A Chicago paper talks of "our outburst" when it refers to the aristocratic suburbs.

The library of the Law Association of Philadelphia contains about six thousand volumes.

There are only sixty thousand idiots in England. That doesn't agree with Carlyle's estimates.

There are 1,700 miles of railroads in Massachusetts, and 160 miles more are in process of construction.

A Buffalo coroner adjourned the examination into a railway disaster in that city, to attend the races.

Some three hundred thousand cotton-wood trees planted near Denver, Kansas, in 1871, are thriving finely.

The dying words of a Delaware woman were: "Henry, if you marry again, remember that it only takes a cupful of sugar to sweeten a quart of gooseberries."

The State geologist of Texas has reported the discovery, near Devil's river, of a cave, the interior of which contains very remarkable paintings and sculpture, apparently of Aztec origin.

Buyers' prices for produce at Empire City, Oregon, are as follows: Wheat 60 cents; oats, 30 to 33 cents; butter, 15 cents; eggs, 20 cents; wool, 22 cents; bacon sides, 9 to 10 cents; hams, 12 cents.

The ravages made by cockroaches in Augusta, Ga., seem to rival one of the famous plagues of Egypt. They eat and thrive on the various insect destroying powders, which the distracted inhabitants give them in abundance.

An eminent chemist, after careful investigation, has decided that pastures manured by city sewage are poisonous, that they affect the milk of the cows, and plant the seeds of typhoid in the systems of those who use the milk.

A grocer being solicited to contribute to the building of a church, promptly subscribed his name to the paper in the following eccentric manner: "John Jones, (the only place in town where you can get eleven pounds of sugar for a dollar.) twenty-five cents."

The Morgan Envelope Company have thus far entirely failed to meet the expectations of the Department, or to satisfy the terms of their contract with respect to postal cards. It is believed that to this day they have not furnished a single card fully up to the requirements of their contract.

The actual sample the experts pronounce to be of jute and manilla. The pretended sample is of fine linen and cotton rags. The jute sample could not make the paper cost more than sixteen cents per pound, while the lowest of the paper under the estimates for the contract, was twenty-four cents a pound. It is believed that, notwithstanding the statements of the contractors are working at a loss, they are really making a profit by attempting to use an inferior quality of paper.

PHILADELPHIA'S REGISTRY.—There are 158,016 voters in Philadelphia, according to the lists compiled by the canvassers. These lists—the first returns—correspond to the regular assessments under the old registry law. In 1870, when the population of the city, bunchedly taken and far below the real numbers, was returned by the United States Marshals at 674,922, the regular assessments contained 138,620 names—or about one voter to every five persons. Accepting the census of 1870 as correct (and we do not think it was), if the same ratio of voters to population is preserved, Philadelphia now contains about 790,000 inhabitants. But these figures, says the Press, are one hundred thousand to low.

I also make known the following act entitled "An act regulating the mode of voting at all elections in the several counties in this Commonwealth," as I am required by the second section of said act:

SECTION 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same, That the qualified voters of the several counties in this Commonwealth, at all general township and special elections are hereby heretofore authorized and required to vote by ticket, printed or written, or partly written and partly printed, severally classified as follows: One ticket shall embrace the names of all the Judges of the Courts to be voted for and to be labelled on the outside, "Judiciary;" one ticket shall embrace the names of all State officers to be voted for and labelled "State;" one ticket shall embrace the names of all county officers to be voted for, including the office of Senator, member or members of Assembly, if voted for, members of Congress, if voted for and labelled "County;" one ticket shall embrace the names of all township officers voted for and labelled "Borough" or "Township;" and each shall be deposited in separate ballot boxes.

I also make known and give notice, as in and by the 13th section of aforesaid act, I am directed that every person except Justices of the Peace, who shall hold any office, appointment, trust or profit, under the Government of the United States, or this State, or any city or incorporated district whether a subordinate officer or otherwise a commissioned officer or agent who is or shall be employed under the legislative or judiciary or executive department of this State or of the United States, of any city or incorporated district and also every member of Congress and State Legislature, and the select and common council of any city, Commissioner or any incorporated district, is by law incapable of holding or exercising at the same time the office or appointment of Judge, Inspector or Clerk, of any election in this Commonwealth, and that no Inspector or Judge, shall be legible to any office then to be voted for.

Also in the 61st section of said act it is enacted "That every general or special election shall be opened between the hours of six and seven in the forenoon, and shall remain without interruption until seven o'clock in the evening when the polls shall be closed. No person shall be permitted to vote at any election as aforesaid, but a freeman of the age of twenty-one years, or more, who shall have resided in this State at least one year and in the election district where he offers his vote, at least ten days immediately preceding such election, and within two years before the election. But a citizen of the United States, who has previously been a qualified voter of this State, but removed therefrom and returned, and shall have resided in the election district and paid taxes as aforesaid, shall be entitled to vote after residing in this State six months. Provided, That the freeman, citizens of the United States, who are between the ages of twenty-one and twenty-two years, and who have resided in the election district ten days as aforesaid, shall be entitled to vote, although they have not paid taxes.

WHEREAS, The Fifteenth Amendment of the Constitution of the United States is as follows:

SECTION 1. The right of citizens of the United States shall not be denied or abridged by the United States on account of race, color, or previous condition of servitude.

SECTION 2. That Congress shall have power to enforce this article by appropriate legislation. And whereas, The Congress of the United States, on the thirty-first day of March 1870, passed an act entitled, "An act to enforce the right of citizens of the United States to vote in the several States of the Union, and for other purposes," the first and second sections of which are as follows:

Be it enacted, etc., That all citizens of the United States who are or shall be

otherwise qualified to vote at any election by the people of any State, Territory, district, city, county, parish, township, school district, municipality, or other territorial subdivision shall be entitled and allowed to vote at all such elections, without distinction of color race, or previous condition of servitude; any constitution, law, custom, usage, or regulation of any State or Territory, or by or under its authority, to the contrary, notwithstanding.

SECTION 2. And be it further enacted, That if, by or under the constitution or laws of any State or the laws of any Territory, any act is or shall be required to be done as a prerequisite or qualification for voting, and by such constitution or laws persons or officers are or shall be charged with the performance of duties in furnishing to citizens an opportunity to perform such prerequisites, or to become qualified to vote it shall be the duty of every such person and officers to give all citizens of the United States, the same and equal opportunity to perform such prerequisite and to become qualified to vote without distinction of race, color or previous condition of servitude; and if any such persons or officers shall refuse or knowingly omit to give full effect to this section, he shall for every such offence, forfeit and pay the sum of five hundred dollars, to the persons aggrieved thereby, to be recovered by an action on the case, with full costs and such allowance for counsel fees as the court shall deem just, and shall also for every such offence be deemed guilty of a misdemeanor, and shall on conviction thereof be fined not less than five hundred dollars or to be imprisoned not less than one month and not more than one year, or both, at the discretion of the court.

And whereas, It is declared by the second section of the VI article of the Constitution of the United States, that "This Constitution of the United States which shall be made in pursuance thereof, shall be the supreme law of the land * * * anything in the Constitution or laws of any State, to the contrary, notwithstanding."

And whereas, The Legislature of this Commonwealth, on the 6th of April 1870, passed an act entitled "A further supplement to the act relating to elections in this Commonwealth," the tenth section provides as follows:

SECTION 10. That so much of every act of Assembly as provides that only white freeman shall be entitled to vote, or be registered as voters, or as claiming to vote at any general or special election in this Commonwealth, be and the same is hereby repealed, and that hereafter all freeman without distinction of color, shall be enrolled and registered according to the provisions of the first section of the act approved the 17th of April 1869, entitled "An act further supplemental to an act relative to the elections of this Commonwealth," and shall when otherwise qualified under existing laws, be entitled to vote at all general and special elections in this Commonwealth.

No person shall be permitted to vote whose name is not contained on the list of taxable inhabitants furnished by the Commissioners, unless he first produces a receipt for the payment within two years, of State or County tax, assessed agreeably to the Constitution, and give satisfactory evidence either on his own oath or affirmation of another that he has paid such tax, or on failure to produce such receipt shall make oath of the payment thereof; if he claims to vote by being an elector between the ages of twenty-one and twenty-two years he shall depose on oath or affirmation that he has resided in the State at least one year before his application, and make proof of his residence within his district as required by the act, and that he does verily believe from accounts given him, that he is of the age aforesaid and give such other evidence as is required by the act whereupon the name of the person so admitted to vote shall be registered in the alphabetical list by the inspector, and a note made opposite thereto by the word "tax," if he shall have been admitted to vote by reason of having paid tax, or the word "age," if he shall have been admitted to vote by reason of age, shall make like notes in the list kept by them.

In all cases where the name of persons claiming to vote is found on the list furnished by the commissioners and Ascensors, and his right to vote whether found thereon or not, is objected to by any qualified citizen, it shall be the duty of the inspectors to examine such persons separately and to examine such persons on oath as to his qualifications, and if he claims to have resided within the State for one year or more, his oath shall not be sufficient proof thereof, but shall make proof thereof, by at least one competent witness who shall be a qualified elector, that he has resided within the district, for the purpose of voting therein.

D. C. OYSTER, Sheriff. Sheriff's Office, Sept. 18th, 1873.

Every person qualified as aforesaid, and who shall make the due proof, if qualified, of his residence and payment of taxes aforesaid, in the township, ward or district in which he shall reside. If any person shall prevent or attempt to prevent any officer of any election under this act from holding such election, or use or threaten any violence to any such officer, or shall interrupt or improperly interfere with him in the execution of his duty, or shall block up the window or avenue to any window where the same may be holding, or shall riotously disturb the peace at such election, or shall use or practice any intimidation, threats, force or violence, with design to influence unduly or overawe any elector, or to prevent him from voting, or to restrain the freedom of choice, such persons on conviction shall be fined in any sum not exceeding five hundred dollars, and be imprisoned for any time not less than one month or more than one year and it shall be shown that the persons so

offending was not a resident of the city, ward, district or township where the said offence was committed, and not entitled to vote therein, and on conviction he shall be sentenced to pay a fine of not less than one hundred or more than one thousand dollars, and be imprisoned not less than six months or more than two years.

WHEREAS, By the act of the Congress of the United States, entitled "An Act to amend the several acts heretofore passed, to provide for the enrolling and calling out the national forces, and for other purposes," and approved March third, one thousand eight hundred and sixty-five, all persons who have deserted the military or naval service of the United States, and who have not been discharged, or relieved from the penalty, or disability therein provided, are deemed, and taken, to have voluntarily relinquished, and forfeited, their rights of citizenship, and their rights to become citizens, and are deprived of exercising any rights of citizens thereof:

And whereas, Persons, not citizens of the United States, are not, under the constitution and laws of Pennsylvania, qualified electors of this Commonwealth:

SECTION 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same, That in all elections heretofore to be held in this Commonwealth, it shall be unlawful for the judge or inspectors of any such election to receive any ballot, or ballots, from any person, or persons, embraced in the provisions, and subject to the disability, imposed by said act of Congress, approved March third, one thousand eight hundred and sixty-five, and it shall be unlawful for any such persons to offer to vote any ballot, or ballots.

SECTION 2. That if any such judge and inspectors of election, or any one of them shall receive, or consent to receive, any such unlawful ballot, or ballots, from any such disqualified person, he, or they, so offending, shall be guilty of a misdemeanor, and upon conviction thereof, in any court of quarter sessions of this Commonwealth, he shall, for each offence, be sentenced to pay a fine of not less than one hundred dollars, and to undergo an imprisonment, in the jail of the proper county, for not less than sixty days.

SECTION 3. That if any person deprived of citizenship, and disqualified as aforesaid, shall, at any election, hereafter to be held in this Commonwealth, offer to tender to the officers there, and vote, or tender, a ballot, or ballots, and that person, so offending, shall be deemed guilty of a misdemeanor, and on conviction thereof, in any court of quarter sessions of this Commonwealth, shall, for each offence, be punished in a like manner as is provided in the preceding section of this act, in the case of officers of election receiving such unlawful ballot, or ballots.

SECTION 4. Pursuant to the provisions contained in the 4th section as aforesaid the Judges of the aforesaid districts shall respectively take charge of the certificates or returns of election to their respective districts and produce them at a meeting of one Judge from each district at the Court House in the Township of Ridgway on FRIDAY, THE 17TH DAY OF OCTOBER next, then and there to perform the duties required by laws of said Judges; also where a Judge by sickness or unavoidable accidents is unable to attend such meeting of Judges then a certificate as aforesaid shall be taken in charge of by one of the inspectors or clerks of the election of said district who shall do and perform the duties of said Judge to attend; and the return Judges of the said districts aforesaid are requested to meet in Ridgway, the county-seat of said county, on Friday, after the second Tuesday of October next, then and there to discharge the duties required by law.

Given under my hand at Ridgway, the 18th day of September in the year of our Lord, one thousand, eight hundred and seventy-three, and of the independence of the United States the sixty-seventh.
