**A SPLENDID PRIZE FOR THE LADIES.**

The finest, most pleasing, and costly engraving  
 ever published in America, to be presented  
 as a premium to each subscriber to

**DEMAREST'S MONTHLY,**

a magazine of practical utility in the house, a  
 mirror of the fashions, and a literary conser-  
 vator of surpassing interest and artistic excel-  
 lence, acknowledged to be the modern parlor  
 magazine of America.

The engraving, 2 1/2 inches, is from the original  
 painting, entitled, 'The Pic-Nic on the  
 Fourth of July.'

The painting took a whole year, and is con-  
 sidered the finest of the entire list of numerous  
 popular productions by Lili M. Spencer. The  
 engraving was the labor of four years, by  
 three eminent artists—John Rodgers, Samuel  
 Halpin, and Samuel Hollyer. The last named  
 having been induced to come from Europe to  
 finish it. The engravers have ably seconded  
 the successful labors of the painter. None but  
 artists can fully appreciate the skill and labor  
 lavished on this engraving. The general ef-  
 fect is very fine and impressive, and the deli-  
 cate finish to the heads will bear the most  
 minute inspection. The union of line and stipple  
 is executed with unusual ability, and their  
 skilful combination has greatly contributed to  
 the success of the engravers in this unsurpassed  
 proof of their genius.

They work on the engraving alone cost over  
 seven thousand dollars, besides the cost of the  
 copyright, and is acknowledged by competent  
 judges the most elaborately finished large work  
 of art ever engraved in America.

Fine copies of this magnificent picture, on  
 heavy plate paper, worth \$10 each, are to be  
 given as a premium to each subscriber to

**DEMAREST'S MONTHLY MAGAZINE,**

Yearly subscriptions only Three Dollars, and  
 ten cents (which is to be sent with the sub-  
 scription), for the postage on the engravings  
 (which will be mailed securely done up on a  
 roller).

This is certainly the largest, most liberal  
 and splendid premium ever offered to single  
 subscribers by any publisher, and affords an  
 easy and economical way for any one to secure  
 an elegant work of art, a Parlor Picture that  
 is only next to a painting in the way of orna-  
 mentation, and a perpetual reminder of a day  
 which ought to be cherished and held in re-  
 membrance by every true American.

The reception of this magnificent picture  
 will take every one by surprise and we do not  
 venture anything in saying that \$10 will not  
 procure another that combines so much of in-  
 terest and beauty.

Specimens of the Magazine, with circulars,  
 giving full particulars, will be sent to any gov-  
 ernment address, post free on receipt of 15 cents.
