be elected in the various towns and vised measure. Since the passage of townships in February next, will be townships in February next, will be, to property owners, the most importions of the country have changed, tant officials selected during the year. better methods of enumeration have been devised, and there has been an They will decide on the assessed value of all real estate in the county, and this valuation will hold good for three years. The greatest care should be taken in selecting persons for this position, and none but those of good judgment and common sense selected.

The position of assessor is one of the most important to be filled at the ensuing municipal election.

It is important that the work be thoroughly done, and that it may furnish a fresh array of "figgers" on various subjects from which a good deal of illumination, so as to speak, may be drawn. The argument from statistics is a powerful one in this matter of fact age, but such argument in the control of the subject is a powerful one in this matter of fact age, but such argument in the control of the control suing municipal election.

-The Globe-Democrat's Jefferson City special says: The Democrats in little hard on St. Louis and Chicago as the caucus Wednesday night nominated General James Shields for the does not allow sufficient facilities for Senatorial short term, over David H. Armstrong, by a vote of 88 to 87. be found to have been enormously General Shields will be remembered padded. as having represented Illinois and After more than two hours of filibustering and several motions to adjourn were voted down, the matter of nom-Minnesota in the United States Senate. ating for the long term was postponed till Thursday night by a vote of sixty-five to sixty-one, and the caucus ad-journed.

worth \$362,600 United States coin is nine-tenths fine. A cubic inch of this in gold weighs a little more than 9 ounces troy, and is worth \$169.28; a cubic foot of this standard gold is worth \$292,500.

#### Washington Letter

[From our regular correspondent.] Washington, D. C., January 8, 1879.

But little of importance has transpired at the capital the past week. The time of Congress has been again occupied with the burial of its dead, and its sessions broken by the ceremonies of mourning. The mortality among Congressmen this session is really alarming. Four members of the House have dropped out of the arena, within the short space of three weeks, all of them Democrats, and the age. Whoever has "the blues' three of the number among the most useful and highly esteemed members of the body to which they belonged. rise to them. It always cures Billious It was reported three or four days ago ness and Liver Complaint, Jaundice proved only one of the rumors that are so readily started upon the slightest Blotches and ALL SKIN ERUPTIONS foundation at such a time. Alex's little withered frame still forms a Limbs and Dropsy; Sleeplessness, Imliving casket for one of the brightest paired Nerves and Nervous Debility; intellects the country has produced, and their is no telling how many stout, apparently healthy men he may out-
