TO THE WORKING CLASS.—We are now prepared to furnish all classes with constant employment at home, the whole of the time or for the spare moments. Business new, light and profitable. Persons of either sex easily earn from \$10 to \$15 per evening, and a proportional sum by devoting their whole time to the business. Boys and girls earn nearly as much as men. That all who see this notice may send their address, and test the business, we make this unparalleled offer: To such as are not well satisfied, we will send \$1 to pay for the trouble of writing. Full particulars, a valuable sample, which will do to commence work on, and a copy of *The People's Literary Companion*—one of the largest family newspapers published—all sent free by mail. Reader, if you want permanent, profitable work, address E. C. ALLEN & CO., Atgusty Market, Feb. 19, 69.

DR. SAGE'S CATARRH REMEDY.
THIS infallible Remedy does not, like the poisonous irritating snuffs and strong caustic solutions with which the people have long been humbugged, simply palliate for a short time, or drive the disease to the lungs as there is danger of doing in the use of such nostrums, but it **eradicates** the disease, as those who can testify. Cold in the head is cured with a few applications. Catarrh of the nose is relieved and cured as if by magic. It removes offensive breath, loss or impairment of the sense of taste, smelling or hearing, watering or weak eyes, and impaired memory, when caused by the violence of Catarrh, as they frequently are. I offer in good faith a standing reward of \$500 for a case of Catarrh that I cannot cure.
 For sale by most druggists everywhere. Price only 50 cents.
 Ask your druggist for the remedy: but if he has not yet got it on sale, don't put it off by accepting any miserable worse than worthless substitute, but enclose sixty cents to me, and the remedy will be sent you postpaid. Four packages \$2, or one dozen \$22. Send a two cent stamp for Dr. Sage's pamphlet on Catarrh. Address the proprietor,

LORILLARD'S EUREKA
 Smoking Tobacco is an excellent article of granulated Virginia.
 —Wherever introduced it is universally admired.
 —It is put up in handsome muslin bags, in which orders for Meerschaum Pipes are daily packed.
LORILLARD'S "YACHT CLUB"
 Smoking Tobacco has no superior: being denominated, it cannot injure nervous constitutions, or people of sedentary habits.
 —It is produced from selections of the finest stock, and prepared by a patented and original manner.
 —It is very aromatic, mild, and light weight—hence it will last much longer than others: nor does it burn or sting the tongue, or leave a disagreeable after-taste.
 —Orders for genuine, elegantly carved Meerschaum Pipes, silver mounted, and packed in the neat leather pocket cases, are placed in the Yacht Club brand daily.
LORILLARD'S CENTURY
 Chewing Tobacco.
 —This brand of Fine Cut Chewing Tobacco has no superior anywhere.
 —It is, without doubt, the best chewing tobacco in the country.
LORILLARD'S SNUFFS

 —If your storekeepers does not have these articles for sale, ask him to get them.
 —They are sold by respectable jobbers almost everywhere.

NEW ADVERTISEMENTS
ADDRESS:
 TO THE
NERVOUS AND DEBILITATED,
 WHOSE SUFFERING HAVE BEEN PROTRACTED FROM HIDDEN CAUSES, AND WHOSE CASES REQUIRE PROMPT TREATMENT TO RENDER EXISTENCE DESIRABLE.

If you are suffering or have suffered, from involuntary discharges, what effect does it produce upon your general health? Do you feel weak, debilitated, easily tired? Does a little extra exertion produce palpitation of the heart? Does your liver, or urinary organs, or your kidneys, frequently get out of order? Is your urine sometimes thick, milky or floccy, or is itropy on setting? Or does a thick scum rise to the top? Or is a sediment at the bottom after it has stood awhile? Do you have spells of short breathing or dyspepsia? Are your bowels constipated? Do you have spells of fainting, or rushes of blood to the head? Is your memory impaired? Is your mind constantly dwelling on the subject? Do you feel dull, listless, moping, tired of company, of life? Do you wish to be left alone, to get away from everybody? Does any little thing make you start or jump? Is your sleep broken or restless? Is the lustre of your eye as brilliant? The bloom of your cheek as bright? Do you enjoy yourself in society as well? Do you pursue your business with the same energy? Do you feel as much confidence in yourself? Are your spirits dull and flagging, given to fits of melancholy? If so, do not lay it to your liver or dyspepsia. Have you restless nights? Your back weak, and have but little appetite, and you attribute this to dyspepsia or liver-complaint?

Now, reader, self-abuse, venereal disease badly cured, and sexual excesses, are all capable of producing a weakness of the generative organs. The organs of the generation, when in perfect health, make the man. Did you ever think that those bold, defiant, energetic, persevering business-men are always those whose generative organs are in perfect health? You never hear such men complain of being melancholy, of nervousness, of palpitation of the heart. They are never afraid they cannot succeed in business; they don't become sad and discouraged; they are always polite and pleasant in company of ladies, and look you and them right in the face—none of your downcast looks or any other indications about them. I do not mean those who keep the organs inflated by running to excess. These will not only ruin their constitutions, but also those they do business with or for.

How many men, from badly cured diseases, from the effects of self-abuse and excesses, have brought about that state of weakness in these organs that has reduced the general system so much as to induce almost every other disease—idiotcy, paralysis, spinal affections, suicide, and almost every other form of disease which humanity is heir to—and the real cause of the trouble scarcely recognized one.

DISEASE OF THESE ORGANS REQUIRE THE USE OF A DIURETIC.
HELMBOLD'S FLUID EXTRACT BUCHU

If no treatment is submitted to, consumption or insanity may ensue. Our flesh and blood are supported from these sources, and the health and happiness, and that of Posterity, depends upon prompt use of a reliable remedy.

A SPLENDID PRIZE FOR THE LADIES.
 The finest, most pleasing, and costly engraving ever published in America, to be presented as a premium to each subscriber to
DEMAREST'S MONTHLY,
 a magazine of practical utility in the house, a mirror of the fashions, and a literary conservator of surpassing interest and artistic excellence, acknowledged to be the modern parlor magazine of America.
 The engraving, 28x32 inches, is from the original painting, entitled, "The Pic-Nic on the Fourth of July."
 The painting took a whole year, and is considered the finest of the entire list of numerous popular productions by Lilly M. Spencer. The engraving was the labor of four years, by three eminent artists—John Rodgers, Samuel Halpin, and Samuel Hillyer. The last named having been induced to come from Europe to finish it. The engravers have ably seconded the successful labors of the painter. None but artists can fully appreciate the skill and labor lavished on this engraving. The general effect is very fine and impressive, and the delicate finish to the heads will bear the most minute inspection. The union of line and stipple is executed with unusual ability, and their skillful combination has greatly contributed to the success of the engravers in this unsurpassed proof of their genius.
 They work on the engraving alone cost over seven thousand dollars, besides the cost of the copyright, and is acknowledged by competent judges the most elaborately finished large work of art ever engraved in America.
 Fine copies of this magnificent picture, on heavy plate paper, worth \$10 each, are to be given as a premium to each subscriber to

DEMAREST'S MONTHLY MAGAZINE.
 Yearly subscriptions only Three Dollars, and ten cents (which is to be sent with the subscription), for the postage on the engravings (which will be mailed securely done up in a roller).
 This is certainly the largest, most liberal and splendid premium ever offered to single subscribers by any publisher, and affords an easy and economical way for any one to secure an elegant work of art. A Parlor Picture that is only next to a piano in the way of ornamentation, and a perpetual reminder of a day which ought to be cherished and held in remembrance by every true American.
 The reception of this magnificent picture will take every one by surprise and we do not venture anything in saying that \$10 will not procure another that combines so much of interest and beauty.
 Specimens of the Magazine, with circulars, giving full particulars, will be sent to any given address, post free on receipt of 15 cents.
