The Advocate. THURSDAY, JULY 17, 1879.

NEW TIME TABLE .- Under the new schedule the mail and local freight leave Ridgway station as follows: MAIL WEST . . . 2:33 " EAST -5:05 LOCAL WEST . 7:50 " EAST - - 3:25

Local Notes -Flies are plenty.

-Dog days are here.

-Ice cream every day at Morges-

ter's. -At last the new walk on the Oster

hout road is nearly completed. -Raspberries are in market, like

wise cucumbers and green corn. -The thermometer now marks 90%

in the shade just as easy as rolling off a log.

-Constable Horton arrested an over jubilant chap yesterday and put him in the cooler. -Feed your potato bugs Paris Green

they don't like it but that won't make any difference to you. -Call and see our new Octavo and

Hampshire mills note paper. Good quality and cheap price.

-Too much rain last week for good haying weather. This week, however, the weather is just right for having.

-On Tuesday morning the work men on the wall of the new Court House commenced work at 4 o'clock,

-You need the ADVOCATE and we are anxious to furnish it to you for \$1.50 a year. In other words we propose to work a whole year for you for \$1.50 and board ourselves.

-The Messrs. Hyde are making a great many improvements in the Ridg way House, among which is a new roof. This house will be first-class in every respect when finished.

-We are glad to learn that Mr. Rishel has been elected principal of the Ridgway High School, Prof. Johnson having resigned. Mr. Rishel has taught here for three years, is an able and efficient teacher; and while we are very sorry to part with him, we ter's, wish him success in his new field. -Sterling Gazette.

-Heavy wind and rain storm last Friday afternoon. At this point the rain fell in torrents, while the wind blew violently; no particular damage done to property. Several trees were blown down in the vicinity of Whistletown. At St. May's the tannery chinney was blown down, and several buildings unroofed

-The Rejublien County Committee have selected James Penfield and C. D. Osterhout as Senatorial conferees. Elk county concedes the Senatorial

Slings of a Personal Nature. -Dr. Bordwell is cutting his wheat. -John Murphy was in town Tuesday.

-A sister of Geo. W. Rhines is visvisiting at his house. -Misses Frank and Jennie Stout are at Lock Haven on a visit.

-Mrs. Mohney, mother of Mrs. Wensel, is in town visiting.

-What kind of bait do you use when you go fishing down the creek? -Sheriff Head is paying strict atten tion to his farming at lower Millereek. -W. S. M'Vey was in town Sun-

day, and reports the solder business good. -Misses Jennie and Kate Gresh are

visiting friends in the city of Brotherly Love.

-Levi Ellithorp, of Highland township, attended the ceremonies of yesterday.

-W. J. Colegrove, of Colegrove McKean county, was in town a few lays since.

-James McGovern, while out fishing last week, caught a trout 131 in ches in length.

-Mr. Chas. Knight and wife, of Brockwayville, and T. M. Myers' of Hellen Mills, paid Ridgway a short one instance of a direct legacy of \$5,-000,000. visit last week

-James Malone, Esquire Parsons and family, O. C. Montgomery and as a Government agent, excited the a number of other Wilcox folks were in town yesterday.

-D. C. Oyster is the Representative delegate to the Republican State Convention at Harrisburg on the 23d day of the present month.

-O. C. Kelts had another runaway on Saturday afternoon while making the return trip to Ridgway with the mail. Mr. Kelts was slightly injured. while his back was too much damaged to use for the return trip.

-Note paper and envelopes for sale at this office.

-Many persons have a bol headache every few days. It can be stopped in one hour by Dr. Day's Cure for Headache. Prepared by D. B. Day, Ridgway Pa.

-Pickles by the count at Morges-

BAD AFFAIR .- About seven weeks

igo, a man named burke, residing two miles above Howard'stSiding, went to his home iutoxicated and made an assault on his mother, an old lady, nearly 70 years of age. The inhuman wretch threw her a distance of nine feet against the side of the house, breaking a thigh in two places and partially dislocating it through fracture of the edge of the socket. After inflict-

ing the injury the unnatural son removed everything from the house, except a bed, and left the poor woman lying where she fell, and although she Delegate to the State Convention to had kept house for him him, and was Clarion county. Jacob Maliison was depending on him for support, he paid appointed a member of the county no attention to her, and she received caused by the death of James Snadden, to the attention of Judge More, Poor-

The News

-The St. Paul Pioneer Press estimates that the farmers of Minnesota will realize \$40,000,000 for their wheat crop this year. The Chicago Times thinks the utmost expectation of the

wheat crop of 1879 is 390,950,000 bushels, against 425,000,000 bushels in 1878.

-Washington, D. C., July 15, There will be no call for 19,40 bonds as erroneously stated last night, but all outstanding called 10-40 bonds will the 9th \$10,000,000 matured, \$160,000,-000 will mature on the 18th, and \$23,called on the 9th, 18th and 21st, of

no bonds that are now subject to call. -Mr. Crawshay, the iron master, ably have been far larger. The com-

that of the late Mr. Brassey-is doubttwo British personal estates have ever

reached \$20,000,000, and there is but of God's flat.

-A scamp, who represented himself negroes of Holmes county, Miss., by telling them that a free train would take them on the following Sunday to Kansas. He charged every man \$1 for a small flag, which was to be his title to a spot of land when he reached Kansas. The news spread like wildfire, and, selling their cows for \$2. their chickens for a penny apiece, and other possessions at as ruinous rates, 1,000 negroes gathered to wait for the train

that never came. -Intemperance among the women of springfield, Mass., has excited the

alarm of a local temperance society. The Republican says that two women, who were richly dressed, and who are accustomed to move in the city's best society, went shopping while so obviously drunk as to attract the attention of all who saw them. These are not the only women of good social position who have been seen in public, within a few months, the worse for

wine or something stronger. -Immense pumping machines were

ordered by the Hungarian Government of English firms for the rebuilding of Szegedin, at an expense of over half a million of dollars; but this money proves to have been entirely wasted. It has become evident, says the Szegedi Napio, that Szegedin can be rendered dry only by the falling of the river that caused the inundation. For the money that these enormous pumps cost, the banks of the river might have been fortified, and future overflows to that extent guarded against.

-A young Chippewa hunter was with all her forces in harmony, and shooting squirrels in the woods that vegetable and animal growth and deborder Lake Huron, in Ontario, when

Work, Work, Work.

"The latest Gospel in this world is, know "Oh, how I hate to work," said our

young friend. Life was just opening up her beautiful vistas to those bright young eyes whose vision had scarcely covered the uneventful experience of of '77, Allegheny College, preached at eighteen years, and, as those words the State Street church Meadville,

dropped with lazy drawl from those night before last, when he said it was lips from which we had heard nobler not his intention to preach a sermon, sentiments, our mind was startled into but to give testimony, and he related intense and active thought. "Hate a wonderful story of the efficacy of work! Hate work!" How those words prayer in restoring him to health, mature during the present month. On echoed and re-echoed through the which in brief is as follows: After his chambers of thought. Work, work, graduation he received an appointwork, ever work. What is work to ment from the Erie Conference to 567,300 on the 21st, These bonds were the many, who, through sweat of body preach at Ridgway. Pa. After a few and sweat of brain, toil along up the months' labor he was stricken with April last, and comprise all that were hill of life? The question asked must disease and was compelled to resign subject to call at that time. There are find its answer and thus revolving the his charge. After being compelled to problem in our mind, memory releave his work at Ridgway, he went ferred to the question which opens to his father's home, near Beaver Falls, left property in England worth \$600,- this article, and again to those words where he grew rapidly worse, but 000,000. Ten years ago it would prob- of Holy Writ, "Whatsoever thy hands through the aid of eminent physicians find to do, do it with thy might." he was partially cured several times, paratively small amount (\$13,500,000) How far reaching was the wise pro- but relapsed into a worse condition under which Baron Rothchild's per- visions made by our Creator when he each time. RIDGWAY, PA.

"GAINED A FOUND A DAT." SOUTH STOCKTON, N. Y., April 7, 1879. DR. M. M. FENSER, Fredomin N. Y. Dear Sir:-I had been suffering from Abscesses on my Lungs and Liver Dis-ease for about three months. Coughed agreat deal, had become nervous and restless and my fiesh had wasted away. I had been treated by three different physicians without any material benefil. After using two ann one-half bottles of your Bleod and Liver Remedy and Nerve Tonic I ass a well man. Once fairly under its finfifence I gained flesh at a rate of a pound a day. Gratefully yours, J. H. CLARK.

Dr. Fenner's Blood and Liver Remedy and Nerve Tonic may well be called "The conquering hero" of the times. It is the medical triumph of the age. Whoever has "the blues" should take it, for it regulates and restores the disordered system that gives rise to them. It always cures Billiousness and Liver Complaint, Jaundice, Dyspepsia, Constipation, Headaches, FEVER AND AGUE, SPLEEN ENLARGE-MENTS, Scrofula, Erysipelas, Pimples, Blotches and ALL SKIN ERUPTIONS AND BLOOD DISORDERS; Swelled Limbs and Dropsy ; Sleeplessness, Impaired Nerves and Nervous Debility: Restores flesh and strength when the system is running down or going into decline; cures Female Weakness and Chronic Rheumatism, and relieves Chronic Bronchitis, and all Lung and

Throat difficulties. It does these things by striking at the root of disease and removing its causes. Dr. Fenner's Improved Cough

Honey will relieve any cough in one hour.

Dr. Fenner's Golden Relief cures any pain, as Tooth-ache Neuralgia, Colic or Headache in 5 to 10 minutes, and readily relieves Rheumatism, Kidney Complaint, Diarrheea, Dysentery. Dr. Fenner's St. Vitus Dance Specific. One bottle always cures. For sale by Drs. T. S. Hartley and D. B.

Thirty Dollars or a Cow.

Patrick Washington is one of the richest farmers in Fallsburg, Suilivan county, N. Y. He is 65 years old. His wife died two years ago. Mary Boyle was a comely servant in the place. Thomas Flanigan was a friend of Mary Boyle's Washington wanted to marry again. He several times said to Flanigan that he was looking for a second wife. Flanigan finally The Wachob maps now being sold told him that if he would give him \$30 Washington accepted Flanigan's proposition. Flanigan brought Wash-

ington to this village and introduced him to Mary Boyle. Immediately after the introduction Washington made an offer of marriage to Miss Boyle, and she accepted him. She never knew his Christian name until the bans were read in church. They

were married on the first day of July On the second Flanigan presented a bill to Washington for \$80. Washington said he could not pay the money, but he would give Flanigan a four-year-old steer. Flanigan said he new roots for next year. agreement. Washington refused to

fill his part of the contract. Flanigan street. ton. It was tried before Esquire W. B. Flanigan recovered a verdict for \$30.

could not rise nor remove the tree, which was lying across his broken leg To lie there and starve to death seemed all that was left to him. In his dilemma he took out his knife, cut off bright laurels for thy crown. his own leg, bound it up with his sash,

dragged himself along the ground to his cance, and paddled home to his wigwam on a distant island. There the care of his wounds was completed, and he is still alive.

-According to a decision just rendered by the Supreme Court of Caliornia, lawyers are not at liberty to of mind resolved to astonish a pawndecline to appear in the defence of impecunious prisoners, if assigned to that duty by the court. Judge Clark, of Sacramento, requested a young attorney to take charge of the defense in a case where no con.pensation could be expected, and adjudged a refusal to be contempt of court, for which he imposed a fine. Upon a writ of habeas corpus issued by the appellate court, this decision was pronounced sound law. The liability to serve gratuitously is declared to be one of the burdens of the legal profession, for which its privileges are ample compensation.

-Nelson Bogard bargained to buy the farm on which he and his mother lived. The owner was seen going to the place to deliver the deed and get the money, but he was never known to return, and his horse remained among Bogard's stock. The missing man was a stranger, and nobody was

particularly interested in his fate, or in disproving Bogard's assertion that he had departed afoot after selling his horse and the farm. That was seven years ago Afterward, a boy who had been reared on the Bogard farm was found hanging in a barn. Old Mrs. Bogard fell ill recently at the age of 77, and, believing that she was about to die, confessed that she and her son murdered the stranger for his money, and killed the boy because he knew something about the crime. But she recovered, and is now in jail, together with her guilty son.

CUT YOUR FLOWERS .- Lovers of flowers should remember that one blossom allowed to mature or go to seed, injures the plant more than a dozen new buds. Cut your flowers, all of them, before they begin to fade. Adorn your rooms with them; put them on your tables; send bouquets to your friends who have no flowers, or exchange favors with those who have. All roses after they have ceased to bloom, should be cut back, that the

It ber one is determined to have satisfacwas the custom of this amiable wo tion. The latest rumor is that the man to compel the boy to sleep with his hands behind his back, and on the matter has been compromised by the floor during severe cold weather, and when seriously ill to perform hard labor. The girl's hands were blistered by being held over the stove and her shoes were taken off and she was compelled to stand bare-footed in the snow

August Eske, of Washington county, and Isaac Cartwright, who were in the act of eloping together, were arrested at the instance of the woman's hus-band. Cartwright, who is also charged Boston, July 14 .- Dispatches from various parts of New England reprewith desertion from the arnly, was

sents this as having been an intensely taken custody, and Mrs. Eske returned to her husband. Subsequently anhot day, though generally much cooler other woman came upon the scene and atmosphere prevails to-night. The claimed to be the wife of Eske, wherethermometer in many parts ranged as upon he was committed to prison for bigamy.

-Bismarck, D. T., July 13 .- The steamers, Gen Sherman and Rosebud on Thursday transferred Gen. Miles' column, consisting of 600 soldiers and 125 Crow scouts, to the north bank of the Missouri river at old Fort Peck. Four companies of the Seventh infantry are stationed at the mouth of Mussell Shell river, a short distance above him. The Yanktonnais and Assinaboines have been forced to the south side of the river in order to have a field clear of all Indians except hos-

A letter from the general freight agent of the Illinois Central railroad says his road had contracted for bringing to the Missouri river three regiments. The quarter master here is silent on the matter. Forts Beauford, Keogh and Custer are almost deserted, Gen. Miles having the bulk of their garrisons with him.

-A pretty good joke was played off on one of our citizens the other day by a genus tramp. He called at the house to get something to eat and was told that if he would do some hoeing in the garden while they were procuring his food they would feed him. So Mr. Tramp took the hoe and went to work. Presently he was called to his grub, which call he instantly obeyed and after doing justice to which, he departed. Soon after he left, the man of the house thought he would go and see how much hoeing the chap had done and was somewhat taken aback to

-On Friday evening last at the discover that two rows of potatoes had been dug up "root and branch" and utterly ruined. Mr. Tramp was searched for all over town, but he had left for parts unknowm .- Emporium Independent.

man giving wife number one two thousand dollars spot cash. Considering the fact that he has accumulated perhaps twenty thousand dollars worth of property on the "setting out she gave him" it is thought he is getting off very cheap. There will probably be further developments. The Thermal Wave.

high as 90 degrees.

no remonstrance was then presented, the court again refused a license for the reason that it had been refused at the previous session. The counsel for the applicant appealed to the Supreme Court, on the ground that it was the imperative duty of the court to grant the license on the second application, as there was then no remonstrance.
