FROM GEN. D. S. FORBES. The following chatty letter from Gen. Forbes, relates in a pleasant way his experience with Dr. Fenner's Golden Relief. What he says will be appreciated by the thousands who have experienced instant relief from

effective compound. Fredonia, N. Y. April 6, 1875. Dr. Fenner-Dear Sir-You will please send me another bottle of your Golden Relief. It has become a fixture in my house as a medicine. We consider it invaluable and cannot do without it, I must here relate an anecdote of 1872, in jumping from my carriage I sprained my ankle and was unable to walk. An agent of the Buffalo Courier called at my house (of course you know what he called for -- it was to collect my subscription) and finding me in great pain commenced telling a wonderful story about a most wonderful medicine that he had found in Buffalo and that he would go and bring to me for trial, as it was in his valise, Imagine my surprise when I found it was your golden relief--made here in Fredonia! I sent to you for a buttle.

This agent of the Courier said he could not live without it, as he was an almost constant sufferer from Neuralgia, and that it was the only medicine that gave him instant relief. So you will see that others appreciate your wonderful medicine as well a I or my family have tried it, it has never failed to give relief. So you will not wonder that we have learned to rely upon it in all those

more speedily than anything he has yet found. His family has learned to rely ou it in Headaches, Neuralgia, Rheumatism, Tooth-
