Colds, and other Pulmonary affection equal to
Dr. L. Q. Wishart's Pine Tree Tar Cordial.
We sasswer—

lst. It cures, not by stopping cough, and by, loosening and assisting nature to thraw off the unhealthy matter collected about the throat and bronchial tubes, causing irritation

and cough.

2d. Most Throat and Lung Remedies are composed of anodynes, which allay the cough for awhile, but by their constringing effects, the fibers become hardened, and the unhealthy fluids congulate and are retained in the system estimated disease beyond the control of our most eminent physicians.

most eminent physicians.

3d. The Pine Tree Tar Cordial, with its as sistants, perfectable, because they remove the cause of irritation of the mucuous membrane and bronchial tubes, assist the lungs to act and throw off the unhealthy secretions, and purify the blood, thus scientifically making the cure perfect.
Dr. Wishart nas on file at his office hun-

dreds, and Thousands of Certificates, from men and women of unquestionable character who were once hopelessly given up to die, but through the providence of God were completely restored to health by the Pinc Tree Tar Cordial.
