with a zeal and industry that ought to A special from Hamburg, Iowa, says solve almost any problem except that the banking house of W. W. Smith, the largest in Southwestern Iowa, of perpetual motion. A few years ago the question was not how to live on as made an assignment last week to little as possible, but how to spend the C. A. Danforth. The Habilities will money everybody was making so as to reach \$100,000 ; assets. \$45,000. make the finest display. French

In reply to a resolution of the House the Postmaster General says the only ands of housewives drove their husobjections to making obligatory in all government transactions the metrical the endeavor to follow the directions system of weights and measures are the expense involved and the apprehenson that the practical workings would fail to give satisfaction, owing to the lack of knowledge.

At the recent election in Wisconsin 175 403 votes were polled, divided among the several parties as follows : tion has set in. Now all the professors Republican, 78,758; democratic, 70,-482; greenback, 26,168. The republiart are rushing into print to show how can plurality for governor is 8,271 and a man may live on a little more than for superintendent of public instruction 3,148. There were 15,000 more the next day's hash. Miss Corson has votes cast than in 1875 and 70,000 less created quite a sensation by demonthan last year.

The official majority in New York city for Allen C. Beach, democrat, for secretary of state of New York, is 30,224. The majorities for Mr. Olcott and Mr. Seymour, democrats, for comptroller and engineer, respectively, are a trifle over 42,000. This will make Mr. Olcott's majority in the state over 20,000 more than that received by Mr. Beach. The majority a good square meal for five cents, and a meal to satisfy the most ravenous for the democratic candidate for state treasurer is over 20,000.

fare at this place is a marvel. A General Sherman has issued a gensmall cup of tea or coffee with sugar eral order regarding the violation of and milk is sold for one cent; a cup of the thirty-eighth article of war. He the ordinary size, two cents; bread says the President desires it to be and butter, one cent; soup, one cent; known that it must be understood that a slice of corned beef, one cent; a any clemency which may have been baked or boiled potato, one cent: cabheretofore extended, by mitigation or bage, one cent; baked beans, one cent; commutation of sentence cannot hereafter be relied upon as a basis of hope meal, one cent; boiled rice, one cent; for a like favorable action. After this warning a rigorous execution of would think that at this rate a dollar the sentences imposed in due course by courts-martial may be expected.

but a boy tried it, and after eating The Adjutant General of the Army corned beef, beans, coffee, bread and has submitted to the Secretary of War butter, a cruller, fried hominy, a poto accompany the report of that official tato, a slice of pie and a doughnut had to Congress, reports upon the mode in to be beaten on the back to get his which the army should be increased, throat clear and recover consciousness, which he thinks should be adding paid a couple of car fares for his banmen in the discretion of the President quet and sneaked out of the back door to existing companies so that instead of making new companies from recuits earthly ambition. At this rate the those already in existence should be problem of cheap living will soon infilled to a proper standard of men. deed be solved. The Adjutant General also_recommends the enlargement of the number of officers on the retired list.
