-Gov. Hartranft has issued a proclamation fixing the 13th of August for double-discount ours. holding an election in Luzerne county ecide on the proposed division of ounty and to designate the capital new county.

-This is good weather for curing grass. After night is not a good time to engage in the healthy though laborous occupation of manufacturing hay. Or, in the language of the poet : "make hay while the sun shines,"

-During the fearful wind and rain storm on Wednesday of last week, Michael Sheehan's two cows were in the Earley slashing, on the State road, and were killed by falling trees. The cows were found on Saturday, near tempted to escape on Saturday night. together, and with seven trees laying From the appearance of the jewelry over them.

-The N. G. L. Party of Elk county will hold meetings at three points in the county on July 23d, 24th and 25th. The places of meeting will probably be Centreville, Benezette and St. Mary's Boro., in the order as the dates are given above. Hon. D. G. Bush, of Please accept our thanks, with the Bellefonte, will address the meetings.

-Last Monday was one of the hottest days ever experienced in St. Louis, over forty people dying from sunstroke-men being struck down while in their places of business. Over one of this place, a daughter. hundred horses are known to have perished from the heat. The thermometer at 2 P. M indicated 103° in the shade.

-The Second Sub-District Methodist Episcopal Church Institute for the Eighth District of the Clarion District, will be held at the M. E. Church in Warsaw, Pa., July 23d, and at 71 o'clock. 24th, 1878, with J. W. Martin, of Brockwayville, conductor. All Sunday-school workers are members of the Institute, and are invited to attend.

-Four small boys, from 12 to 14 years of age, went up Maple creek, near Clarington, Forest county, on Sunday, July 7th, to take a swim. At first all four went above the dam. Two of the boys, against the protest of the others, then went below the dam into a deep hole where John Davis aged about twelve years, was drowned, and the boy with him was with difficulty rescued by his companions.

-George Weigle made a narrow escape on the evening of the fourth. He was firing an improvised cannon, using two anvils. He had fired one shot, and proceeded to load again, having his powder, about a pound, in a bottle. Fragments of the former load seems to have been burning on the anvil, and as he poured the powder on it ignited and communicated with that tramps who witnessed the mishap in the bottle, and exploded, bursting rushed to the spot, cut the animal's the bottle into fragments. Strange to throat and commenced skinning it, say, nct a piece of glass struck him, when they were interrupted by some and beyond having his face and right of our citizens and threatened with hand pretty severely burnt, he escaped injury. It was truly a miraculous escape.-St. Marys Gazette.
