A WORTHLESS CHECK.

AS IMPORTANT CASE CONTAINING A VALU-

ABLE LESSON. Cleveland, Jan. 9,-A case has just been completed in the Common Pleas Court which is a good lesson to these not acquainted with the laws regarding bank checks payable on eight. The suit was brought more than a year ago by George F Lewis, of Youngstown, against John J. Date et al. Lewis came to this city a few, days before the breaking up of Jay Cooke & Co., and sold to the defendants \$5,000 worth of gold, taking in pay their check for for that amount on Jay Cooke & Co., of New York. He did not want the money at once, and accordingly held the check to be cashed at his convenience Meanwhile Jay Cook & Co. became insolvent, and their bank was closed. Lewis had not drawn his money, and his check was then worthless, He sued to recover the amount named. The law in such cases is that after a check is given the receiver is given only one day to have the same cashed, or if payable elsewhere than where it was drawn sufficient time is given to send it by mail to that place. Meanwhile if the bank fails the holder of the check is responsible only to bimself In this case the cheek was not drawn in proper time and the bank failed. leaving his check a worthless piece of paper. In his petition plaintiff claimed that several days after the check was given he met one of the defendants, and said to him that he had not yet had that check cashed. and the reply was that it would be all right anyhow. The defendants denied in Toro ny such conversation, and rested only on

The itching at times was almost intolerable, increased by scratching, and not unfrequently become quite sore. I bought a box of Swayne's Ointment; its use gave quick relief, and in a short time made a perfect cure. I can now sleep undisturbed, and I would advise all who are suffering with this distressing complaint to procure Swayne's Ointment at once. I had tried prescriptions almost innumerabe, without finding and permanent relief JOSEPH W. CHRIST,
