-The McKean Miner, abandoned the patent outside last week and appears as bright as a new dollar. Messrs. Payments of the Militia.

In the House of Representatives the Senate bill making an appropriation to pay the military expenses of the riots was by consent called up on second reading. The amendment to allow each enlisted man \$10 commutation for blankets and uniforms was agreed to. Also the amendment increasing the pay of all officers including colonels, and below that grade, was agreed to. Commutation is only to be paid to those who served ten days.

The bill, as it passed the Senate, provided for an appropriation of \$610,000 for the payment of the military expenses of the riots-\$280,000 for the payment of troops and \$330,000 for other expenses. The bill allowed a full month's pay to all privates, non-commissioned officers, captains and lieutenants. in case they served ten days and over. As amended in the House \$304.000 is appropriated for the payment of troops. The other amendment of troops. The other amend-ments will involve an additional ex-penditure by the State of nearly \$75,000. Elk Co. Pa. The sepectable druggists generally. Sold by Dr. T. S. Hartley, Ridgway diem to \$1.25. J. J. some advantage. HEADACHES. - THEIR CAUSE AND CURE.

Billious headaches are caused by the blood being overcharged with Carbonaceon matter. It is commonly

called thick and "impure." There is too little waste or effete matter thrown off from the system, compared to the nutriment taken into it. The system may be likened to a stove. Abundance of fuel has been introduced, and burning down, the drafts become clogged with ashes and cinders, and the fire burns only feeble. It must be cleansed, then the fire will burn

again. So with the system when it be comes clogged. It must be cleansed. Some headaches are nervous-i. e. the nerves are irritated and weakened. They need a nerve medicine, but a nerve medicine will not act when th system is clogged. Dr. Fenner's Blood and Liver Remedy and Nerve Tonic both cleanses the system and builds up the nerves and so cures all these dis-

eases by removing the cause. It causes the liver to throw off its bile. It cleanses out the entire Alimentary Canal and rids it of worms mon next Sunday evening will be, and other vermin that inhabit an unhealthy stomach and bowels.

It completely cleanses and purifies the Blood, and at the same time strengthens and heals the Stomach Nervous system, Heart Lungs Kidneys and all other tissues. Dr. Fenner can cure any headache

in 3 to 10 minutes with his Golden Relief, but the Blood and Liver Remedy and Nerve Tonic prevents their coming on again by removing the cause. Manufactured by Dr. M. M. Fenner, Fredonia, N. Y.

Remarkable Success.

The success of the leading literary paper of the West. THE CHICAGO LEDGER, is truly remarkable. Since its introduction to the reading public six years ago. THE LEDGER has steadily advanced in favor, and is now acknowledged second to no paper of the kind in the country. Its circula-tion is national, and has been obtained through the efforts of its publishers to produce a paper of high moral character, and at the same time sell it at a price consistent with the present hard times. That they have suc-ceeded and well, too, the thousand of readers of THE LEDGER scattered from Maine to Texas and from Oregor to Florida will bear testimony. CHICAGO LEDGER is a large forty-eight column weekly paper, which contains stories both complete and continued, in each number, written by the best authors of the day, and a reat variety of information interesting to every one. The subscription price of THE LEDGER is only \$1.50 per year, postage paid, and it is equal in every particular to other papers of the same character which sell for \$3 a year. Three copies of this valuable paper will be sent to any one who ends 10 cents and their address to THE LEDGEB, Chicago Ill.
