

HEADQUARTERS REPUBLICAN STATE COMMITTEE

HARRISBURG, JULY 12, 1877.

By direction of the Republican State Committee, the Republican State Convention heretofore called to meet at Harrisburg on the 20th day of August next, is hereby postponed, to meet in Harrisburg, at noon, on Wednesday, September 5, 1877.

By order of the Committee, HENRY M. HOYT, Chairman. A. WILSON NORRIS, Secretary.

Fatal Tattooing.

A YOUNG WIDOW AND 150 YOUNG MEN THE VICTIMS OF A DISEASED TATTOO.

Emma Hunsburger, about twenty-one years of age and a widow, two weeks ago had a tattoo put two sets of letters on her right arm, the initials of two names. Shortly after the work of the poisoned needles and India ink had been concluded a foul disease showed itself on her arms and on various portions of her body.

The undertaker who removed the body said: "A near relative of the young lady came down from Lebanon and said he and their family were not in the best circumstances. We put the body in a coffin, took it to the depot and shipped it to its destination, relying upon the man's honesty to pay the bill whenever he felt that he could pay it."

Dr. Brenner said: "I did not attend the young woman, neither did I know her. On Tuesday I was visited by two men, who said they had been seen by a doctor residing in the upper section of the city (the doctor's name was mentioned) to me for a certificate, as the doctor who did attend the woman either had gone away or was going away in a hurry to a distant part of town to visit a patient. I asked the men what ailed the woman and they said 'liver complaint.' The physician who did attend her said she died of inflammation of the bowels."

Dr. Kalbach has had quite a number of cases and he is of the opinion that at least 150 young men and boys have been inoculated in this city alone. Many of the cases are terrible; the arms are swollen and the body and limbs covered with blotches and eruptions. The doctor was told of a very bad case, when he replied that if it was not properly treated at once death might ensue. Many of the young men under Dr. Kalbach's treatment were tattooed at the Hampton Spring. The tattooer used his spittle to mix the ink, and at times placed the needles in his mouth. The doctor was of the opinion that the tattooer did not know the terrible destruction he was doing.

Dr. Davis agreed with Dr. Kalbach in the number of cases of syphilitic inoculations by the tattooer. "And," said the doctor, "I have treated and am still treating a number of cases of the very worst character. If you will wait until one of the patients comes I will show you a sample case—arms, body and limbs covered with syphilitic eruptions caused by the poisonous tattooing process. It is really a bad state of affairs, sowing the seeds of a terrible disease in its very worst form. I have no doubt that several hundred people were tattooed, but out of that number there may have been one-fifth whose systems were not in a condition to take the poison and be affected by it."—Reading (Pa.) Eagle.

I HAD NEVER FOUND ANYTHING BUT PAIN UNTIL I HELPED ME SO WELL.

Owing to its Healing, Nerve Restorative and Cleansing properties, all female complaints are at once benefited by the use of Dr. Fenner's Blood and Liver Remedy and Nerve Tonic, and cure inevitably follows in a reasonable time. It has also special properties adapted to this class of diseases, and its cleansing and regulating qualities, together with its building up or Restorative action on the nerves, adapt it specially to these cases. Here is a complication very common to females, readily relieved:

James town, N. Y., Dec. 23, 1871. Dr. M. M. Fenner, Proctoria, N. Y.—Dear Sir: I was afflicted with Dyspepsia, Headache, Sour stomach, Constipation, Pain in my Back and across me, and great nervousness and Weakness, which I had for many years, and for which I had doctored a great deal, but never got more than some temporary relief. I began taking your Blood and Liver Remedy and Nerve Tonic about one year ago. I had never found anything before that helped me so well. I continued to gain steadily till I thought myself wholly cured. About six months have now passed, and I have not had any return of the disease.

MRS. ELLIOTT SWEET. Hundreds of cases like the above might be cited. This Remedy is a vegetable compound, no made up of the choicest plants carefully collected from every country and elixir in the world, as to possess the rarest Alternative or Cleansing and Purifying, together with Healing and Tonic or Nerve Strengthening and Restorative properties combined.
