Elk Lodge, A. Y. M.

Stated meetings of Elk Lodge will be held at their hall on the second and fourth Tuesdays of each month.
G. L. McCracken, Sec'y.

Temple of Honor and Temperance.

Elkton Temple No. 81, meets on each alternate Thursday, at their Lodge Room, on Main street, over J. V. Houk's store.
S. A. ROTE, W. R.

The central Grant and Willson club of Elk county meets at the Court House in Ridgway, every alternate Thursday, at 8 o'clock p. m. Next meeting Sept. 26.

DIED—At Portland Mills Friday 13th inst., Mary, infant daughter of Thomas and S. M. Meyers aged 7 months and 8 days.

Prof. I. Crowther, now instructing the Ridgway Cornet Band, will give lessons on the Piano Forte and Organ. Those wishing for instructions can leave orders at the residence of John Van Orsdall.

FOUND DEAD—Ephraim Shaw for many years a resident of this place was found dead Monday 23 inst. The time of Mr. Shaw's death no one knows, on Sunday however he was alive. An inquest was held over the body by Chas. Mead J. P. The finding of the Jury was, that the deceased came to his death from natural causes.

GRAND RALLY.

The Republicans of Elk county are again called upon to meet in mass meeting on Saturday afternoon and evening Oct. 5, at the Court House in Ridgway. Gen J. F. Manning of New York and Col Clark E. Carr of Illinois will address the meeting. Both of these gentlemen take rank among the first-class speakers of our country on any subject or occasion, we may therefore expect a rare treat to the speakers of the day. Republican speakers are not under the necessity of falsifying, or giving a false gloss to their statements, they have but to state the facts as they are and the people receive them and act accordingly.

On Saturday evening the Grant and Wilson club of St. Mary's held a meeting at their Hall, which was filled to overflowing—Speeches were made by the following gentlemen.

Major Behle of Chicago addressed the meeting in German—Judge Souther followed in his usual happy style, making an effective speech, which was warmly received, eliciting hearty applause throughout.

W. W. Wilber and Hon. C. W. Stone of Warren next followed with stirring speeches, then the meeting adjourned with three hearty cheers for Grant and Wilson and the whole ticket. The whole affair was a decided success.

The Buckalew party appointed a meeting to come off on the same evening with ours which seemed to have waned, fizzled and collapsed at an early hour.

CONVENTION.

The delegates from the several counties composing this representative district viz Cameron, Elk, and Jefferson met in convention in room 35 Hyde House Ridgway Tuesday 24 inst. The counties were fully represented.

The convention was organized by the election of Isaac M. Temple chairman and W. T. Rtebert and B. W. Green, Secretaries. The nomination of W. H. Newcome of Jefferson county was made by acclamation, when the convention adjourned without day.

Mr. Newcome is a practical business man and is well and favorably known throughout the entire district. The nomination of Mr. Newcome, like most of the nominations made by the Republican party is a good one. There is no better man for the place in the district. There is, or can be but little doubt of the election of Mr. Newcome to the post.

Let every Republican be at his place, the polls, on election day, voting a clean ticket and victory is again on the side of right. The triumph of the Republican party is the triumph of the working men in every branch of industry.

HOW TO GO WEST.

This is an inquiry which every one should have truthfully answered before he starts on his journey, and a little care taken in examination of Routes will in many cases save much trouble, time and money.
The "C. B. & Q. R. R.," running from Chicago, through Galesburg to Burlington, and the "I. B. & W. Route," running from Indianapolis, through Bloomington to Burlington, have achieved a splendid reputation in the last two years as the leading Passengers Routes to the West. At Burlington they connect with the B. & M. R. and run to the great Burlington Road, which runs direct through Southern Iowa to Nebraska and Kansas, with close connections to California and the Territories; and passengers starting from Elk County, on their way westward, cannot do better than to take the BURLINGTON ROUTE.
This fine has published a pamphlet called "How to go West," which contains much valuable information; a large correct map of the Great West, which can be obtained free of charge by addressing the General Passenger Agent B. & M. R. R. Burlington, Iowa. 2-221f

ONE MILLION OF LIVES SAVED.

Is one of the most remarkable facts of this remarkable age, not that so many persons are the victims of dyspepsia of indigestion, but its willing victims. How we would not be understood to say that any one regards dyspepsia with favor, or feels disposed to rank it among the luxuries of life. Far from it. Those who have experienced its torments would soon such an idea. All dread it, and would gladly dispense with its unpleasant familiarities. Mark Tapley, who was jolly under all the trying circumstances in which he was placed, never had an attack of dyspepsia, or his jollity would have speedily forsaken him.

Of all the multifarious diseases to which the human system is liable, there is perhaps no one so generally prevalent as dyspepsia. There are diseases more acute and painful, and which more frequently prove fatal, but none the effects of which are so depressing to the mind and so positively distressing to the body. If there is a wretched being in the world it is

A CONFIRMED DYSPETIC. We have said that dyspepsia is perhaps the most universal of human diseases. This is emphatically the case in the United States. Whether this general prevalence is due to the character of the food, the method of its preparation, or the hasty manner in which it is usually swallowed, is not our province to explain. The great fact with which we are called to deal is this: DYSPETIC PREVAILS almost universally.

Nearly every other person you meet is a victim, an apparently willing one; were this not the case, why so many sufferers, when a certain, speedy and safe remedy is within the easy reach of all who will avail themselves of it? But say a dyspeptic: What is this remedy? to which we reply: This great alleviator of human suffering is almost as widely known as the English language. It has allowed the agonies of thousands, and is to-day crying comfort and encouragement to thousands of others. This acknowledged panacea is none other than

DR. HOOFLAND'S GERMAN BITTERS. Would you know more of the merits of this wonderful preparation than can be learned from the experience of others? Try it yourself, and when it has failed to fulfil the assurance of its efficacy, given by the proprietor, then abandon faith in it. LET IT BE RESEMBLED.

first of all, that HOOFLAND'S GERMAN BITTERS is a pure beverage. It is composed wholly of the pure juice or vital principle of roots and herbs. This is not a mere assertion. The extracts from which they are compounded are prepared by one of the ablest of German chemists. Their effects can be beneficial only in all cases of the bilious system. Hooiland's German Bitters stand without an equal, acting promptly and vigorously upon the liver; they remove its torpidity and cause healthful secretion of bile—thereby supplying the stomach with the most indispensable element of sound digestion in proper proportions.

They purify the blood, cleansing the vital fluid of all harmful impurities and supplanting them with the elements of genuine healthfulness. Now, there are certain classes of persons to whom extreme Bitters are not only unpalatable, but who find it impossible to take them without positive discomfort. For such Dr. HOOFLAND'S GERMAN TONIC has been especially prepared. It is intended for use where a mild, agreeable, and safe remedy is required in connection with the well-known Tonic properties of the pure German Bitters.

HOOFLAND'S TONIC acts with almost marvelous effect. It not only stimulates the flagging and wasting energies, but invigorates and permanently strengthens its action upon the Liver and Stomach. It is so prepared that its promptness in its action is not only prompt than the Bitters, when the same quantity is taken is none the less certain. Indigestion, Bilioousness, Physical or Nervous prostration, yield readily to its potent influence. It gives the invalid a new and stronger hold upon life, removes depression of spirit, and inspires cheerfulness. But Dr. Hooiland's beneficence to the human race are not confined to his celebrated GERMAN BITTERS, or his invaluable Tonic. He has prepared another medicine which is rapidly winning its way to popular favor. It is HOOFLAND'S PODOPHYLLIN PILLS, a perfect substitute for mercury without any of mercury's evil qualities.

These wonderful Pills, which are intended to act upon the Liver, are mainly composed of Podophyllin, or the vital principle of the mandrake root. It is the medicinal virtues of this health-giving plant in a perfectly pure and highly concentrated form. The Podophyllin acts directly on the Liver, stimulating its functions and causing it to make its bilious secretions in regular and proper quantities. The injurious results which invariably follow the use of mercury is entirely avoided by their use. But it is not upon the Liver only that their powers are exerted. The extract of Mandrake contained in them is skillfully combined with four other extracts, one of which acts upon the stomach, one upon the upper bowels, one upon the lower bowels, and prevents any gripping the entire digestive and alimentary system in an equal and harmonious manner, and its action entirely free from nausea, vomiting or gripping pains common to all other purgatives.

Possessing these much desirable qualities the Podophyllin becomes invaluable as a FAMILY MEDICINE. No household should be without them. They are perfectly safe, require but one for an ordinary dose, are prompt and efficient in action, and when used in connection with Dr. Hooiland's German Bitters, or Tonic, may be regarded as certain specifics in all cases of Liver Complaint, Dyspepsia, or any of the Disorders to which the system is ordinarily subject. The PODOPHYLLIN PILLS act upon the stomach and bowels, carrying off improper obstructions, while the Bitters or Tonic purify the blood, strengthen and invigorate the frame, give tone to the appetite to the stomach, and thus build up the invalid anew.

Dr. Hooiland, having provided internal remedies for disease, has given the world one mainly for external application, in the wonderful preparation known as the DR. HOOFLAND'S GREEK OIL. This Oil is a sovereign remedy for pains and aches of all kinds.

Rheumatism, Neuralgia, Toothache, Chills, Sprains, Burns, Pain in the Back and Loins, Ringworms, etc., etc., all yield to its external application. Taken internally, it is a cure for Heartburns, Kidney Diseases, Sick Headaches, Colic, Dysentery, Cholera Morbus, Cramps, Pains in the Stomach, Colds, Ac'hms, etc.

These remedies will be sent by express to any locality, upon application to the PRINCIPAL OFFICE, at the GERMAN MEDICINE STORE, No. 631 ARCH ST., PHILADELPHIA.

CHAS. M. EVANS, Proprietor. Formerly C. M. JACKSON & CO. These Remedies are for sale by Druggists, Storekeepers, and Medicine Dealers every where. n2317f
