FROM GEN. D. S. FORBES. The following chatty letter from Gen Forbes relates in a pleasant way his experience with Dr. Fenner's rhane, bronchial and all pulmonary com-Golden Relief. What he says will be plaints. Consumptives or those predisappreciated by the thousands who have experienced instant relief from pain by the use of that wonderfully

Gen'! Sup't

effective compound: Fredonia, N Y. April 6th, 1875, Dr. Fenner-Dear Sir-You will please send me another bottle of your Golden Relief. It has become a fixture in my house as a medicine. We consider it invaluable, and cannot do without it. I must here relate an anecdote of your valuable Golden Relief. In the fall of 1872, in jumping from tny corrage I sprained my ankle and was unable to walk. An agent of the Buffalo Courier called at my house (o course you know what he called for-it was to collect my subscription), and finding me in great pain he commented telling me a won derful story about a most wonderful medicine that he had found in Buffalo and that he would go and bring to me for trial, as it was in his valise. Imagine my suprise when I found it was your Goden Relief made here in Fredonia! I sent to you for a bottle and af ter using it a few times the pain entirely left and a speedy cure was obtained

This agent of the Courier said he could no live without it, as he was an almost constant sufferer from Neuralgia, and that it was the nly medicine that gave him instant relief So you will see that others appreciate your wonderful medicine as well as inyaelf, and I will add that in all the numerous cases where I or my family have tired it, it has never falled to give relief. So you will not wonde that we have learned to rely on it in all those cases for which you recommend it.

Yours truly, D. S. FORBES. C. T. Moore, Proprietor of the celebrated rholesale tea and coffee house, 14 Front street, Rochester, N. Y., certifies that Dr. Feiner's Golden Relief cured him of sore throat more speedily than anything he has ever found. His family has learned to rely on it in Headache, Neuralgia, Rheumatism Toothache, etc., and would not be without it C. W. Tenant, Fredonia, N. Y., certifies that two bottles of Dr. Feriner's Golden Relief cured him of a bad Rheumatism, after all other treatment had failed.

The best families in the land are now keeping it constantly in the house for family use and attest to its extraordinary powers and healing capabilities to conquer pain and annihilate disease from the system. Ask for a circurlar entitled "Feople" Remedier." For sale by dealers.

FOR YOUR STOVES AND TIN Ware call at W. B. SMITH'S, corner | commun of Main and Mill streets.
