Probably \$25,-600,000 more is invested in trasportation, and the total of all interests dependent upon the coal-fields cannot fall short of the enormus sum of \$100,000,- R. WILCOX HOTEL .- This excellent Hotel in the village of Wilcox is so well Quarter Sessions of Eik County (the known to our citizens as a first class and day, in January being the 13th house, that a word from us would seem the unnecessary, yet we would just say that Captain Clevelan 1 the proprietor, is as usual on hand sparing no pains to make guests not only comfortable, but pleasantly situated during their sojourn.

WE learn from the Warren Leager that one of the most extensive fires that has occurred in any of the villages of Warren Co., for some time past, took place at Sugar Grove, Saturday nights Nov. 30th; destroying all the business portion of the place and some dwellings. The loss is from \$30,000 to 40,-000. The same paper says that the villagers are plucky and are going on at once to make new and better buildings.

PLEASE parents and Sunday school teacher's don't forget the little ones .-They need good reading, and we know of nothing better than "Bright Side." Some of the best men and women of the country are its contributors, men like Rev. Dr. Alden, Pres. of the N. Y. State Normal School, and such woman as Mrs. A. E. Sherwood, Iva Clayton, and others. Published by the "Bright Side" Co., Chicago, Ill. Price \$1,60 per year.

DRESS MAKING AND ALL KINDS OF FAMILY SEWING -- Miss Armstrong, and MissHetrick have opened the business of dress making and family sewing next door west of the the post office. They come among us with the very best testitominals of their ability in the business; they are in monthly receipt of the very latest styles and paterns of ladies and childrens suits, and we have no doubt but that they will give entire satisfaction to any and all who may favor them with their work. We hope our lady readers will give them a trial.

LIGHT .- Almost any sane man if the question were put to him, "In your present condition what do you most desire?" would answer, "more light." So indeed we are in quest of "more light," from the rising to the setting of the sun of life. We need light, espescially at night to safely walk the streets of Ridgway, and the means of light are within the reach of every one, for W. S. Service & Co., No 42 Main street, have just received a large assortment of the best and latest improved "Tubular Lamps", No. 1227 Chestnut Street, and sell them cheaper than they can be had any where else in the county.

DENTISTRY .- Dr. W. L. Popple having lately established himself in our village, by opening an office over J. M. Heard's barness shop on Main street, is now prepared to take care of every old and troublesome tooth in Ridgway, and for that matter in the county. He does his work scientifically and with despatch; and the best of all is he removes a tooth without inflicting pain, but on the other hand will cause you to laugh as he raises the troublesome old tooth from its bed of years, and you come out of his office feeling that your youth is renewed like the "eagle," especially if you feel a little ancient by reason of tooth ache for a few nights.

THE Ridgway Bakery is now owned and conducted by our esteemed fellow townsmen, A. Cummings Esq., formely in the furniture trade in our village. Mr. Cummings has employed a first class Baker, and hereafter bread, pies, cookies, ginger-snaps, and cakes of every kind of the very best quality may, as in time past can be had at the Ridgway Bakery. In connection with the Bakery Mr. Cummings will keep confectionary of all kinds, thus making his establishment not only a first class Bakery but a first class Confectionary as well, an institution much needed in our growing village, We hope Mr. Cummings will receive the patronage of our entire village,

THERE will be a Christmas Tree on Christmas eve at the Court House, for the benefit of the M. E. Sabbath School and its patrons and friends. Come one,

HALL'S. VEGETABLE SICILIAN HAIR

RENEWER. Every year increases the popularity of this valuable Hair Preparation, which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical Hair-Dressing ever used, as it requires fewer applications, and gives the hair a splendid glossy appearance. A. A. Hayes M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."

Sold by all Drugglats and Dealers in Medicines. Price One Dollar.

Buckingham's Dye. FOR THE WHISKERS. As our Renewer in many cases requires too long a time, and too much care, to restore gray or faded Whiskers, we have prepared this dye, in one preparation, which will quickly and effectually accomplish this result. It is easily applied, and produces a color which will neither rub nor wash off. Sold by all Druggists. Price Fifty Cents. Manufactured by R. P. HALL & CO., NASHUA. N.H.

A CONFIRMED DYSPEPTIC.

We have said that dyspepsia is perhaps
he most universal of human diseases.

This is imphatically the case in the United States. Whether this general prevalence

is due to the character of the food, the

method of its preparation, or the hasty manner in which it is usually swallowed, is not our province to explain. The great fact with which we are called to deal s

Dr. HOOFLAND'S GERMAN BITTERS.

Would you know more of the merits of this wonderful preparation than can be learned from the experience of others? Try it yourself, and when it has failed to fulfil the assurance of its efficacy given by the proprietor, then abandon faith in it.

LET IT BE REMEMBERED,

first of all, that HOOFLAND'S GERMAN

not a mere assertion. The extracts from which they are compounded are prepared by

one of the ablest of German chemists. Their effects can be beneficial only in all cases of the billiary system. Hoofland's German Bitters stand without an equal, acting

promptly and vigorously upon the liver; they remove its torpidity and cause health-ful secretion of bile—thereby supplying the stomach with the most indispensable

elements of sound digestion in proper pro-

Now, there are certain classes of per-

sons to whom extreme Bitters are not only

unpalattable, but who find it impossible to

take them without positive discomfort. For such Dr. HOOFLAND'S GERMAN TONIC

known Tonic properties of the pure Ger-man Bitters.

tent influence. It gives the invalid a new and stronger hold upon life, removes de-

pression of spirit, and inspires cheerful-

ness. But Dr. Hoofland's benefactions to

the human race are not confined to his

celebrated GERMAN BITTERS, or his

its way to popular favor because of its in-

a perfectly pure and highly concentrated form. The Podophyllin acts directly on the Liver, stimulating its functions and causing it to make its billiary secretions in

regular and proper quantities. The injurious results which invariably follow the

use of mercury is entirely avoided by their use. But it is not upon the Liver only that their powers are exerted. The extract of Mandrake contained in them is

skillfully combined with four other ex-tracts, one of which acts upon the stomach,

one upon the upper bowels, one upon the

lower bowels, and prevents any griping effect, thus producing a pill that influences

the entire digestive and alimentary system,

in an equal and harmonious manner, and

its action entirely free from nausea, vomit-

ing or griping pains common to all other

No household should be without them. They are perfectly safe, require but two for an ordinary dose, are prompt and efficient in action, and when used in connec-tion with Dr. Hoofland's German Bitters, or Tonic, may be regarded as certain specifics in all cases of Liver Complaint, Dys-pepsia, or any of the disorders to which the system is ordidarly subject. The PODOPHYLLIN PILLS

act upon the stomach and bowels, carrying off improper obstructions, while the Bitters or Tonic purify the blood, strengthen and invigorate the frame, give tone and appe-tite to the stomach, and thus build up the invalid anew. Dr. Hoofland, having provided internal
