ELECTION passed off quietly here. The leaves are fast falling from the trees reminding us of the approach of winter.

YESTERDAY was a rainy day, and the prospects look good for a flood.

W. C. HEALY has moved the goods from his old store into his new building. The new store is large and commodious, being one of the finest in town.

J. H. WILBUR showed us an apple the other day which weighed thirteen ounces. We call that middling good for a small apple.

LAST Saturday Enoch Barrett caught three mice, in a wire trap, at the same time. Enoch thinks this is middling good for one time, but don't know but it might be bettered.

The old house on the corner of Main and Court streets, recently purchased by J. H. Wilbur, is being repaired, and we notice that Mr. Wilbur is moving his goods into it today.

J. V. HOUK is having a new front put in his store and a new cellar wall put under it, which improves the looks of the building very much.

The Democrat devoted considerable of its space, last week, to abusing the Advocate, and, over the Advocate's shoulder, the people generally. Didst thou not know, Brother Miller, that curses, like chickens, come home to roost.

BASE BALL.—Another Victory for the Alerts.—The tide of victory has at last set in for the Alerts, and their present prospects for holding the championship of the county are very good.

On last Saturday they played the Surprise of Oyster's, and after a splendidly played game came off the winners by a score of 43 to 32. The batting of the Alerts was really fine, but some wild throwing marred their fielding.

The Surprise also did some very good batting, and they would have materially decreased their opponent's score had they done less wild throwing. The day was all that could have been wished for, and the presence of a large crowd of spectators was the result.

We dislike to make mention of the fact that a large number of the betting fraternity were present, and we are glad to learn that some of them were losers. Base ball is a most uncertain game to bet on, and we would like to see less of it.

This being the second game of the series, and each club having won one, a third is necessitated, which will be played at Oyster's on Saturday. Annexed is the score:

Table with columns for Alerts and Surprise, listing scores for various players like Jones, Miller, Cummings, etc.

Alerts: 6, 8, 5, 4, 3, 2, 1. Surprise: 6, 8, 5, 4, 3, 2, 1.

LUTHERAN SERVICES in the Court House next Sunday, morning and evening, by Rev. J. Breunen.

ON Sunday an awful fire broke out in Chicago and raged until Monday night, destroying all the business portion of the city. More than five square miles of the finest buildings in America were swept away by the fire.

The Kansas City Journal of Commerce makes that city one of the wealthiest cities in the west. It claims that, with a population of 35,000, it has a property valuation of 30,000,000, or nearly \$1,000 to each inhabitant, man, woman and child.

No better or more satisfactory investment can be made of so small a sum. Therefore: Insure in the TRAVELERS OF HARTFORD.

J. O. W. BAILEY, Agent. Doring 1870 Philadelphia produced \$10,000,000 worth of carpets, \$5,500,000 worth of prints, \$3,000,000 worth of silks, and other fabrics to the value of \$40,000,000.

A MISTAKE.—"Man wants but little here below, nor wants that little long." is a lie. Man wants everything he can see, and hear of, and never is willing to let go of his grab.

HOOKS AND EYES.

Foot pads—Bunion plasters. Paper cuffs—Newspaper attacks. The great American "ism"—Journalism.

A bad sign—To sign another man's name to a note. Why was Eve not afraid of the meales? Because she'd Adam.

The walnut cork throughout Connecticut will be very large this season. "Clothes laundered by the piece or dozen." Shade of Noah Webster, what next?

To poultry dealers—is there any difference between hen stealing and cock-robbing? It is astonishing how bankers prosper so well, they encounter so many checks.

The height of Sabbatarianism—Finding a bank-note on the pavement on a Sunday, and declining to pick it up.

Female pickpockets all wear the convenient Arab shawls. They fold their shawls like the Arabs, and silently steal away.

"Not a spark of the milk of human kindness about him." was the way a nervous Sunday school teacher mixed his rhetoric.

A Louisville domestic responded to the impertinence of a gaily dressed stranger by carousing his nose with a broomstick.

Josh Billings says: "Never do any work before breakfast. If it is necessary to work before breakfast, have your breakfast first."

A sensitive old bachelor says that pretty girls always affect him just as ornamental confectionary does—they give him the heartburn.

A local editor assures the kind lady who sent him a mince-pie, with the request to "please insert" that such articles are never crowded out by a press of other matter.

Beauty in a modest woman is like fire or a sharp sword at a distance; neither doth the one burn nor the other wound those that are not too close to them.

ONE MILLION OF LIVES SAVED!

It is one of the most remarkable facts of this remarkable age, not that so many persons are the victims of dyspepsia or indigestion, but its willing victims. Now, one regard dyspepsia with favor, or feels disposed to rank it among the luxuries of life. Far from it. Those who have experienced its torments would scold such an idea. All dread it, and would gladly dispense with its unpleasant familiarities.

Mark Tapley, who was jolly under all the trying circumstances in which he was placed, never had an attack of dyspepsia, or his jollity would have speedily forsaken him.

Of all the multifarious diseases to which the human system is liable, there is perhaps no one so generally prevalent as dyspepsia. There are diseases more acute and painful, and which more frequently prove fatal, but none so common, or so distressing to the mind and so positively distressing to the body. If there is a wretched being in the world it is.

A CONFIRMED DYSPYPTIC. We have said that dyspepsia is perhaps the most universal of human diseases. This is emphatically the case in the United States. Whether this general prevalence is due to the character of the food the method of its preparation, or the hasty manner in which it is usually swallowed, we do not propose to explain. The great fact with which we are called to deal is this: DYSPYPTIA PREVAILS almost universally.

Nearly every other person you meet is a victim of an apparently willing one; this is not the case, why so many sufferers, when a certain, speedy and safe remedy is within the easy reach of all who will avail themselves of it? But says a dyspeptic: "What is this remedy to which you refer?" This great alleviator of human suffering is almost as widely known as the English language. It has allayed the agonies of thousands, and is to-day carrying comfort and encouragement to thousands more. This acknowledged panacea is none other than DR. HOOFLAND'S GERMAN BITTERS.

Would you know more of the merits of this wonderful preparation than can be learned from the experience of others? Try yourself, and when it has failed to fulfill the assurance of efficacy given by the proprietor, then abandon faith in it. LET IT BE REMEMBERED.

DR. FAIRVEY'S COLICATED BLOOD CLEANSER OR PANACEA. It is a reward of One Thousand Dollars will be paid to any physician who will produce a medicine that will supply the wants of the people better than the article known as DR. FAIRVEY'S Colicated Blood Cleanser or Panacea.

It must be a better Cathartic, a better Alternative, a better Sudorific, a better Diuretic, a better Tonic, and in every way better than the Pan-a-cœa. No matter how long it has been in use or how lately discovered. Above all it must not contain anything NOT PURELY VEGETABLE.

\$1,000 REWARD! A reward of Five Hundred Dollars will be paid for a medicine that will permanently cure more cases of Constipation, Sick or Nervous Headache, Liver Complaint, Bilious Disorders, Jaundice, Rheumatism, Gout, Dyspepsia, Chills and Fever, Tape Worms, Boils, Loins, Side and Head and Female Complaint than any other popular medicine known.

DR. FAIRVEY'S BLOOD CLEANSER OR PANACEA, which is used more extensively by practicing physicians than any other popular medicine known.

BURLINGTON.

Leaving the East and arriving at Chicago or Indianapolis, how shall we reach the West? The best line is acknowledged to be the C., B. & Q., joined together with the B. & M. Railroad by the Iron Bridge at Burlington, and called the Burlington Route.

The Main lines of the Route running to Omaha, connects with the great Pacific Route, and forms to-day the leading route to California. The Middle Branch, entering Nebraska at Plattsmouth, passes through Lincoln, the State Capital, and will this year be finished to Fort Kearney, forming the shortest route across the Continent by over 100 miles.

Another branch of the B. M., diverging at Red Oak, falls into a line running down the Missouri through St. Joe to Kansas City, and all Kansas.

Passengers by this route to Kansas, see Illinois, Southern Iowa, and Missouri, and, by a slight divergence, can see Nebraska also.

Lovers of fine views should remember the Burlington Route, for its towns "high-gleaming from afar"—its tree-fringed streams—its rough bluffs and quarries—its corn-oceans stretching over the prairies further than the eye can reach.

Land-buyers will be sure to remember it, for they have friends among the two thousand who have already bought farms from Geo. S. Harris, the Land Commissioner of the B. & M. R. R. at Burlington, Iowa, or among the four thousand home-steaders and pre-emptors who last year filed claims in the Lincoln land office, where "Uncle Sam is rich enough to give us all a farm."
