

Elk County Advocate.

HENRY A. PARSONS, JR., Editor.

THURSDAY, JANUARY 18, 1872.

There is a curious coincidence in the deaths of New York, Pennsylvania and Massachusetts. That of New York is \$20,482,702; that of Massachusetts \$20,699,354; while that of Pennsylvania is reported as "nearly \$20,000,000."

Frank's brain weighed fifty-eight ounces. Daniel Webster's weighed but fifty-three ounces and a half. The great Currier had sixty-four ounces and a half, while Professor Abernethy possessed thirty-three. Rufus, the murderer, who was executed at Binghampton last spring, had fifty-nine ounces of brain.

STOKES INDICTED.—The New York Star of the 15th inst., says, "Stokes was indicted on Saturday. The chain of evidence was so complete that the jury didn't debate the matter five minutes, but found a bill at once. Now let him be tried as soon as decency and the highest regard of the prisoner's rights will permit." There is evidently a feeling in New York favorable to hanging Stokes, but if we can credit reports of his own opinion on that interesting question, the prisoner does not seem to be very apprehensive of such a result.—[Harrisburg Telegraph.]

LET HER CRY.—Not long since an agriculturalist in this vicinity bargained his farm to a gentleman engaged in a similar occupation for a sum not exceeding \$1,000. The purchaser went away with the understanding that the papers were to be signed and the money paid at a certain fixed time when he would return for that purpose. In the meantime the agriculturalist's better half took to grief and refused to be comforted. She would not eat and could not sleep. In fact, she was opposed to selling out. The day and the purchaser arrived, when our rural friend informed him that his wife was in hysterics about the trade, and he guessed he would back out. "But," says the purchaser, "I have come a long distance, want the farm and must leave it. How much more would you like to sell?" "Well," says the agriculturalist, "give me \$250 more and let her cry!"—[Nashua Telegraph.]

The Erie Railway consumes \$16,350,000 feet of lumber a year. A lady was lately lugged to death in Boston—another illustration of the power of the press. Attention is being directed in different parts of the State to the dangerous condition now used to adulterate milk. There is a delightful rumor that the adhesive matter on postage stamps is decreed to be favored with vanilla for color, wintergreen for taste, chocolate for three, etc.

1872.

THE PITTSBURG DISPATCH.

Families wishing a first-class daily paper should by all means subscribe for the Pittsburgh Daily Dispatch, one of the largest, liveliest and cheapest papers in the United States. The Dispatch has been established over a quarter of a century; it is independent in politics, advocating always the truest measures which promise the greatest benefit to the people. The paper contains all the news of the day, and is published every day, embracing the latest news by telegraph, the most reliable market reports, the latest cable telegrams, the latest legislative reports, the fullest local reports, with all the news by mail, including the most interesting personal and political items, full telegraphic market reports from all points of importance, East and West, and much other matter of an entertaining and instructive character. The Dispatch is furnished by mail at \$8.00 a year, or may be had from our agents in any town or village within one hundred and fifty miles of Pittsburgh at fifteen cents a week.

To those wishing a good and reliable city weekly we would recommend the Weekly Dispatch, one of the handiest, cheapest and most reliable weeklies published. The Weekly Dispatch gives thirty-six columns of matter, printed in clear large type, and is one of the handiest, as it has long been one of the cheapest, if not the cheapest, weeklies in the country. It contains all the latest news of the day—political, commercial and general—and as an entertaining and acceptable family newspaper is not exceeded by any journal in the State. The Weekly Dispatch is furnished to single subscribers at \$1.50 a year, or in clubs of ten to one address at \$15.00 each, with a free paper to the party getting up the club. Subscribers may remit by mail either in money or by postoffice order, which is the safer mode. Postmasters receiving subscriptions for the Dispatch, either Daily or Weekly, are authorized to retain twenty per cent. on published rates for single subscribers, or ten per cent. on our club rates. Address: O'NEILL & ROOK, Publishers of Daily and Weekly Dispatch, (Dispatch Building), 67 and 69 Fifth Avenue, Pittsburgh, Pa.

ONE MILLION OF LIVES SAVED.

It is one of the most remarkable facts of this remarkable age, not that so many persons are the victims of dyspepsia or indigestion, but that they are cured. Now we would not be understood to say that any one regards dyspepsia with favor, or feels disposed to rank it among the luxuries of life. Far from it. Those who have experienced its torments would scout such an idea. It is dreadfully, and would gladly dispense with its unpleasant familiarities. Mark Tapley, who was jolly under all the trying circumstances in which he was placed, never had an attack of dyspepsia, or his jollity would have speedily forsaken him.

Of all the multifarious diseases to which the human system is liable, there is perhaps no one so generally prevalent as dyspepsia. There are dyspepsia, gastritis and indigestion, and which more frequently prove fatal, but none the effects of which are so depressing to the mind and so positively distressing to the body. If there is a wretched being in the world, it is one who suffers from dyspepsia.

A CONFIRMED DYSPETIC. We have said that dyspepsia is perhaps the most universal of human diseases. This is emphatically the case in the United States. Whether this general prevalence is due to the character of the food, the method of its preparation, or the busy manner in which it is usually swallowed, is not our province to explain. The great feat with which we are called to deal is this: DYSPETIC PREVAILS almost universally. Nearly every other person you meet is a victim, an apparently willing one; were this not the case, why so many sufferers, when a certain amount of satisfaction is within their grasp, do not accept it?

HOOFLAND'S GERMAN BITTERS. Would you know more of the merits of this wonderful preparation than can be learned from the experience of others? Try it yourself, and when it has failed to fulfil the assurance of its efficacy given by the proprietors, then abandon faith in it. LET IT BE REMEMBERED. First of all, that HOOFLAND'S GERMAN BITTERS is a pure beverage. They are composed wholly of the purest and most valuable medicinal ingredients, and are compounded and prepared by one of the ablest German chemists. Their effects can be beneficial in all cases of the bilious system. Hoofland's German Bitters is a powerful tonic, and acts directly and vigorously upon the liver; they relieve its torpidity and cause healthful secretion of bile—thence supplying the stomach with the most indispensable element of sound digestion in proper proportion.

HOOFLAND'S TONIC

acts with almost marvelous effect. It not only stimulates the flagging and wasting energies, but invigorates and permanently strengthens its action upon the Liver and Stomach, perhaps less known than the Bitters, when the same quantity is taken is none the less certain. Indigestion, Biliousness, Physical or Nervous prostration, yield readily to its potent influence. It gives the invalid a new and stronger hold upon life, removes depression of spirits, and inspires cheerfulness. But Dr. Hoofland's benefactions to the human race are not confined to his celebrated GERMAN BITTERS, or his invaluable Tonic. He has prepared another medicine which is rapidly winning its way to popular favor because of its intrinsic merits. This is HOOFLAND'S PODOPHYLLIN PILLS, a perfect substitute for mercury without any of mercury's evil qualities.

These Beneficial Pills, which are intended to act upon the Liver, are mainly composed of Podophyllin, or the vital principle of the mandrake root. It is the medicinal virtues of this health-giving plant in a perfectly pure and highly concentrated form. The Podophyllin acts directly on the Liver, stimulating its functions and causing it to excrete its bilious secretions in regular and proper quantities. The injurious results which invariably follow the use of mercury are entirely avoided by these pills. But it is not upon the Liver only that their powers are exerted. The extract of Mandrake contained in them is skillfully combined with four other extracts, one of which acts upon the stomach, another upon the bowels, one upon the lungs, bowels, and prevents any griping effect, thus producing a pill that influences the entire digestive and alimentary system, in an equal and harmonious manner, and its action entirely free from nausea, vomiting or griping pains common to all other purgatives.

These pills are in all leading cases, gent's and ladies sizes, and guaranteed for time and wear by special certificate. Also elegant designs of gent's and ladies chains from \$1 to \$4, and jewelry of all kinds. Goods sent C. O. D.—Customers permitted to examine what they order before paying bill, on payment of express charges. When six watches are ordered at one time we will send an extra watch of the same quality free. For further particulars send for circular. Address: JAMES ORRARD & CO., 85 Nassau Street, New York, P. O. Box 3,361 Nov. 30, 1872—v1n37m6.

RAILROADS.

PHILADELPHIA & ERIE RAILROAD WINTER TIME TABLE. Monday after MONDAY, Nov. 20th, 1871. The trains on the Philadelphia & Erie Railroad will run as follows: WESTWARD. Mail Train leaves Philadelphia... 6:20 p.m. ... arrives at Erie... 9:57 a.m. ... leaves Erie... 12:30 p.m. ... arrives at Philadelphia... 2:35 a.m. ... leaves Philadelphia... 4:00 a.m. ... arrives at Erie... 7:00 p.m. ... leaves Erie... 9:30 p.m. EASTWARD. Mail Train leaves Erie... 11:25 a.m. ... arrives at Philadelphia... 4:55 p.m. ... leaves Philadelphia... 6:30 a.m. ... arrives at Erie... 9:00 p.m. ... leaves Erie... 11:30 p.m. ... arrives at
