CURED AFTER TWO THOUSAND DOLLARS SPENT IN VAIN.

Rootstown, Ohio, March 28, 1876.—Dr.
M. M. Fenner, Fredonia, N. Y.,—Dear Sir
—If you want one of the best testimonials
of your Blood and Liver Remedy and
Nerve Tonic, you can get it of Mr. James Phelps, of this place. He is a reliable man, and had been sick five years and spent some two thousand dollars for medi-cine and treatment. One half dozen bottles of your remedy cured him. He had an abseess that was discharging when be coma quart a day. He was unable to leave his bed. Is now about and attending to his business. The abscess entirely healed before he had taken three bottles. He has been the means of our selling very much of your medicines here, and everybody likes them. We, as agents, would like very much to have you write him for a statement of

his exact condition, Yours Truly, GREEN & SPELMAN, Merchants. It is now everywhere conceeded that this is a remedy never before equaled in real curative value. It accomplishes several impor-tant indications, chief among which may

be mentioned:

1. It completely cleaness and purifies the blood, quickly overcoming constipution, causing the liver to throw off its bile, and cleausing the entire alimentary canal, riding it of worms and other vermin inhabiting an unhealthy stomach and bowels. This action renders it peculiarly valuable in the weaknesses, thick and impure blood, billiousness and lassitudes incident to the change from winter to spring. It causes those feeling dull, heavy headachy, op-pressed and blue to become clearheaded and cheerful within two days time. In thus re-moving all humors from the blood, it cures all blood diseases from a pimple on the

face to a grave scrofula.

2d. It has wonderful healing and nutritive properties for the relief of all pritations and inflammation within, and restor ing and building up the system. It thus strengthens and heals the Stomach, Nervous System, Heart, Lungs, Kidneys and all other tissues.

3d. It is an active and permanent Nerve l'onic, thereby adapting it to all grades of "nervousness" by building up the nervous system. Nerve medicines will not act, unless associated with cleansing remedies. Nimmy vecalists and have been in the habit

Hence the beauty of this compound.

4th. By its healing and nutritive qualities it becomes the necessary and best remedy in all chronic Coughs. Assisted in these cases by Dr. Fenner's Improved Cough Honey, the lungs and throat readily

5th, Owing to its Healing, Nerve Restorative and Cleonsing properties, it becomes the best remedy now known for all that long list of aliments peculiar to remales It is therefore a vegetable compound, so made up of the choicest plants carefully col-lected from every country and clime of the world, as to possess the rarest Alternative or Cleansing and Purifying, together with Healing and Tonic or Nerve Strengthening and Restorative properties combined.
