----Proclamation by the Governor.

EXECUTIVE OFFICE. Harrisburg, Oat. 11, 1871. Pollow Citizens of Pennsylvania:-A calamity without parallel in the history of our country has befallen the mosperous and beautiful city of Chicago. Store than half of that great city, whose mutchless enterprise and growth had made it at once the metropolis of our Heirs. 23 January term 1871. own Northwest and the wonder of the civilized world, now lies in ashes. On the verge of winter, one hundred thouand ther people find themselves homeless and destitute of food and clothing. While the hearts of the American people are protoundedly moved in contemplating the situation of the sufferers, and means of relief are halve provided in every section of the muntry, I am confident that you will not permit yourselves to be excelled apon an occasion which so imperatively calls for the exercise of fraternal sym-

rathy and Christian generosity. The residents of the unfortunate city, whose property has escaped destruction, will no doubt promptly hasten to the rescue, and exert themselves with even nore than their characteristic liberality and munificence. But their utmost enleavors will be totally inadequate to the lemands of the dreadful exigency. You -the people of Ponnsylvania-were ever more prosperous in business, nor pleast with greater abundance than at the present moment. Let your own merciiul exemption from suffering, therefore, and the rich blessings with which a bountiful Providence has endowed you, plead with you effectually in behalf of your most unfortunate countryman.

The Pennsylvania railroad company kindly offers the facilities of their road. free of charge, for the transportation of all such supplies as are needed for the relief of the sufferers; and, acting in the same spirit, I anticipate with grateful gleasure an appropaiate response from overy city and town and home in this G. George. ravored Commonwealth.

HAIR HAIR RENEWER. Every year increases the popularity of this valuable Hair Preparation, which is due to merit We can assure our old alone. patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR-DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its together with Sixteen Fine Steel Plates, intended purposes."
