It is one of the most remarkable facts of this remarkable age, not that so many persons are the victims of dyspepsia or indigestion, but its willing victims. Now, we would not be understood to say that any one regards dyspepsia with favor, or feels tion," by the celebrated author. Die Lewis. This justly popular writer and lecturer on health has done good service to humanity be health has done good service to humanity by his efforts to promote physical education, and we gladly welcome anything from his pen. We learn from the preface of the book before us that the author considers it his most important work, and we entirely agree with him. In fact we believe there disposed to rank it among the luxuries of life. Far from it. Those who have ex-perienced its torments would scout such an idea. All dread it, and would gladly dispense with its unpleasant familiarities. Mark Tapley, who was jolly under all the has long been a need for just such a book as our "Jolly Friend's Secret," and feel sure that the information it contains is trying circumstances in which he was placed, never had an attack of dyspepsia,

temperance in eating as well as drinking, of simplicity in dict, of proper attention to

digestion for its prime cause, and dyspepsia may also be considered a national failing. How easily this can be overcome our author clearly shows in his usual felicitous, chatty, home-like style. The doctor talks right to the heads and hearts of the whole people—rich and poor alike—and this is the secret of his great popularity. The simple reading of one of Dio Lewis' books will dispel a fit of "the blues." "Our Digestion" is simply invaluable, and "Our Jolly Friend's Secret." which means long life. and close on the Fourth of July, will surpass anything of the kind in numbers, show and music, that has ever taken place. The immense building, in which place. The immense building, in which many times the price asked for the volume. This book ought to supersede Buchan's and every other "Domestic Medicine" as a heavesheld work for the volume. This great allevator of human suffering is almost as widely known as the when a certain, speedy and safe remedy i reply: This great allevator of human suffering is almost as widely known as the English language. This acknowledged panacea is considerable extent, in a majority of cases. The book is issued in splendid style, and contains a striking portrait of the author.

none other than Dr. HOOFLAND'S GERMAN BITTERS Would you know more of the merits of sale and lasting popularity, and for the benefit of all those who may wish to secure an agency, we give the address of the pub-lisher in full: George Maclean, 733 Sanson this wonderful preparation than can be learned from the experience of others? Try it yourself, and when it has failed to fulfil the assurance of its efficacy given by the proprietor, then abandon faith in it.

LET IT BE REAEMBERED, first of all, that HOOFLAND'S GERMAN BITTERS is 20 arum beverage.

They are composed wholly of the pure juice or vital principle of roots. This is not a mere assertion. The extracts from which they are compounded are prepared by one of the ablest of German chemists. Their one of the ablest of German chemists. Their effects can be beneficial only in all cases of the billiary system. Hoofland's German Bitters stand without an equal, acting promptly and vigorously upon the liver; they remove its torpidity and cause healthful secretion of bile—thereby supplying the stomach with the most indispensable elements of sound digestion in proper proportions.

They purify the blood, cleansing the vital fluid of all hurtful impurities and suplanting them with the elements of genuine

Now, there are certain classes of persons to whom extreme Bitters are not only unpulatable, but who find it impossible to take them without positive discomfort. For such Dr. HOOFLAND'S GERMAN TONIC In the Court of has been specially prepared. It is intended for use where a slight alcoholic stimulant is required in connection with the well-known Tonic properties of the pure Ger-

man Bitters. HOOFLAND'S TONIC acts with almost marvelous effect. It not only stimulates the flagging and wasting energies, but invigorates and permanently strengthens its action upon the Liver and Stomach thorough, perhaps less prompt than the Bitters, when the same quantity is taken is none the less certain. Indigestion, Billiousness relatify to its potent influence. It gives the invalid a new and stronger hold upon life, removes de-pression of spirit, and inspires cheerful-Geo. A. Rathbun, plaintiff's attorney, the ness. But Dr. Hoofland's benefactions to the human race are not confined to his celebrated GERMAN BITTERS, or his invaluable Toxic. He has prepared another medicine, which is rapidly winning its way to popular favor because of its in trinsic metits. This is HOOFLAND'S PODOPHYLLIN PILLS, a perfect substi-

tute for mercury without any of mercury's evil qualities. These wonderful Pills, which are Intended to act upon the Liver, are mainly com-posed of Podophyllin, or the vital principle of the mandrake root. It is the medi-cinal virtues of this health-giving plant in canal virtues of this health-giving plant in a perfectly pure and highly concentrated form. The Podophyllin acts directly on the Liver, stimulating its functions and causing it to make its billiary secretions in regular and proper quantities. The injurious results which invariably follow the use of mercury is entirely avoided by their use. But it is not upon the Liver only that their powers are exerted. The extract of Mandrake contained in them is skillfully combined with four other extracts, one of which acts upon the stomach. one upon the upper bowels, one upon the lower bowels, and prevents any griping effect, thus producing a pill that influences the entire digestive and alimen ary system. in an equal and harmonious manner, and its action entirely tree from nausea, vomiting or griping pains common to all other

purgatives. Possessing these much desirable qualities the Podophyllin becomes invaluable as a FAMILY MEDICINE.

No household should be without them. They are perfectly safe, require but two for an ordinary dose, are prompt and efficient in action, and when used in connection with Dr. Hoofland's German Bitters, or Tonic, may be regarded as certain spe cifics in all cases of Liver Complaint, Dys pepsia, or any of the disorders to which

the system is ordidarly subject. The PODOPHYLLIN PILLS act upon the stomach and bowels, carrying off improper obstructions, while the Bitters or Tonic purify the blood, strengthen and invigorate the frame, give tone and appe-tite to the stomach, and thus build up the invalid anew.
Dr. Hoofland, having provided internal

remedies for disease, has given the world one mainly for external applicati n, in the wonderful preparation known as
Ds. HOOFLAND'S GREEK OIL. This Oil is a sovereign remedy for pains

and aches of all kinds. Rheumatism, Neuralgia, Toothache, Chiltlains, Sprains, Burns, Pain in the Back and Loins, Ringworms, etc., etc., all yield to its external application. Taken internally, it is a cure for Heartburns, Kidney Diseases, Sick Headaches, Colic, Dysentery, Cholera Morbus, Cramps,
