"The corporate authorities of every such municipality or district shall annually, in the month of January, prepare and publish, in at least two newspapers of said municipality or of the county in which the same is situate, if so many be printed therein, a statement showing in detail the actual indebtedness, the amount of the funded debt, the amount of the floating debt thereof, the valuation of taxable property therein, the assets of the coporation, with the character and nature thereof, and a neglect or failure so to do shall be a misdemeanor, punishable by fine not exceeding one thousand dollars.

Cincinnati, January 14 .- The will of Timothy Kirby, who died recently, leaving an estate valued at over a million dollars, was taken to the Probate Court yesterday, but owing to the strange bequest made by the deceased steps were immediately taken to prevent the probate of the will by General Banning and Don Piatt. It appears that Mary Franeis, a notorious character of Cumminsville, a suburb of this city, where Kirby resided, claims to have been the wife of the deceased and is left by the will \$50,000. Five illegitimate children, whom the deceased mentions as his adopted children, are placed on an equal footing with the legitimate children. The latter are made the trustees for the period of fitteen years of the former. Mrs. Fox, another woman, was made a handsome bequest. It seems the entire estate hus been frittered away in this manner. Dr. Thomas Wood, who had known the deceased a number of years, testified in court this morning that the deceased was a monomanic; that he was infatuated with the woman Francis, and submitted to intolerable abuse from her.
