GEORGE WALKER,  
Feb. 19 9m.

TO THE WORKING CLASS.—We are now prepared to furnish all classes with constant employment at home, the whole of the time or for the spare moments. Business new, light and profitable. Persons of either sex easily earn from 50c. to \$5 per evening, and a proportional sum by devoting their whole time to the business. Boys and girls earn nearly as much as men. That all who see this notice may send their address, and test the business, we make this unparalleled offer: To such as are not well satisfied, we will send \$1 to pay for the trouble of writing. Full particulars, a valuable sample, which will do to commence work on, and a copy of *The People's Literary Companion*—one of the largest family newspapers published—all sent free by mail. Reader, if you want permanent, profitable work, address E. C. ALLEN & CO., AVONNY MAINE, Feb. 19 9m.

THIS Infallible Remedy does not, like the poisonous irritating snuffs and strong caustic solutions with which the people have long been humbugged, simply palliate for a short time, or drive the disease to the lungs as there is danger of doing in the use of such nostrums, but it produces perfect and permanent cures of the worst cases of Chronic Catarrh, as thousands can testify. Cold in the head is cured with a few applications. Catarrhal Headache is relieved and cured as if by magic. It removes offensive breath, loss or impairment of the sense of taste, snelling or hearing, watering or weak eyes, and impaired memory, when caused by the violence of Catarrh, as they frequently are. I offer in good faith a standing reward of \$500 for a case of Catarrh that I cannot cure.

For sale by most druggists everywhere. Price only 50 cents.

Ask your druggist for the remedy; but if he has not yet got it on sale, don't put it off by accepting any miserable worse than worthless substitute, but enclose sixty cents to me, and the remedy will be sent you postpaid. Four packages \$2, or one dozen for \$22. Send a two cent stamp for Dr. Sage's pamphlet on Catarrh. Address the proprietor,

R. V. PIERCE, M. D.,  
Buffalo, N. Y.

## LORILLARD'S EUREKA

Smoking Tobacco is an excellent article of granulated Virginia.

—Wherever introduced it is universally admired.

—It is put up in handsome muslin bags, in which orders for Meerschaum Pipes are daily packed.

LORILLARD'S "YACHT CLUB"  
Smoking Tobacco has no superior; being deodorized, it cannot injure delicate constitutions, or people of sedentary habits.

—It is produced from selections of the finest stock, and prepared by a patented and original manner.

—It is very aromatic, mild, and light weight—hence it will last much longer than others; nor does it burn or sting the tongue, or leave a disagreeable after-taste.

—Orders for genuine, elegantly carved Meerschaum Pipes, silver mounted, and packed in neat leather pocket cases, are placed in the Yacht Club brand daily.

## LORILLARD'S CENTURY

Chewing Tobacco.

—This brand of Fine Cut Chewing Tobacco has no superior anywhere.

—It is, without doubt, the best chewing tobacco in the country.

LORILLARD'S SNUFF'S  
Have been in general use in the United States over 110 years, and still acknowledged "the best" wherever used.

—If your storekeepers does not have these articles for sale, ask him to get them.

—They are sold by respectable jobbers almost everywhere.

—Circulars mailed on application.

## NEW ADVERTISEMENTS.

### ADDRESS

TO THE

### NERVOUS AND DEBILITATED,

WHOSE SUFFERING HAVE BEEN PRO-

TRACTED FROM HIDDEN CAUSES,

AND WHOSE CASES REQUIRE

### PROMPT TREATMENT

TO RENDER EXISTENCE DESIRABLE.

If you are suffering or have suffered, from involuntary discharges, what effect does it produce upon your general health? Do you feel weak, debilitated, easily tired? Does a little extra exertion produce palpitation of the heart? Does your liver, or urinary organs, or your kidneys, frequently get out of order? Is your urine sometimes thick, milky or floccy, or is itropy on setting? Or does a thick skum rise to the top? Or is a sediment at the bottom after it has stood awhile? Do you have spells of short breathing or dyspnea? Are your bowels constipated? Do you have spells of fainting, or rushes of blood to the head? Is your memory impaired? Is your mind constantly dwelling on the subject? Do you feel dull, listless, morose, tired of company, of life? Do you wish to be left alone, to get away from everybody? Does any little thing make you start or jump? Is your sleep broken or restless? Is the lustre of your eye as brilliant? The bloom of your cheek as bright? Do you enjoy yourself in society as well? Do you pursue your business with the same energy? Do you feel as much confidence in yourself? Are your spirits dull and flagging, given to fits of melancholy? If so, do not lay it to your liver or dyspepsia. Have you restless nights? Your back weak, and have but little appetite, and you attribute this to dyspepsia or liver-complaint?

Now, reader, self-abuse, venereal disease badly cured, and sexual excesses, are all capable of producing a weakness of the generative organs. The organs of the generation, when in perfect health, make the man. Did you ever think that those bold, defiant, energetic, persevering business-men are always those whose generative organs are in perfect health? You never hear such men complain of being melancholy, of nervousness, or palpitation of the heart. They are never afraid they cannot succeed in business; they don't become sad and discouraged; they are always polite and pleasant in company of ladies, and best you and them right in the face—none of your down-cast looks or any other meanness about them. I do not mean those who keep their organs inflated by running to excess. These will not only ruin their constitutions, but also those they do business with or for.

How many men, from badly cured diseases, from the effects of self-abuse and excesses, have brought about that state of weakness in those organs that has reduced the general system so much as to induce almost every other disease—idiotcy, paralysis, spinal affections, suicide, and almost every other form of disease which humanity is heir to—and the best cause of the trouble scarcely ever recognized, and have doctored for all but the right one.
