**BEST CABINET ORGANS**  
AT LOWEST PRICES.  
That the MASON & HAMLIN CABINET and METROPOLITAN ORGANS are the best in the world is proved by the almost unanimous opinion of professional musicians, by the award to them of SEVEN FIVE GOLD and SILVER MEDALS or other highest premiums, at principal industrial competitions within a few years, including the Medal at the Paris exposition, and by a sale very much greater than that of any similar instruments. This Company manufacture only first class instruments, and will not make "cheap organs" of any price, or suffer an inferior instrument to bear their name. Having greatly increased their facilities for manufacture, by the introduction of new machinery and otherwise, they are now making better Organs than ever before, at increased economy in cost, which, in accordance with their fixed policy of selling always at least remunerative profit, they are now offering at prices of inferior work, FOUR OCTAVE ORGANS, Plain Walnut Case, \$50. FIVE OCTAVE ORGANS, Double Reed, stops (Viola, Diapason, Melodia, Flute, Tremulant), \$125. Other styles in proportion.  
Circulars, with full particulars, including accurate drawings of different styles of organs, and much information which will be of service to every purchaser of an organ, will be sent free, and postage paid, to any one desiring them.

**A SPLENDID PRIZE FOR THE LADIES!**  
The finest, most pleasing, and costly engraving ever published in America, to be presented as a premium to each subscriber to  
**DEMAREST'S MONTHLY,**  
a magazine of practical utility in the house, a mirror of the fashions, and a literary conservator of surpassing interest and artistic excellence, acknowledged to be the modern parlor magazine of America.  
The engraving, 28x32 inches, is from the original painting, entitled "The Pic-Nic on the Fourth of July."  
The painting took a whole year, and is considered the finest of the entire list of numerous popular productions by LEWIS M. SPENCER. The engraving was the labor of four years, by three eminent artists—John Rodgers, Samuel H. Hall, and Samuel H. Flyer. The last named having been induced to come from Europe to finish it. The engravers have fully recognized the successful labors of the painter. Not only artists can fully appreciate the skill and labor lavished on this engraving. The general effect is very fine and impressive, and the delicate finish to the heads will bear the most minute inspection. The union of line and stipple is executed with unusual ability, and their skillful combination has greatly contributed to the success of the engravers in this unsurpassed proof of their genius.  
Their work on the engraving alone cost over seven thousand dollars, besides the cost of the copyright, and is acknowledged by competent judges the most elaborately finished large work of art ever engraved in America.  
Fine copies of this magnificent picture, on heavy plate paper, worth \$10 each, are to be given as a premium to each subscriber to

The holders of the checks have the privilege of either purchasing the articles themselves, or of exchanging for any article mentioned on our catalogue, numbering over 600 different articles, not one of which can be purchased in the usual way for the same money.  
The advantages of first grading the goods are these: We are constantly buying small lots of very valuable goods, which are not in our catalogue, and for which we issue checks that will all be sold; besides, in every club, we will put checks for watches, goods, blankets, dress patterns, or some other article of equal value.  
We do not offer a single article of merchandise that can be sold by regular dealers at our price. We do not ask you to buy goods from us unless we can sell them cheaper than you can obtain them in any other way—the greater part of our goods are sold at about
