Committee estimates the election of the Republican state ticket by 29,005 to 25,-000 majority.

NEW YORK.

[The vote in this state is compared with 1874, when the Democrats had over 50,000 and Bartholomew,counsel for Doyle and majority] New York Nov. 2 .- Scattering returs

from the interior show Republican guins, and quashed the array of jurrors. All the anti-Tammany candidates in this

city are elected by good majorities. Morrissey, anti-Tammany, is elected State Senator by 4,000 majority.

Buffalo gives 4,000, majority for Seward; a Republican gain of at least 3,600.

Poughkeepsie gives Seward 206 majority,

a Republican gain of 654 New York-Midnight .- The Republican

leaders claim the state by several thousand and a two-thirds majority in both branches of the Legislature.

THE OHIO VOTE IN FULL.

Full returns have been received officially from all but ten counties, and from those the returns have been received from the local committees of both parties and the vote for Hayes is 297,813; for Allen 292,264; for Odeli 2,471. Huyes' majority over Allen, 5,549; over all, 3,078. The Republican candidate for state treasurer is the lowest on the ticket, and he is elected by 3,963 majority. The total vote polled is 592,548, being over 40,000 more than ever were cast in the state fert, McMnnus & Co., of Reading. before.

General Rutheford B Haves, elected governor of Ohio was born in Delaware, Ohio, October 4, 1823. He graduated at Kenyon College in 1842 and studided law at Cambridge. He practiced this profession in Cincinnati until the outbreak of the war, when he entered the service as major of the 23d Ohio regiment. He served with distinction, and at the close of the war was brigadier general, with the brevet rank of major general. In 1864 he was elected a representative in congress from Cincinnati, being re-elected in submitted to Judge Lawrence, in the 1856, but resigned his seat in 1867, when he was elected governor of Ohio. He was re-elected governor in 1869. In 1872 he was a candidate for con argued before the referee. gress, but was defeated by Hon Henry B. Banning, the candidate of the "Liberal Republicans."

Orders have been issed to reweigh the mails on roadsthat had their pay readjusted last spring when large quantities of free matter was carried.

600 votes for Governor in Massachu- ported to have been the most fearful setts.

weeks. In the two establishments about 500 men were employed The Scott Works are still in operation.

There was another immense gathering at the great revival meeting at Brooklyn Tabernacle on the 26th, A. | Local East M. The building was full in every do West part and much lervor was manifested in

the proceedings. The unanimous support which the clergymen are giving to the meetings is a great aid to the Evangelists.

The report of ex-Judge Spencer, referee in the Erie Raliway matter approving Receiver Jewett's report, was Supreme Court in Chambers, New York, yesterday The court refused to confirm it, and sent it back to the referee, to have one or two matters in it

Boston, October 31,-A severe easterly rain storm visited this city, continuing nearly all night, with a high wind after midnight. The sea was very high in the harbor, interforing with the ferryboats, most of which entirely suspended their trips. No damage to vessels in the harbor is reported The gale was severely felt all along the coast to Charles Francis Adams received 18- Reckland At Portland the storm is reone experienced for years.

various departments at Washington will

form one of the most attractive features of the Exposition, and furnish, perhaps, hensive idea of the variety and vastness of the functions performed by the Generel Government. There would be

this or any other countries are submitting the proofs of their progress, the nation there is now no actual exercise or enjoymodernized m thods of performing

Two subjects are constantly receiving attention. One relates to the furnishing of accomodations for the numerous visitors expected in 1876, and the other to measures for obtaining the financial aid necessary to secure the completion

and decoration of the Centennial grounds and the buildings in appropriate style. The vigor with which plans are devised and labors performed in both the directions indicated, justifies complished; but meanwhile it is to be south fifty degrees east three hundred and hoped that some of the exertions will be forty degrees west one hundred and sixty realize before there is a certainty that
