feature alone makes THE WEEKLY HERALD the most valuable newspaper in the world, as it is the cheapest. Every week is given a faithful report of POLITICAL NEWS, embracing complete and comprehensive dispatches from WASHINGTON, including. full reports of the speeches of eminent poli-ticians on the questions of the hour. PHOTOGRAPHS. THE FARM DEPARTMENT of the WEERLY HERALD gives the latest as well as the most practical suggestions and discoveries relating to the duties of the farmer, hints for raising Cattle, Poultry, Grains, Trees, Vegetables, & &, &c., with suggestions for keeping buildings and farming utensils in repair. This is supple-mented by a well edited department, widely copied, under the head of THE HOME giving recipes for practical disches, hints for making clothing and for keeping up with the latest fashions at the lowest price. for Representative, is a popular young lawyer of St. Mary's, where he has been engaged in business for several years. He is at present a member of the Town Council, a fact which attests to his popularity. His character for honesty is good, and with the vote he is bound to get in the borough of St. Mary's and Benzinger township, his chances for election seem good. A. E. GOFF,

for Treasurer, is a farmer and an old resident of the county, and has a host of friends. For integrity, honesty and ability, he stands the peer of any candidate in the field.

W. H. OSTERHOUT and S. W. MOYER, for Commissioners, the one a tanner, the other a farmer. Mr. Osterhout has filled the office of Commissioner acceptably for three years, and is so well acquainted with the people of the county that no word of commendation is needed from us. A man whose word is as good as his bond, and who keeps every business engagement with strict punctuality, whose open-handed charity is proverbial, the interests of the county will be safe in his hands. Mr. Moyer is an old resident, and would fill the position with ability and fidelity.

THOMAS IRWIN, of Spring Creek, and

J. J. TAYLOR, of Fox, fer County Auditors, are both well known to our readers, and will, if elected, be efficient officers.

The Indianapolis Journal says: We say the Republicans of Indiana can Beat the combined forces of the Democrats and Nationals this year. They not only can, but will. They would do it if the election would take place to morrow, and they will do it far more certainly in October. Every day that passes the Democratic party in Indiana is becoming more demoralized, and the National party is losing strength. Every day that passes the Republican party is gaining ground and votes. It has not been in as good shape for many years past as it is to-day in respect of organization, effectiveness of party a vigorous and unswerving opponent machinery, and harmony and hope- to all monopolies, and one who would fulness of feeling.

-The fall campaign has also set in vigorously at Franklin and Marshall College. Roystering students smashed in Professor Kiefer's parlor windows the other night, and, when he appeared, treated him much in the same manner as the bad boys in the Bible did Elijah.

Resolved, That we declare our opposition to any and all monopolies of whatever kind, and demand the rigid enforcement of the constitutional provisions against discrimination by railroads in this commonwealth, and pledge our best efforts to secure this result.
