ONE MILLION OF LIVES SAVED. It is one of the most remarkable facts of this remarkable age, not that so many persons are the victims of dyspepsia or indigestion, but its willing victims. Now, we would not be understood to say that any one regards dyspepsia with favor, or feels disposed to rank it among the luxuries of life.

OF all the multifarious diseases to which the human system is liable, there is perhaps no one so generally prevalent as dyspepsia. It is a disease more acute and painful, and which more frequently prove fatal, than the effects of which are so depressing to the mind and so positively distressing to the body.

WE have said that dyspepsia is perhaps the most universal of human diseases. This is emphatically the case in the United States. Whether this general prevalence is due to the character of the food, the method of its preparation, or the hasty manner in which it is usually swallowed, is not our province to explain.

DYSPEPSIA PREVAILS almost universally. Nearly every other person you meet is a victim, an apparently willing one; were this not the case, why so many sufferers, in a certain, speedy and safe remedy will avail themselves of it? But says a dyspeptic: What is this remedy? To which we reply: This great alleviator of human suffering is almost as widely known as the English language.

It has allayed the agonies of thousands and is daily carrying off the most eminent of our contemporaries. This acknowledged panacea is none other than DR. HOOPLAND'S GERMAN BITTERS.

Would you know more of the merits of this wonderful preparation than can be learned from the experience of others? Try it yourself, and when it has failed to fulfil the assurance of its efficacy given by the proprietor, then abandon faith in it.

LET IT BE REMEMBERED, that all who are afflicted with the BILLY'S SYSTEM, HOOPLAND'S GERMAN BITTERS is a rum beverage.

They are composed wholly of the pure juice or vital principle of roots. This is not a mere assertion. The extracts from which they are compounded are prepared by one of the ablest of German chemists. Their effects are beneficial only in all cases of the bilious system.

HOOPLAND'S TONIC acts with almost marvellous effect. It not only stimulates the flagging and wasting energies, but invigorates and permanently strengthens its action upon the Liver and Stomach.

It purifies the blood, cleansing the vital fluid of all harmful impurities and supplanting them with the elements of genuine healthiness.

Now, there are certain classes of persons to whom extreme Bitters are not only unpalatable, but who find it impossible to take them without positive discomfort. For such Dr. HOOPLAND'S GERMAN TONIC has been specially prepared.

It is intended for use in all cases of indigestion, biliousness, physical or nervous prostration, yield readily to its potent influence. It gives the invalid a new and stronger hold upon life, removes depression of spirit, dispels his cheerfulness.

These wonderful Pills, which are intended to act upon the Liver, are mainly composed of the Podophyllin, or the vital principle of the mandrake root.

It is the medicinal virtues of this health-giving plant in a perfectly pure and highly concentrated form. The Podophyllin acts directly on the Liver, stimulating its functions and causing it to secrete its bilious secretions in regular and proper quantities.

The medicinal results which invariably follow the use of mercury is entirely avoided by their use. But it is not upon the Liver only that their powers are exerted.

They are perfectly safe, require but two for an ordinary dose, are prompt and efficient in action, and when used in connection with Dr. Hoopland's German Bitters, or Tonic, may be regarded as certain specifics in all cases of Liver Complaint, Dyspepsia, or any of the disorders to which the system is ordinarily subject.

PODOPHYLLIN PILLS act upon the stomach and bowels, carrying off impure obstructions, while the Bitters or Tonic purify the blood, strengthen and invigorate the frame, give tone and appetite to the stomach, and thus build up the invalid anew.

Dr. Hoopland, having provided internal remedies for disease, has also provided the one mainly for external application, in the wonderful preparation known as DA. HOOPLAND'S GREEK OIL.

This Oil is a sovereign remedy for pains and aches of all kinds.

It is used in Rheumatism, Toothache, Chilblains, Sprains, Burns, Pain in the Back and Loins, Ringworms, etc., etc., all yield to its external application.

Taken internally, it is a cure for Heartburns, Kidney Diseases, Sick Headaches, Colic, Dysentery, Cholera Morbus, Cramps, Pains in the Stomach, Colds, Asthma, etc.

These remedies will be sent by express to any locality, upon application to the PRINCIPAL OFFICE at the GERMAN MEDICINE STORE, No. 631 ARCH ST., PHILADELPHIA.

Ayer's Hair Vigor, For restoring to Gray Hair its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. It soon restores faded or gray hair to its original color, with the gloss and freshness of youth.

Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimulated to activity, so that a new growth of hair is produced.

Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. The restoration of vitality it gives to the scalp arrests and prevents the formation of dandruff, which is often so uncleanly and offensive. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it.

If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre, and a grateful perfume.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass.

HALL'S VEGETABLE SILLIAN HAIR RENEWER.

Every year increases the popularity of this valuable Hair Preparation, which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY or FADING HAIR to its youthful color, making it soft, lustrous, and silken.

The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair
