A slight pretty litte woman, Dressed in soiled, tumbled wrapper, with hair in a state of direful confusion, answered his summons. She had one of those bright faces which nature intended should be decked with continual smiles ; but now all its roses in bloom, it was drawn down to its full length, and the large eves had a serious, or rather doleful expression, totally at variance with its usual joyous look. Her voice, too, had lost its melodious, ringing sound, and was subdued to a dismal whine.
